REV. PAUL LOVINGOOD

DEDICATION

Paul Lovingood was born November 27, 1906 in Cherokee County. After his call to the ministry, he continued his education at Mars Hill, Culowhee, and Carson Newman Colleges. Later he enrolled in Southern Seminary at Louisville, Kentucky.

Early in his ministry, he pastored churches in Cherokee County. In 1945, he served as administrator of the Children's Home at Thomasville, N. C.

After leaving Thomasville, he pastored Fairview Church, near Asheville, Valley Hill at Hendersonville, Poovey's Grove at Granite Falls, Abee's Grove at Valdese, and Beaver Dam at Asheville. Retiring from Beaver Dam in 1975, he moved with his wife, Anne, to Valdese. During his retirement, he served as interim pastor to 12 different churches in this area and was active in associational work until his death in February of 1986.

MRS. R. KNOLAN BENFIELD, SR.

Mrs. R. Knolan Benfield, Sr. was the daughter of a pioneer pastor in North Carolina. She attended Mars Hill and Meredith Colleges. She was married to Rev. Benfield in 1934 at Kings Mountain. She had one daughter and one son and four grandchildren.

Mrs. Benfield was a very missions oriented person.

Rev. and Mrs. Benfield moved to Morganton in 1957 when he became pastor of First Baptist Church. While serving here, she was a dedicated Sunday School Teacher, WMU director of the association for several years, and was WMU President for the state of North Carolina for five years. She served on other committees for the state from the early 1940's until her death in November of 1985.

Under the influence of the Rev. P. A. Whitener, a pioneer Baptist preacher from Catawba County, the Mount Home Baptist Church was constituted into a church on May 25, 1873 and was first known as the "Bartel's Baptist Church." In 1885, the name was changed to Mount Home.

Several pioneer preachers served as pastor from 1873-1876, and the first pastor called was the Rev. M. V. Macomson, a blind minister. A total of 33 men have served the church in its 113 year history.

Construction of the present sanctuary and adjacent educational unit were completed in 1958 under the leadership of the Rev. W. C. Bearden. In 1969, additional educational facilities were constructed and the newest addition was just completed this year, both under the leadership of the present pastor, the Rev. Jerry Gamble.

Mount Home has grown to a total membership of 850, and offers various ministries of service and a full educational program for all age groups.

The First Baptist Church of Rutherford College was founded on February 13, 1949 with 35 charter members. The church facilities are now located on the property which formed part of the campus of Rutherford College, a former Methodist supported institution.

The following men have served the church as pastors:

Rev. H. L. Phillips	1949
Rev. Glenn Ramsey	1950-1956
Rev. McCoy Robinson	1956-1960
Rev. William Goble	1960-1966
Rev. James Craig	1966-1971
Rev. Marvin Green	1972-1974
Rev. Theodore Sims	1975-1983
Rev. Douglas Privette	1984-(presently serving)

The First Baptist Church of Drexel was officially organized in 1906 with a charter membership of 17. A building 33 × 65 feet was dedicated in late July of 1911. Three Sunday School rooms were added in 1924. The first wing of the new building, including the present Sanctuary, was completed in April 1948. The present educational building (which stands on the site of the old) was completed in 1952. In 1949, the church sponsored a mission in Drexel which resulted in the formation of Drexel Memorial Baptist Church in 1953. Pastors and dates of their service are listed:

1906-1908	Rev. Robert Logan Patton, Sr.

CONSTITUTION AND BY-LAWS

ARTICLE I

This body shall be called **THE CATAWBA RIVER BAPTIST ASSOCIATION**.

MEMBERSHIP ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.

2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Reception and Location of New Churches Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of goodwill. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Reception and Location of New Churches Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Reception and Location of New Churches Committee has responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

OBJECTS

ARTICLE 3

The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES

ARTICLE 4

This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS

ARTICLE 5

The officers of the association shall be a Moderator, Vice-Moderator, Clerk and Treasurer, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

RULES OF ORDER AND BY-LAWS

ARTICLE 6

The Moderator, or Vice-Moderator shall preside at all regular meetings. All officers shall faithfully discharge the duties of the office to which they have been elected.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided twice by vote in the same decision at regular sessions of the Association shall not be reintroduced except by the consent of the body, expressed by a majority vote.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but alway ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

“And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever.”

Articles of Faith

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Savior, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne: that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgement will fix forever the final state of men in Heaven or Hell on principles of righteousness.

SUNDAY SCHOOL

When Southern Baptists set their hearts and minds on God-inspired and God-blessed goals good things happen. And good things are happening in the Sunday Schools in Catawba River Baptist Association.

With the emphases of the "8.5 by 85 Campaign" and now the "Challenge 10/90 Campaign," our Sunday Schools are growing! Since the year 1980-81, our enrollment has grown steadily each year. From 11,596 to 12,920 an increase of 1324 which is a 11% increase over the six year period. That's fantastic! But, we can't stop there. We must keep on keeping on, pressing toward even greater achievements. Our ASSISTeam (Associational Sunday School Improvement Support Team) has challenged us to reach a 5% increase in enrollment this year, and we can do it if we will just keep applying the proven basics of Sunday School growth.

The ASSISTeam has been busy planning for the following Sunday School training events for this year:

- *Our Vacation Bible School Clinic in the Spring.
- *Two Associational Sunday School Training Schools, one in the Spring and one in the Fall.
- *A Pastor/Sunday School Council Workshop in the Fall.
- *And we are especially excited about plans being made with our State Sunday School Department Director to conduct another Associational Sunday School Growth Campaign here in our Association in the Spring of 1988.

Members of the ASSISTeam were privileged to attend a week of up-date training in Associational Sunday School work provided by the Baptist Sunday School Board at Ridgecrest this past August. We realize that this Team exists for the sole purpose of serving the churches of our Association, and we are committed to that task. Please call on us and let us know what we can do to ASSIST you with Sunday School work this year.

Respectively submitted,
Lewis A. Gentry, Director

ASSOCIATIONAL CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders)

grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and Skill Development (in performing the function of a New Testament Church).

We are happy to report that Church Training in North Carolina continues to grow in terms of enrollment increase as well as in the number of opportunities offered every church for discipling believers.

However, despite all that some churches are doing in the area of discipleship training, many think of Church Training as the traditional Sunday night program at 6:00 or 6:30 (using dated quarterlies) only. Often they do not realize that Church Training has the responsibility for training leaders and new church members. Add to that the programs for youth, children, (including Bible Drills) and preschool, and you can readily see a larger picture.

We hope that this coming year will be a great time for your Church Training Program in your church. Please let us help you by informing us of the particular training needs of your church.

Jerry F. Gamble, Director

BROTHERHOOD

The Associational Brotherhood is designed to function as a resource to its churches in developing, strengthening and promoting the growth of its missions organizations. Under the Brotherhood umbrella that unites and coordinates Baptist Men and Royal Ambassadors, the men and boys of our churches are led into an active involvement in missions. This includes teaching missions, leading men and boys to engage in mission activities, to pray for and give to missions, to develop a personal ministry and to interpret and undergird the work of the denomination.

During the past year in Royal Ambassador work, strong emphasis was placed on mission activity, mission study and mission support. Our annual Conclave was hosted by Valdese First Baptist Church. Another mission study event was a missions fair, complete with missionary speakers on furlough. Several missions fair awards were won by the Mount Olive and East Valdese chapters at the State Congress at Gardner-Webb College. Approximately two hundred walked in our Hike for Home Missions.

R. A. interest activities included Pioneer track competition, Crusader field competition, a hiking and camping program, a day camping event for Crusaders and a Crusader car competition. A special fund raising event provided funds to purchase "Event" magazines for distribution at Western Correctional Center.

Baptist Men, working jointly with the Associational WMU, promoted missions through the sponsorship of home and foreign mission institute teacher training and leadership workshops. Baptist Men's Day was observed by many of our churches in January. Our Associational Brotherhood was represented at the meetings of the North Carolina Baptist Men's General Board, and at the Key Leadership Conference at Ridgecrest.

The program resources of the Associational Brotherhood are available upon request to all of our churches. Please contact us.

Our sincere prayer for you is that you may have a great year in missions!

Respectfully submitted,
Albert Epley

WOMAN'S MISSIONARY UNION

Much excitement has been our mood this year as we have looked back to our beginning. North Carolina (Woman's Missionary Union) Celebrations have been observed in many of our churches on January 8, 1986. The 100 days of prayer were observed from January 8th until April 18th, 1986. A Centennial Prayer Retreat was held at Asheville Street Baptist Church. The Fannie E. S. Heck Monologue was presented at our annual meeting by students from Western Piedmont Community College. Then on May 1, 1986 a Centennial Missions Fair was held at Mount Home Baptist Church. Several churches made displays showing past work of WMU in their churches. Also Elizabeth Campbell, former Director of Missions of Caldwell County spoke regarding our RICH heritage in WMU.

In 1986 individuals and churches worked to complete the payments for the new piano which was contributed to the chapel of the associational Baptist Center. Thanks to each one who gave!

Our special emphasis for 1985-86 was MULTIPLY THE VISION. The word VISION implies a goal, — it refers to a new sense of spiritual renewal as it relates to enthusiasm for missions and a renewed awareness of and commitment to the missions task of WMU. The MULTIPLY refers to both personal witnessing, mission action, and enlistment as major thrusts for WMU.

Even though we still have six churches with no WMU work, we have assisted several churches in starting new age-level organizations. As our Watchword says: "All over the world this gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth." (Col. 1:6 NIV).

Respectfully submitted,
Reba Barnes, WMU Director

EXECUTIVE PROMOTION COMMITTEE

The Executive Promotion Committee met quarterly during the year 1985-86. Reports from organizations and committees were heard. Items of business that needed attention after the annual associational meeting were handled.

The following recommendations were approved by the committee in regular business sessions:

- (1) That the Association apply for funds in amount of \$1,250 and engage Mike Evans as a ten-week summer worker for New Hope Missions and that the Association help with his travel expenses.
- (2) That the moderator appoint a committee of 7 (4 ministers and 3 laymen) to study the Constitution and By-laws of our Association and present proper revision at the annual meeting.
- (3) That keyholders of the Baptist Center were to be director of missions, secretary, moderator, custodian, chairman of building and grounds committee, chairman of furnishings committee, and director of Seminary Extension. Any program director may request a key and shall return it at end of program.
- (4) To make application for the new Annuity Board Plan for Director of Missions Bill Goble and staff (director of missions or pastor pays 5%; church or association pays 10%).
- (5) To dedicate the 1986 annual associational minutes to Rev. Paul Lovingood and Mrs. Knolan Benfield.
- (6) To revise the Constitution as suggested by the Constitutional Revision Committee.
- (7) To adopt an Associational Long-Range Strategy Planning Program.
- (8) To adopt the proposed 1986-87 budget.

Respectfully submitted,
Woodrow Busch, Moderator

WESTERN PIEDMONT COMMUNITY COLLEGE CAMPUS MINISTRY REPORT

North Carolina Baptists have some form of ministry on forty-seven college or university campuses across the state. Fortunately, one of these campuses is Western Piedmont Community College. The ministry at Western Piedmont is only a part-time endeavor led by area ministers who volunteer their time and efforts to this need, but it is a very viable ministry, just the same.

During the past year, there have been numerous hours spent in building relationships with the students of Western Piedmont Community College as well as time spent in counseling and leading students to come to grips with who they are, what their life goals are and the role Christ plays in their decision-making processes. As a result of this ministry, we had representation at the Baptist Student Fall Convention at Ridgecrest. We also had a student, for the second year, serve as a summer missionary at the North Carolina Baptist Assembly at Fort Caswell.

During the school year, students across the state raised about \$50,000.00 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period, and then spent the summer, a semester, or an entire year serving Christ in a missions situation. Students, under the leadership of ministers, employed by your Cooperative Program dollars, are growing and sharing their faith in many ways because you care enough to provide Campus Ministry.

MISSIONS COMMITTEE

It is the desire and purpose of your Associational Missions Committee to develop and promote missions in our Association and among our churches. The Missions Committee wishes to thank each church in our association who has supported the Greater Rochester Baptist Association and the New Hope Mission this year.

As a committee, let us encourage your church to place the New Hope Baptist Mission in your church budget or at least consider a special offering for this mission. This is an Associational effort under the wing of Zion Baptist as the "Mother" church. The financial support received for this mission through the State Convention Church Planters Assistance Fund will soon expire. Then the financial needs of the mission will be completely upon our association and Zion Baptist Church.

Through the combined support of our Association and the State Convention we were able to have a student from Southeastern Seminary work with the New Hope Mission and several special projects in our Association for ten weeks this past summer.

Many of our churches participated in mission projects in West Virginia and several other states as well as in countries overseas this past year, and we commend them for a job well done.

One of the increasing needs in our Association is Mission Committees in the local churches. The Associational Missions Committee is available to assist in any way to help begin and develop these needed committees to guide its churches in fulfilling their action programs.

On behalf of our Missions Committee, let me say thanks to every church for their effort in missions.

Respectfully submitted,
W. L. Hollar,
Missions Committee

EVANGELISM REPORT

The bottom line of all ministries, missions, worship and education in our local churches is evangelism. It is the spiritual support system of our fellowships. Jesus was the personification of evangelism. The Holy Spirit is our motivator and the heavenly Father the Originator of evangelism. Do we — as the Lord's followers — dare to be guilty of the sin of omission by not fulfilling the heart-throb of the Holy Trinity? I do not think so. My prayer is that God's Holy Spirit will create such a burden in our hearts for lost souls that we can

neither rest day nor night, until we are thrust into our streets, avenues and highways seeking those lost ones for Christ. That is our primary mission as a church and as a Southern Baptist denomination.

This past year, during our “GOOD NEWS AMERICA REVIVALS,” we had (29) churches in our association participating in this effort. As a result of this Good News America Revival we had:

- 1. professions of faith 99
- 2. rededications 893
- 3. transfer of letters 14
- 4. enrollment in Sunday School 56
- 5. prospects discovered 1,579
- 6. New Testaments distributed 2,797

That is a beautiful beginning! But we need to follow this up by becoming committed to “CHALLENGE 10/90.” This outreach program more than anything else challenges us to put our discipleship into practice. Let me share some of the vision and highlights of this *CHALLENGE FOR THE NINETIES*.

- 1. Enroll 10 million people in Sunday School by Sept. 30, 1990.
- 2. Prepare 1 million members for evangelistic teaching, witnessing and ministry.
- 3. 8,000 new Sunday Schools begun, including 2,000 new ethnic ones.
- 4. 30,000 Sunday School Leadership Diplomas earned.
- 5. 10,000 churches with “Weekly Workers’ Meetings.”
- 6. 10,000 churches with Outreach Bible Study groups.

These goals represent stepping-stones on the way to reaching a vision — reaching lost people for Christ; taking Bible Study to people; and having workers trained to provide the best leadership for classes and departments.

I urge you to pray for this awesome challenge — get personally involved yourself by the grace of God and ask God to give you a vision of your own local community for Christ.

FOREIGN MISSIONS

Southern Baptists organized as a convention in May 1845. The Foreign Mission Board is the convention’s channel through which churches share the gospel with people of all nations. The home office has been located in Richmond, Virginia, since its organizational meeting in 1845.

There were many accomplishments in our Foreign Mission work in 1985. More than 158,600 of the world’s people found Christ and were baptized in 1985 through Foreign Mission Board related efforts. This is 12 church members per baptism compared to the average of 41 members per baptism in the Southern Baptist Convention last year.

A record 429 persons were named for missionary service. There are many requests for missionaries going unfilled, particularly for preachers. We now have work in 106 countries — two entered in 1985 — Zaire and Reunion. However Sudan was dropped from the country list because Southern Baptist missionaries no longer live there.

Also, a record of 6,759 Southern Baptists were short-term volunteers in

1985. Many of these were involved in hunger-related projects, but the majority were involved in direct evangelism efforts.

Receipts through the Cooperative Program were \$59,325,346, up to 6.62 percent from 1984. Southern Baptists gave \$4.10 per capita to the Foreign Mission Board through the Cooperative Program.

Lottie Moon Christmas Offering giving increased by 11.63 percent to \$64,775,764. This averaged out to \$4.51 per Southern Baptist. Some Southern Baptists gave beyond the Cooperative Program and the Lottie Moon Christmas Offering through wills, insurance policies and cash donations.

Hunger and relief gifts were up 64 percent in 1985. Allocated for hunger and relief during 1985 was \$9.2 million. Two million dollars of this was for relief work in Ethiopia with the other \$7.2 million going to help 39 other countries of the world.

Two exciting things happened in 1985. One was the Global Evangelization Strategy Consultation, which brought together 42 Baptist leaders from 21 nations where Southern Baptist missionaries now serve. In this meeting were plans on how to reach the world's people for Christ and information about each group's resources. (This meeting was held at Ridgecrest, N.C.) The other event was the forming of the Cooperative Services International to respond to the rapidly expanding professional and social service opportunities in China where missionaries cannot serve. Southern Baptist missionaries have not been in China in over 30 years.

Our Foreign Mission Board president, R. Keith Parks, says the complexities of our world, the sensitivities in different parts of the world, and the constant shifting of political and religious forces provide us a never-ending challenge. Please pray that we will reach out to people and bring them Jesus Christ, that we will thoughtfully, wisely plan our efforts, honestly and sincerely and keep the whole world in view.

Respectfully submitted,
Ray Bush

HOME MISSIONS

The Home Mission Board supports 3,635, persons in various activities, ranging from career missionaries to people receiving "field assistance" for specific jobs, such as assisting in a Baptist center, or for specific needs, such as travel money for a bivocational pastor. This work is carried out in all 50 states and in the American territories of Samoa, Puerto Rico, and the Virgin Islands.

Industry, prisons, hospitals, and military support 1,778 other missionaries in their institutions. More than 49,000 Southern Baptists serve as volunteer missionaries.

As of December 31, 1985, North Carolina had 15 missionaries, 19 missionary associates, 2 Church Planter Apprentices, 3 US-2ers, 4 Language Pastoral Assistants, for a total of 62 missionary personnel.

In 1985, through the efforts of all Home Mission personnel, there were 67,793 professions of faith, 32,852, additions to churches, and 4,586 decisions for special services. Also, the Home Mission Board assisted in starting 675 new churches and 2,009 missions, and \$23 million was loaned for purchase of new church sites and church construction.

There remains much to be done. Goals of the Home Mission Board include starting 5,000 new churches by 1990, and reaching a total of 50,000 Southern

Baptist churches by the year 2000. Presently we have about 37,000 Southern Baptist churches. Current projects include enlisting one million persons in 20,000 Southern Baptist churches to be involved in ministry and witnessing by 1990.

These goals are a reminder to us that we stand at a threshold of opportunity in our land — with 155-160 million lost persons in the United States. Our hope is that each Catawba River Association church will increase their Home Mission giving in 1987 to help reach these people.

Deserving our prayerful attention, also, in the coming months is the selection of a new president of the Home Mission Board. William Tanner resigned June 30, 1986 after a decade of leadership toward the goals of Bold Mission Thrust.

STEWARDSHIP

Southern Baptists' stewardship theme for 1986 is "Show His Love — Give," based on II Corinthians 5:14-15. The theme addresses a quality of Christian living to be achieved and a tangible expression of that quality through showing His love and ours to others. The strength of this theme comes from its Biblical basis; the two verses speak to the "cause" and "effect" of Christian living.

The *cause* of our giving is addressed by Paul in verse 14: our love for Christ. The *effect* of our giving ought to be pointed toward others because our love for others limits our living for ourselves alone.

Through prayer and financial support, we become partners with over 7,000 Southern Baptist missionaries who daily "show His love" on mission fields in 106 countries and the 50 United States of America.

Southern Baptists are co-laborers with God and each other as we remember to enact an old hymn sung in Baptist camp meetings and revivals which says, "All is vain unless the Spirit of the Holy Ones comes down. Brethren pray and holy manna will be showered all around."

In 1980 at a religious conference sponsored by the Home Mission Board, Avery Willis, supervisor of the Adult Section of the Church Training Department at the Sunday School Board, presented the full implications of the Baptist goal to tell everyone in the world about Christ by the year 2000.

"By the year A.D. 2000, the population of the world is predicted to be more than six billion people," Willis said. "If we are going to reach the world for Christ, that means that we will have to witness to 300 million persons — more than the population of the United States every year for the next twenty years," he added.

That challenge is still with us. Let us do our part in the Catawba River Baptist Association through prayer, evangelism, and financial support through the Cooperative Program to make this dream of sharing Christ with every person in the world by A.D. 2000 a reality. May God's blessings be upon all of our churches.

SOUTH MOUNTAIN BAPTIST CAMP 1986 REPORT

Theme: Fruit Bearing Christians

Thirty years ago God enabled the churches of Region 8 of North Carolina Baptists to develop a camp for the promotion of missions and the reaching of children and youth for Christ. This was in the dream of the late M. L. Smith of Fallston, N.C., when he donated most of the land for this camp.

Without exception God has done a wonderful work each year. Churches and interested individuals have prayed and given financial support. Through the years, they rejoiced with us knowing that so many young lives have been blessed.

There were 966 who attended our regular camps. Many visitors came each week. There were 1200 attending day camps and retreats. There were 87 saved and 181 other decisions. Campers made a commitment to be fruit-bearing Christians and led to pray each day for world missions.

It was thrilling to hear many of the campers give testimonies about receiving Christ or rededicating their lives to Him.

All of us were challenged by our theme to be more involved in bearing Christian fruit and glorifying the Father (John 15:8). In our camp program, children are involved in Bible study, mission study, memorizing scripture, worship and recreation.

Please join with us in daily prayer that campers will continue to grow spiritually and be fruit-bearing Christians.

Rejoice with us that the Retreat Center is being used. We have three other cottages for retreats. Contact us for retreats.

REPORT OF WORK OF THE GREATER ROCHESTER BAPTIST ASSOCIATION FOR 1986

Dear Friends in Catawba River Baptist Association,

The Greater Rochester Baptist Association greatly appreciates the support through prayers, mission groups, and money that you provide each year. This support has helped us continue our work through ten churches and one mission.

Our churches continue to reach out to the more than 1,300,000 people in our association. Less than ½ of these people claim any church affiliation. Please pray for us as we try to break down barriers to witness to people who have little interest in religion. Pray for the ten pastors in the Greater Rochester Baptist Association as they struggle with limited finances to guide their churches to grow and to reach out. Please pray for Newark, Pleasant Valley, and Hamlin churches as they purchase land and plan toward church buildings in the future.

Norman Beckham left Rochester January 1, 1986 to go to Michigan where he became director of missions of an association near Detroit. Greater Rochester Association was without a director of missions until July 1 when I came to the association as the new director of missions.

Greater Rochester Baptist Association has been chosen as a Mega Focus city.

The association had developed a five-year plan with the help of the Southern Baptist Convention agencies. Please pray for us as we work to carry out these plans.

New Covenant Church in Canadaigua does not have a pastor at the present time. Please pray that the Lord will guide them to a man with a mission vision.

Our churches are fragile and struggling. They appreciate any support you can give.

In His Service,
Rusty Sumerall

SEMINARY EXTENSION

Seminary Extension brings quality education close to home for all of us in Catawba River Association. During 1985-86, a total of 14 persons enrolled in one or more courses offered through the Catawba River Seminary Extension Center.

According to Robert Rownd, director, the center offered 6 courses, taught by Robert Rownd and Forrest Ridings.

Plans for the coming year include one course per quarter.

Catawba River Association is among some 300 Baptist associations working with the Seminary Extension Department of the Southern Baptist seminaries to co-sponsor local ministry training centers for its people. The Seminary Extension Department is part of the Seminary External Education Division housed in the Southern Baptist Convention Building in Nashville, Tennessee. In addition to the network of centers, the Seminary Extension Department offers most of its courses through correspondence.

NORTH CAROLINA BAPTIST COLLEGE REPORT — 1986

CAMPBELL	CHOWAN	GARDNER-WEBB	MARS HILL
1887	1848	1905	1856
MEREDITH	WAKE FOREST	WINGATE	
1891	1834	1895	

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

Campbell — During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

- Chowan** — Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.
- Gardner-Webb** — On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.
- Mars Hill** — A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.
- Meredith** — “Thorough instruction” and “culture made perfect through the religion of Jesus Christ” are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith’s commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.
- Wake Forest** — Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.
- Wingate** — Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar “Second Century: Vision for Excellence” campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

THE ASSOCIATIONAL CHURCH MEDIA LIBRARY ORGANIZATION

IMPACT 90. From the Church Media Library Department (SBC), an exciting plan has been announced. It is a four year goal to stress the importance of the Media Libraries. A special theme for each year is projected:

1986-87 Media Libraries	Touching Lives
1987-88 Media Libraries	Improving Learning
1988-89 Media Libraries	Enriching Worship
1989-90 Media Libraries	Strengthening Ministry

For the coming year, we are challenged to touch lives by providing resource materials for every individual, and for every organization in the church. Each issue of the Church Media Library Magazine will promote IMPACT 90, and all meetings and conferences will emphasize the yearly themes. Each theme denotes a function of the church, as witness, education, worship, and ministry.

With the beginning of this Associational year, let's take inventory of our existing media libraries — "Where we are and where we want to be." New opportunities and new ideas come with each new year. "Catch the vision of what media library work is . . . Touching Lives. Be a witness!"

THE BIBLICAL RECORDER

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians — fewer persons in North Carolina are members of any church than are not — and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase (\$96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year*. Many of the other major state Baptist papers such as the *Recorder* have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, \$5.00 per subscription for every resident family; Club Plan (four or more), \$6.00; and Individuals, \$7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

AMERICAN BIBLE SOCIETY

The faithful support which the Southern Baptist Convention has always given to the Bible cause is a blessing from God and a source of great encouragement to us. We are grateful to have you as partners in our worldwide ministry.

Available figures indicate that significant progress was made in the areas of both distribution and translation during 1985. As the year advanced, calls for Bibles and New Testaments in local languages came from all quarters of the globe, but especially from churches in the third world. In active cooperation with our associates in the United Bible Societies, an international partnership of which the American Bible Society is a leading member and through which we conduct our work overseas, more than 542,000,000 Scriptures were distributed worldwide in 1985 alone, an increase of almost 5 percent over 1984. Through the United Bible Societies we are also supporting Scripture translation work in 544 different languages around the world. In 360 of these languages a part of the Bible is being translated for the first time.

In the United States, 1985 was a year of expansion for the American Bible Society. A total of 96,222,967 Scriptures were distributed nationwide. In the forefront of distribution efforts were more than 66,500 volunteers, dedicated Christian laymen, women and young people actively and creatively engaged in promoting the Bible causes across the country.

In 1985, Southern Baptists contributed \$298,339 to the American Bible Society. As has been the case in the past, the largest portion of these gifts came from individual local churches. Your generosity is a wonderful sign of Christian caring and solidarity with the thousands of men, women and children across the globe who long to read the Scriptures in their own languages.

Howard J. Tallent

BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain, and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,400 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's \$150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave

\$566,307 through the Cooperative Program and \$374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

BAPTIST RETIREMENT HOMES

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N. C., Inc., has sought to create a broader awareness of its services across the state through the various, available media.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to those individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over \$900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided \$785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the Homes.
- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions, Carolyn Bunting.

We believe that the participation of North Carolina Baptists is critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

BAPTIST CHILDREN'S HOMES'
Annual Report To The Association
1986

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundredth and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church.

The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was \$1.6 million. We encourage you to help promote the new offering in your church during May 1987.

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention is charged by the denomination with the responsibility of administering retirement and insurance programs to meet the needs of ministers, church employees, denomina-

tional and institutional employees, and seminary students. Money contributed by churches, agencies, and individuals is held in trust by the Annuity Board to provide for these benefits.

A relief and supplemental assistance program assists needy, disabled and retired ministers and widows of ministers. This program is funded by the Southern Baptist Convention Cooperative Program and by private donations to the Annuity Board's Endowment Department.

This is a growing program as we may notice from the Financial Highlights:

	1985	1984
Total Assets	\$1,689,798,415	\$1,430,966,407
Premium Income	122,419,866	107,462,456
Investment Income	197,679,430	115,374,232
Retirement Benefits Paid	43,747,325	36,212,973
Insurance Benefits Paid	42,975,735	40,688,775
Total Number of Annuitants	15,127	14,011

Last year nearly 16,000 annuitants received approximately \$44 million in retirement benefits.

Another benefit was added in 1985: The Mail Service Prescription Drug Program. Already, thank-you notes are being received from those benefiting from the savings.

If those pastors and denominational employees who are not already in the program could realize the benefits coming to them after retirement, they would seek to get into the program immediately. My regret is that I did not get into the program earlier than I did.

Oscar Long

P.S. *Every church* in our association is encouraged to prayerfully consider participating in the new Expanded Church Annuity Plan (for pastors and staff) to become effective January 1, 1988. A church vote and a commitment (application) form are required. The forms are to be available soon for churches to use. Benefits of all the former Annuity plan will be preserved, but there will be only *one* SBC plan — the expanded plan after January 1, 1988.

BAPTIST FOUNDATION

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes — institutions, agencies, mission causes — with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency and school and institution supported by Baptists.

An indirect, but profound benefit to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, the individual who elects to commit to Kingdom use a portion of his estate assets, is during his lifetime a more committed steward. He enjoys his giving, and this happy, conscious stewardship dedication must be counted as profit for the church.

The Foundation seeks to inform Baptist people of: (1) Their responsibility as stewards to make provision for the future use of the resources. (2) The critical need experienced by all Baptist causes for endowment support — the ongoing, assured support of those who support them now. (3) Ways by which these realities may be met and accomplished. (4) Counsel in wise decisions for endowing any Baptist cause — for instance, we may discourage a trust for a cemetery fund if we know the church already receives more funds than are needed to maintain the cemetery!

Specifically, the local church may be benefitted by:

1. Encourage members to name local churches in their wills. A percent of the estate is usually to be preferred, rather than a dollar amount.
2. The church may receive real estate in a Life Estate agreement. The individual deeds to the church certain property, or a portion of such property, maintaining all rights and responsibilities to it for life or for a designated period, and then the property becomes that of the church.
3. Appreciated property and securities, "E" bonds, church bonds, bank shares, and nearly any property of value can be transferred into a trust which can benefit the individual and the church — now or at a future date.
4. The Foundation assists churches in establishing their own endowment or "Foundation" committees, then works with the committee to promote estate stewardship among the people. The Foundation can — and does — serve as fiscal agent, managing the memorial funds, etc. received as a result of church committee's efforts, and then distributes the income back to the church or other designated beneficiaries.
5. Local churches are now investing special funds which they hold for some future cause, with the Foundation for loans to new churches, to associations to purchase property for new churches, etc.
6. Local churches, or specific programs of local churches, may be named beneficiary and owner of insurance policies, or the church may be named co-beneficiary, secondary beneficiary, remainder beneficiary, residual beneficiary, or even dividends may be assigned to the church. Tax consequences may accrue to the donor in each case.
7. Church now receives trust income from individual trusts administered by the Foundation for: cemetery maintenance, helping pay current building debt, future construction of activities building, future construction of sanctuary, capital improvements, senior adult ministry, youth summer mission programs, homebound and tape ministry, benevolent committee which meets local benevolent needs, sanctuary flowers, outreach in missions, special offerings, Children's Homes, specific items of general grounds and building maintenance, Cooperative Program, scholarship grants and loans.

In summary, every cause the church promotes and supports, can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

NORTH CAROLINA MISSIONS

At the annual session of the Baptist State Convention in November of 1985, action was taken to observe two State Missions emphases and offerings each

year. One is to be the "Homes and Hospital Offering" and the other the "State Missions Offering."

The "State Missions" emphasis was observed September 7-14, 1986. The theme was CHANGING LIVES. The statewide goal was \$1,125,000. The plan of distribution was:

CHRISTIAN ACTION REPORT

A number of positive things were accomplished this year concerning morals and attitudes. There was and still is a burden concerning the school curriculum. John and Sarah Crupper, Steve and Sharon Daniel, and many others, gave of themselves to enlighten our community as to the kind of sex education being taught in our schools. The result of their labors was presented to the School Board in the form of a well prepared report. This report revealed a curriculum that was designed to provide a lot of sex education that parents and churches should provide. It appeared that the School Board ignored the concern of Citizens United for Burke, P.A.V.E. and others. It is believed that as of September the School Board had modified its position but not to the extent we had hoped they would. Let us support Citizens United for Burke. They need our prayers and financial support.

We are thankful to God for all the efforts put forth to help Burke countians know that human life starts at conception. A pregnancy crises center has been established. Not only will the people who staff this center try to prevent abortions but they will present Jesus as Savior to the expectant mothers.

Let us thank God for the reports that alcohol consumption is down. That statistic should get better with the raising of the drinking age to 21. And we should be thankful that there is a good law concerning pornography.

Much has been accomplished. There are some dedicated, hard working people on the front lines in the battle against the devil. Let us be counted with them.

Respectfully submitted,
Bobby G. Deviney

REPORT OF THE TEMPERANCE AND MORALS COMMITTEE

The past year has not seen any improvement in the moral climate of our Nation or our County. It is best to be candid and realistic about the matter. The

use of drugs is an increasing problem. Any drug problem that is found anywhere in the Nation is also found in Burke County. Burke countians should avoid any conclusion that we are an island of righteousness in a sea of immorality. What is true in other places is true in Burke County either to a greater or lesser degree. While we have some great Christian leaders and some great churches in this county, we will not help the moral climate of the county by pretending that they do not exist.

We must face the fact that we do have drug problems that need to be addressed. Finally, there is a broad realization in our Nation now that alcohol should be classified as a drug and that it is the worst drug problem that we have.

While some legislators are willing to fight the drug problem they are willing to do little about alcohol. The Beer Barons know what they are doing. When politicians are running for office, the beer people are there to furnish free beer for all of their campaign activities. Beer continues to flow freely while legislators look the other way. Don't be duped into thinking that beer taxes pay the way for a lot of good things in this state because beer taxes have not been increased in 20 years. The beer industry has had a free ride in North Carolina for too long.

CHILD ABUSE

On the moral scene, Child Abuse is rampant. In recent weeks, a man has been jailed in a neighboring county as a suspect in the sexual abuse and murder of little girls. Many parents live in fear that their children will be snatched. Thousands of children disappear every year and are never heard from again. Sometimes their skeletal remains are found with evidence that they were sexually abused before they were killed. Moreover, we are shocked to learn that certain cults and groups are using children for prostitution and unbelievable ritual crimes. The number of missing children has surpassed total American deaths in the Vietnam War according to the Bureau of Vital Statistics. 1.7 million teenagers were victims of violent crimes in 1984 — 50% higher than the rate of crimes against adults. Who is the enemy? There is proliferation of organizations such as the Renee Guyon Society, the North American Man/Boy Love Association, Pedophile Information Exchange, Childhood Sensuality Circle and numerous others who encourage the kind of immorality that is so shocking to us. These and others contend that sex with children at any age should be accepted and legalized. Who is included in the membership of these organizations? They include such people as Computer Experts, College Professors, Headmasters and School Teachers, Businessmen, Vicars, Clergymen, Retirees, Blue Collar Workers, Politicians, Newspaper Reporters, Scout Leaders, and a shockingly large number of family members. These terrible crimes are also encouraged by the proliferation of pornography. While North Carolina has one of the strongest pornography laws in the Nation, thanks to the Christian Action League, the battle is far from won even in this State. U.S. Attorney Sam Currin has waged war against pornography and drug traffic in this Nation. He closed down the Nation's largest distributor of pornography in Chapel Hill, N.C.

Program dispensing information may be applauded but they have been largely ineffective in stamping out the pornography industry or bringing an end to the flow of drugs, even in our State. What can Churches and Christians do? Of course, Christians should back the efforts of elected officials who are addressing these problems and attempting to pass laws that will control them

but better laws are not the ultimate answer. Many Churches have occasional Drug Programs in which an Officer will come in and inform young people about the dangers of drugs and about pornography. That may be helpful but it has not made a dent in the overall picture.

Survey after survey has demonstrated that children who are enrolled in Sunday School and who attend Church regularly have a much, much lower percentage of involvement in drug and moral problems. Many leaders are recognizing that the Church must impact the moral value systems of our young people through Biblical teaching and repeated exposure to the Gospel. Young people who are reared in the Church and in homes where they are taught to say "No" to drugs, illicit sex, and alcohol, young people who are deeply involved in church activities such as Choir Programs, Church Recreation, and Retreats as well as special Bible Study Programs are much less likely to be involved with drugs, liquor, and illicit sex. Of course, some who are involved in Church activities "break bad" and sometimes get involved but the likelihood of this happening is far, far less among young people who are deeply involved in Church than among others who are not. The best thing parents can do is to keep their children and young people in Church on a regular basis. Encourage them to participate in youth activities even if it means insisting. When young people find acceptance and fellowship among their peers in Church they are not likely to look elsewhere for it.

Of course, the young people of a Church have little money and their activities usually suffer because they have little voice in the programs and financial expenditures of a Church but the Adults of a Church will be wise to commit funds and personnel to good, healthy youth programs that will impact the lives of young people during the formative years of their lives when they are making important decisions and basically determining what kind of people they will be for the rest of their lives. Effective drug and pornography resistance will come not from laws, nor from outside pressures but from in the heart of the young person. When a young person's value systems exclude drugs, pornography and illicit sex, then he is not likely to be involved.

IN MEMORIAM

It is with loving memories that we pay tribute and respect through our love and gratitude for the lives of our friends and family members who have gone to be with the Lord during the past year.

May their good works, their influence on others, their devotion and dedication to God ever be mindful to us, as we seek to do His will in our daily lives.

Many passages from God's word give us comfort and assurance:

Rev. 14:13 *"Blessed are the dead which die in the Lord from henceforth: Yea, said the Spirit, that they may rest from their labours; and their works do follow them."*

II Tim. 4:7-8 *"I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day, and not to me only, but unto all who love his appearing."*

Poem: "Life," by John Greenleaf Whittier

*Alas for him who never sees
The stars through his cypress trees!
Who, hopeless, lays his dead away,
Nor looks to see the breaking day
Across the mournful marbles play!
Who hath not learned, in hours of faith,
The truth to flesh and sense unknown,
That Life is ever Lord of Death,
And Love can never lose its own!*

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

CHURCHES GROWING TOGETHER

Churches in association freely join together to do certain things together.
Because of this relationship, individual churches grow, mature, become.
And, the churches in association become unified and strengthened.

On mission together, churches grow together.

This year we have chosen to dedicate the minutes to our present moderator, Rev. Jerry Gamble.

Converted at the age of 10, Rev. Gamble first felt the call to preach when he attended a RA Conclave at the First Baptist Church, Shelby, N.C. At the age of 17, he surrendered to the call of the gospel ministry and was ordained by his home church, Calvary Baptist, Shelby, N.C., when he was 21 years old.

Upon graduation from Shelby High School, he enrolled in Gardner-Webb Jr. College for 2 years and further studied at Limestone College, Gaffney, S.C. for 2 years. At the time of his ordination, he had been called to his first pastorate in Lenoir to the Blairs Fork Baptist Church. In November, 1965, at age 24, he accepted his first call to become the pastor of the Mount Home Baptist Church where he served until June of 1971. His third pastorate took him to Kannapolis, N.C. where he led the Centerview Baptist Church for 3 years. A call to the Thrift Baptist Church, Charlotte was extended to him in November, 1973 where he pastored until Mount Home extended their second call to him in Sept. 1976. Another 5½ year stay in Morganton ended when the Alexis Baptist Church, Alexis, N.C. issued a call to him to come as their pastor in 1981. Feeling strongly that God led him to do so, he returned to Mount Home for the third time five years ago upon their extending him a third call.

Over the total of 16 years in the Catawba River Association, Rev. Gamble has been actively involved in denominational and associational work. He has served as Moderator, Pastor's Conference President, Church Training Director, and on various other committees in the Association. He represented our association on the General Board of the Baptist State Convention from 1976-79. He was also a member of the Board of Associates of Gardner-Webb College from 1969-71.

Under his leadership at Mount Home, God has blessed in areas of growth including a present membership of 889 and in expansion of facilities including 2 major building programs.

Rev. Gamble is married to the former Shirley Hamilton of Shelby and they are the parents of a daughter, Joy, age 16, and a son, John David, age 14.

HISTORY OF HOPEWELL BAPTIST CHURCH

It was in December, 1870 that a small group of people who had been worshipping in a brush arbor made and adopted a formal resolution to establish an independent Baptist Church. As the people labored together to build a log church to worship in, a neighbor came by and asked what the name of the Church would be. One of the members who was working on the building replied that no name had been selected but all the people "hoped it would do well." So the name Hopewell was chosen.

By September, 1871 Hopewell Church members desired to be a part of a larger organization so they petitioned to become a part of the Catawba River Association. Since then our church has been a member and supporter of this Association.

During the past century, Hopewell has seen many changes. As the need for additional space arose, the members of Hopewell labored together to build new church buildings. In 1902 a larger church was built and twenty years later an addition provided for ten Sunday School rooms. The present church building

was dedicated in 1943, and in 1962 the educational wing was completed. In recent years the auditorium has been extended and renovated and new offices have been built for our staff.

Hopewell has always been interested in missions. Early minutes note provisions for taking Home and Foreign Mission Offerings, of starting mission Sunday Schools, and ministering to the spiritual and physical needs of the people of the community. This has continued throughout the history of the Church. In 1953 we voted to support a full time missionary and Mrs. Betty Carroll was chosen. We began supporting an additional missionary in 1964. Roger Newton, a boy who grew up in our community, is currently serving as our second missionary. He is now ministering in Norway. We also have a mission Sunday School at Cable's Nursing Home.

Through the years the members of Hopewell have tried to live up to the high hopes of the founding fathers. As we look to the future, it is "our hope that we will do well" in proclaiming God's word at home and to the uttermost parts of the earth.

Pictures and history of Mount Calvary and Mountain View II were not available.

CONSTITUTION AND BY-LAWS

This body shall be called the Catawba River Association.

MEMBERSHIP ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.

2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office or voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Membership and Mutual Care Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of good will. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Membership and Mutual Care Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Membership and Mutual Care Committee has responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

PURPOSE ARTICLE 3

The Purpose of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's

Kingdom throughout the earth, especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES

ARTICLE 4

The Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS

ARTICLE 5

The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, and Treasurer, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next Annual Meeting.

RULES OF ORDER AND BY-LAWS

ARTICLE 6

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the Kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we are removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory forever and ever."

ARTICLES OF FAITH

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act

promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Savior, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne: that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgement will fix forever the final state of men in Heaven or Hell on principles of righteousness.

PROCEEDINGS

First Session — October 29, 1987

Thursday Morning

Mount Calvary Baptist Church, Valdese

The 158th Annual Session of the Catawba River Baptist Association was called to order by Moderator Jerry Gamble. He directed our attention to our theme, "The Association — Churches Growing Together." Jerry then appointed Tim Horltdt, Parliamentarian. Eugene Cole, Associational Music Director, was introduced and led messengers in singing "To God Be The Glory."

The messengers and visitors were made welcome to Mount Calvary Church by Rev. Jim McCord in the absence of Rev. Joe B. Church.

Rev. Steve Bice, Pastor of El Bethel Baptist Church, read our Scripture for this morning taken from John 15:1. He then led the body in prayer.

The Associational Clerk, Mrs. Barbara Hart, called the roll of churches. There were 250 messengers present representing 49 churches. Mrs. Hart made the motion to accept the messengers for the 158th Annual Session of The Catawba River Baptist Association. Motion was seconded and vote was taken and passed.

Rev. Bill Goble was recognized and he came forward to welcome all new pastors and staff members to the Association in the past year. He recognized and welcomed all visitors and all interim pastors. All retired pastors were recognized and then Bill recognized all present pastors of churches in the Association. Rev. Goble then asked that we pray that God will continue to use these God picked persons.

Rev. Gamble called for the Organizational Reports as follows:

SUNDAY SCHOOL REPORT presented by Lewis Gentry. The total enrollment of Sunday School is just about the same as it was last year. The purpose of Sunday School is to teach the Bible to win the lost and to train the saved.

CHURCH TRAINING REPORT was brought by Tim Horltdt. M Night is the big bang for the year. The goal is to fill the "Comma" with 1,000 Baptists, Nov. 16 with the message being brought by Rev. Joe Brown, pastor at Hickory Grove Baptist Church.

WMU REPORT was presented to us by Mrs. Reba Barnes. She emphasized the new National Mission Prayer Plan to be introduced during the Annual Foreign Missions Week of Prayer. The goal for the Associational WMU this year is for each church in the Association to have an organization of WMU. And another goal this year is to have a 15% increase in all missions offerings.

BROTHERHOOD REPORT was emphasized by Albert Epley. There have been many extensive changes made in Brotherhood this year. Some were made because we are slowly losing our young persons. There is a need for RA leaders. If you are or know someone who is a mature friend, an approachable friend, a confidant, and a concerned Christian, see if you can enlist them for an RA leader for your church.

MUSIC REPORT by Eugene Cole was presented to the messengers. Then Eugene led the group in singing that old hymn, "Blessed Assurance."

CHURCH MEDIA REPORT presented by our Associational Church Media Director, Miss Billie Bolinger. In her report, she informed us that Librarians are to provide books and tapes and films to enhance the education of all.

AMERICAN BIBLE SOCIETY REPORT was brought to us by Howard Tallent. He stated that this organization was very worthy of our support. Many people today do not have God's Word in their home. You can be a missionary at home with a worldwide outreach. Just become a member of Bible a Month Club at a minimal cost of \$3.00 a month.

TEMPERANCE AND MORALS REPORT was presented by Rev. Robert Tenery. He said Liquor by the Drink referendum may come before us in Morganton before we meet again; be much in prayer that this is defeated. Robert Tenery introduced Brother Joe Leonard of the Christian Action League. He shared Psalm 9:17 and Psalm 3:12. We are living in a pagan society today. He woke us up with the question, "What are the public schools going to teach our children and grandchildren about AIDS?" He urged us to get in touch with Howard Haworth at 437-7898 and voice our Christian concern.

At this time Garland Higgins made the motion to accept these reports as presented. There was a second to the motion. Vote was taken and passed.

Eugene Cole led messengers in singing "Heavenly Sunlight." Special music was by Jim McCord who sang a beautiful song by the name of "People Need The Lord."

After this brief rest, Chairman Tim Horltdt brought the Report from the Strategy Planning Committee. This Committee was birthed by the meeting last year. Serving with him on the Committee were: Joe Church, Jerry Gamble, Bob Sheppard, Ed Bean, Reba Barnes, Troy Houser, Jesse Head, Lewis Gentry, Paul Alverson, Warren Miller, Jame Turner, Ruby Seitz and W. A. Huneycutt. Rev. Horltdt explained all objectives. Much discussions followed. Motion was made to accept recommendations from Strategy Planning Committee. Vote followed and it was accepted. Exciting days are ahead for our Association.

TREASURER'S REPORT was brought to our attention by Rod Orders. Explanation was made. Motion was made and seconded to adopt report as presented. Vote taken and passed.

BUDGET AND FINANCE COMMITTEE reported on the new budget for 1987-88. Jerry Gamble, chairman, explained the budget and the recommendations from the Advisory Steering and Executive Committee. Motion was made to accept this new budget. It was seconded, voted on and passed.

DIRECTOR OF MISSIONS' REPORT was brought to the messengers by Rev. Bill Goble.

NEW HOPE MISSION REPORT was presented by Dr. Ralph May. He encouraged all the churches to be involved some way, either financially or personally, with New Hope. New Hope is an Associational Mission.

PROPOSED CALENDAR OF ACTIVITIES FOR 1987-88 was discussed by Bill Goble. The motion was made to accept this calendar for the coming year. Second was made and vote taken and passed as presented.

WPCC REPORT on the campus ministry was brought by Warren Miller. Motion was made and seconded. Vote was taken and passed.

The dedication of the annual minutes to Rev. Jerry Gamble was read by Mrs. Reba Barnes. Motion was made and seconded to dedicate the annual to Rev. Gamble. Vote was unanimously passed.

Rev. Gamble then thanked the Association for this kind gesture.

COMMITTEE ON COMMITTEES' REPORT was now presented by the chairman of this Committee, Wm. L. Jennings. Joe Church, Albert Epley, and Nellie Craig were on said Committee. They will replace those who rotate off these committees. Motion made, seconded, and vote was passed.

HISTORIAN'S REPORT was given to those present by McCoy Robinson. Motion made and seconded to accept this report. Vote was taken and this report was accepted.

At this time Eugene Cole came to lead the group in singing the hymn "Because He Lives." Jim McCord, Lewis Gentry, David Blanton, and Eugene Cole made up a quartet who presented special music.

Rev. Clyde Paige brought the morning message on the subject "The Job Crisis," taking his scripture from II Peter 1:10.

Moderator Jerry Gamble expressed his appreciation to the host church for use of their fine facilities and the gracious meal for this year's meeting. Jim McCord then gave directions on how to get to the fellowship hall and then led in the benediction prayer and grace for the meal.

The **Thursday night meeting** was called to order by Vice-Moderator J. J. Thornburg. He expressed thanks to the host church, Mountain View II, for having the meeting there. There were about 150 messengers and visitors there. Eugene Cole led the ones present in singing "We're Marching to Zion" after thanking the two accompanists, Sandy Smith and Judy Stroupe. Jesse Head, host pastor, welcomed the messengers to Mountain View II. Clayton Hardin, pastor at Enon Baptist Church, had the scripture message taken from Colossians 3. He then led all in prayer.

MISSIONS DEVELOPMENT REPORT was presented by W. L. Hollar, Director. Churches are standing on new threshold for the outreach of the Gospel. With this council, we will get mission work done more effectively. There are many needs in this community. The church is the primary mission organization. Our Association provides us with resources to do mission work. A motion was made, seconded, voted on and passed, to accept this report.

EVANGELISM REPORT was brought by David Orders in the absence of Joe Church. Evangelism is the heartbeat of the local church. Motion made and seconded to accept report. Vote was taken and motion was accepted. David then introduced our speaker, Victor Cole, with the N. C. Baptist State Convention. He took his scripture from John 15:8.

HOME MISSIONS REPORT was given by Mrs. Martha Heavner.

The motion was made to adopt these two reports, seconded, voted on and passed. Special music was presented at this time. The song was entitled "Then Come The Morning."

The message was brought by Rev. Bud Spencer. Title of the message was "How Big Is Your World? How Big Is Your Heart?" His scripture was taken from Isaiah 44:9, Matthew 13:24, Matthew 13:38, John 3:16 and 17, and I John 4:14. Benediction prayer was led by Jim Ritchey of Hickory.

Friday Morning Session October 30, 1987 Hopewell Baptist Church

He asked that we continue to pray for Joe Church and Marcus Sizemore. Remember Mrs. Goble's mother who is ill in Alexandria Hospital in Taylorsville, and also Billy Cline who used to serve in our Association. Brother Eugene Cole led in the singing of "Stand Up, Stand Up For Jesus" with Mrs. Sandy Smith at the piano and Mrs. Florence Farrington at the organ. Rev. W. L. Hollar, host pastor, welcomed the messengers to Hopewell Church. Brother Kevin Chubbs brought our Scripture lesson from Colossians 1:9-20 and then led in prayer.

RESOLUTIONS — 1987

Be it resolved that we, messengers to the 158th Session of the Catawba River Baptist Association, express our gratitude to the following:

To God for His love and gracious mercy in providing us with this opportunity to serve in His Kingdom,

To the host churches, namely, Mount Calvary, Mountain View II and Hopewell for a warm welcome to their churches,

To all of our churches for their faithful support of the Association,

To our Associational Officers who have rendered faithful service during the year,

To our Director of Missions and his wife for their continued faithful service to the ministry of the Association, and

To the Program Committee for their planning of this Session.

Be it further resolved that as we leave this place today, we go out in the spirit of power of God to bring to full fruition in the coming days, weeks and years the projected goals as set forth by this body.

Respectfully submitted,

SUNDAY SCHOOL REPORT

We are now in the middle year of the five year CHALLENGE 10/90 Sunday School campaign, the goal of which is to increase Sunday School enrollment across the Southern Baptist Convention to a total of 10 million people by October 1, 1990. I am happy to report that the Sunday Schools in the churches of the Catawba River Baptist Association are growing. As of this writing it appears that our total enrollment will show an increase again this year, and for that I am most grateful.

The next big event on the horizon to help us in building strong Sunday Schools is our Associational Sunday School Growth Campaign, scheduled for March 19-27, 1988. The campaign emphasizes Sunday School growth and improvement by:

- *Setting growth goals
- *Increasing Sunday School enrollment
- *Placing Scriptures in every home
- *Discovering prospects
- *Establishing or updating a prospect file
- *Establishing and maintaining a visitation program
- *Creating new classes and departments
- *Providing space and equipment
- *Training Sunday School leadership

Every church in our Association could reap many good benefits from participation in a Sunday School Growth Campaign. Plan now to enter your church and begin praying now about what good can come to your Sunday School.

The members of our ASSISTeam (Associational Sunday School Improve-

ment Support Team) join me in wishing for you your best year ever in Sunday School as together we keep on REACHING, TEACHING, WINNING, and DEVELOPING persons for Christ and for service to Him through His church.

Respectfully submitted,
Lewis A. Gentry, Director

CHURCH TRAINING REPORT

Your Associational Church Training leadership assists the Church Training leaders in the local church in equipping God's people for bold growth, as Christians continue to study Christian theology, Christian ethics, Christian history, and church policy and organization.

The Church Training program is designed to feature growth through a number of discipleship emphasis. Priorities are Bold Growth in Discipleship through: Dated Curriculum Materials, Equipping Centers, New Church Member Training, Baptist Doctrine Study, MasterLife: Discipleship Training for Leaders, and DiscipleLife: Youth in Discipleship.

The highlight of the Associational Training Program in our "M" Night services. There were 927 persons at "M" Night last year with 100 people singing in the choir.

I am delighted that Pastor Timothy Horldt of Valdese First will be the new Church Training Director for the coming year. Please pray for him and our Associational team.

Thank you for the opportunity of serving as your Associational Church Training Director. We hope that the coming year will be the best year ever for your Church Training Program in your church.

Respectfully submitted,
Jerry Gamble, Church Training
Director

BROTHERHOOD REPORT

As it is aptly stated in the *Baptist Brotherhood Magazine*,

"The philosophy of Brotherhood work is based on an understanding of God's reconciling work in the world. God is love, and He declares His love through people. The people of God living this love are citizens of God's Kingdom. God's people participate in His mission. Thus, the mission of Christians is to co-labor with God to extend His Kingdom to all people.

"A cornerstone of Brotherhood is the doctrine of the priesthood of every believer. Brotherhood helps men, young men, and boys accept their priestly role regarding missions. Brotherhood helps them respond to persons as God would respond to them."

Regardless of how well trained and equipped our Brotherhood Leadership may be in our convention, State or Associational organizations, effective implementation of this stated purposed is possible *only if* it happens in the local church. In the year just ending, your Associational Brotherhood Leaders have received training to keep their knowledge and skills current and have conducted a leadership training workshop for church leaders. Other Associationally promoted activities last year included Baptist Men's Day in January, a mission action conference, and our state, home and foreign studies and offerings.

Our Royal Ambassador program completed its activities for the year and ended on a high note. A conclave held at Mount Home, a car competition, a hike for Home Missions, a track meet, and a day camping event were some of its more prominent features.

For the coming year, we are gearing up for changes in our R.A. program that are the most sweeping in many years. Our Older Pioneers will become High School Baptist Young Men and literature for this age group will be available only under this title.

On the subject of literature, most of the literature for Baptist Men, Baptist Young Men and Royal Ambassadors is either completely new or has been extensively upgraded and improved. If your leaders missed the workshop, they may need help to understand and gain maximum advantage from its features. If this is the case, we will be glad to arrange a "make-up" session if you will contact us. Our purpose as an Associational Organization is to assist you.

Albert Epley

WOMAN'S MISSIONARY UNION

To fulfill our purpose in WMU in 1986/87, we've encouraged dedication in teaching missions, engaging in mission action and personal witnessing, supporting missions and supporting our churches and denomination.

As "VISION 88" is ringing clearly in our ears, we're excited about reaching women, girls, and preschoolers and about enrolling them in missions education. We're counting on each church to "Catch the Vision" and increase their enrollment and start new organizations. This emphasis began in 1984, but it's not too late. Have YOU caught the "vision?" All it takes is setting a goal and making every effort to reach it. By 1988, we will have our goals met.

"*GIFTED TO SERVE - CALLED TO ACT*" is a statement full of action words. Woman's Missionary Union in Catawba River Baptist Association has been just that, "ACTION," this past year as we identified our God given gifts and put them into action through ministry and witness. The Baptist Young Women studied Barbara Joiner's book *Yours for the Giving*. All those present were blessed thoroughly.

Through "Mission Action," many churches provided items for the stationary kits for the inmates at Western Correctional Center last Christmas. Toothbrushes were sent to the Women's Prison in Raleigh.

As members of Woman's Missionary Union, we must search our hearts and

make them more fitted for service. A closer relationship with Jesus Christ through Bible study and prayer enables us to reach out to the world with God's love.

As we renew our commitment through our watchword and hymns we're truly "Gifted to Serve — Called to Act."

Reba Barnes, CRBA WMU Director

EXECUTIVE COMMITTEE REPORT

The Executive Committee met quarterly during the year 1986-87. Reports from organizations and committees were heard. Items of business that needed attention after the Annual Associational Meeting were handled.

The following recommendations were approved by the Committee in regular business sessions:

- 1. That Mrs. Roberta Goble receive three (3) weeks paid vacation each year based on the rate of pay for 30 hours per week.
- 2. That there be a special called meeting of the Executive Committee on September 14, 1987. The meeting to be held at Mount Home Baptist Church for the purpose of hearing recommendations from the Strategy Planning Committee. These recommendations to be voted on at the Annual Associational Meeting in October.

We truly believe that the Catawba River Baptist Association stands at the crossroads. The recommendations from the Strategy Planning Committee are challenging and exciting. With God's help we will accept the challenge that is before us and as we continue hand in hand — heart in heart — united together, great things will be accomplished in the days ahead.

Jerry Gamble, Moderator

Visited with and counseled with some of the officials of our sister Associations (GRBA) in Rochester, N.Y. at Home Mission Week at Ridgcrest (DOM and Moderator) and another pastor (Chairman of Evangelism). Coordinated efforts to help provide over \$4,000 for the First Spanish Baptist Church in Rochester, N.Y. Preached revival near Lenoir. Helped launch the ASP (Associational Strategy Planning) effort for our Association.

Associational Meetings: As calendared in the 1986 and 1987 Calendar of Activities.

Activities in the Baptist Center: Weekly Ministers' Conferences; Executive Committee meeting; monthly Ministers' Wives' Conference; WMU Councils; mission studies; counseling with pastors, church leaders, and pastor search committees. Dispensed many audio-visuals including free rental of equipment plus many filmstrips and video tapes. Many mail outs including over 500 copies of the "Current" each month. Many telephone conversations; tours of Baptist Center for children and youth groups (Acteens, RA's and GA's). Dispensed many tracts, booklets and pamphlets. Many committee meetings, Seminary Extension classes; and the Morganton Hmong Mission in chapel for Sunday School and AM worship services (54 enrolled in Sunday School — attendance 39 on 9/27/87).

Denominational Work Promoted: Emphases that are normally promoted by the Southern Baptist Convention; the State Baptist Convention and the events, activities, etc. of our Association in particular. These emphases were on the 1986 and 1987 Calendar of Activities. Special emphasis given to: Associational Missions; Cooperative Program; state, home and foreign mission studies, weeks of prayer and offerings.

Baptist State Convention, Greensboro; State Evangelism Conference, Greensboro; Mountain Pastors' Evangelism Conference, Ridgecrest; Western N.C. Director of Missions' Conference, Boone; South Mountain Baptist Camp meeting and retreat center open house; Citizens United for Burke; "Marketing the Association" Seminar, Cary; ASSIST Training, Asheville; certified in Continuing Witness Training Week at Asheville; conducted Sunday School Growth Campaign in Mitchel Association; Civitan Clergy Night; Gardner-Webb College Tax Information Seminar.

Eight days of vacation.

Concerns and Comments: 1. That the ASP (Associational Strategy Planning) Committee recommendations will be adopted by the October 29-30 Annual Session of our Association. 2. That our churches will be "extra-faithful" in their stewardship to Associational Missions so that the Associational Strategy Planning recommendations may be implemented. 3. That many of our churches will participate in the March 18-23 Sunday School Growth Campaign in 1988 in order to enlarge, grow and reach people Bible Study — the study of the Word of God. 4. That all our churches may develop a strategy to reach the over 34,000 unreached people in Burke County for Christ. The great commission of our Lord calls upon each of us to "make disciples." 5. That all our pastors and people may be "one in the Spirit."

Thank you for your prayerful and financial support during the past year. It pleases our Lord when God's people pray together, give together and *love one another*. This also honors Him and edifies (builds up) the body of Christ — His Church.

It's a pleasure for us to serve our Lord together.

Your friend and Director of Missions,
Bill Goble

WESTERN PIEDMONT COMMUNITY COLLEGE MINISTRY REPORT

Baptists have always had a special interest in college students through campus ministry. Forty-seven colleges and universities across North Carolina minister to students through the BSU and other campus activities. Fortunately, Western Piedmont Community College with assistance from the Baptist State Convention of N.C. and Catawba River Baptist Association offers such a ministry to the students and faculty of the college.

The ministry at Western Piedmont is only a part-time endeavor of both area ministers and lay persons who volunteer their time and talents to this need, but it is a very viable ministry. During the past, there have been many hours spent in building relationships with both students and faculty at the college. Many students have expressed their career plans, adjustments in student life and studies, the joys and sorrows of everyday life, coming to grip with who they are

and what their life goals are. There is also a special ministry to the deaf students who make up a special segment of the enrollment. Often times, the best ministry to students has been one of developing a relationship, being a good listener, a friend to all and sharing the love of Christ.

A continuous campus ministry presence is very much needed at Western Piedmont. Your sons and daughters of Burke and surrounding counties make up a large part of the student body. Your continuous support through the Cooperative Program and Associational giving support the work done through campus ministry here.

ASSOCIATIONAL MISSIONS DEVELOPMENT 1986-1987

This has been a year of transition. The term "Missions Committee" has been replaced by "Missions Development Council" in both church and Associational Organizations. Much more than a name change is involved. Upgrading missions from committee to program status should provide a more effective way of doing missions. The Missions Development Program actively seeks to discover mission opportunities and needs, and works to respond appropriately to those needs.

The churches are the primary missions organizations. The Missions Development Program assumes that every church is interested in communicating and fulfilling the Great Commission. Therefore, we are encouraging every church in our Association to have a Church Missions Development Council.

The Association is an organizational expression of our many churches to get mission work done effectively and efficiently. Trained Associational Mission Development leaders are available to assist your church in developing a Church Missions Development Council and to carry out missions tasks.

The Church Planters Assistance Fund through the State Convention for New Hope Mission has now expired. As an Association, we need to upgrade our support in strengthening this struggling congregation.

Also, we thank each church of our Association who supported our sister association in Rochester, N.Y. this past year.

Respectfully submitted,
W. L. Hollar
AMD Director

FOREIGN MISSIONS

1986 WAS A BANNER YEAR for Foreign Missions. Southern Baptists have the world's biggest program of foreign missions. It used 180 million of our dollars to help change lives in 108 nations.

The following are some of the results:

1. A record 185,689 baptisms (17.1% increase), one for every 10.8 church members.
2. Twenty new churches started each week.
3. 411 missionaries appointed (ending the year with 3,756).
4. More than:
 - 14,500 national pastors
 - 50,000 radio and TV programs
 - 1,900 Southern Baptist volunteers, joining in partnership evangelism resulting in 24,279 professions of faith.
 - 6,200 total volunteers overseas.
5. \$8.5 million for hunger and relief. None spent for administration or promotion.

The Lottie Moon Christmas Offering accounted for 37% or \$67,135,000 of the total receipts of the Foreign Missions Board.

For 142 years, Southern Baptists have been involved in missions, and our mission boards have demonstrated effective stewardship and accountability to the highest degree. The dream of Bold Mission Thrust lives or dies with us.

Jesse M. Head

HOME MISSIONS

The Home Missions Board supports 3,637 mission personnel, ranging from 877 career missionaries to language pastors to chaplains to catalytic missionaries. This work is carried out in all 50 states and in the American territories of Samoa, Puerto Rico, and the Virgin Islands. As of December 1986, North Carolina had 15 missionaries, 15 missionary associates, 2 state staff, 4 US-2ers, 4 language pastors, and 27 field assisted personnel who received support from the Home Missions Board.

The year 1986 was a year of change and challenge for the Home Missions Board, as Dr. William Tanner, president for 10 years resigned. Robert Banks, Jr., Executive Vice President, has served as Interim Chief Executive since then and has strived to assist the Home Missions Board in its task of moving forward to win America to Christ. Two significant events occurred in 1986. In the spring more than 140,000 persons accepted Christ in simultaneous Good News America Revivals contributing to a 4% increase in baptisms for the year. In October the board voted to urge Home Missions Board staff to fully explore and implement ways of winning America's cities to Christ and plans are under way to respond to this opportunity. During the past year through Mega Focus Cities 35 metropolitan associations have become more effective in evangelism, starting new churches and ministering in their cities. Since Mega Focus Cities was introduced Pittsburg has had 8, Baltimore has had 10, and Orange County, California has had 11 new churches started.

The Home Missions Board began the Bold Mission Thrust emphasis, whose primary goals are evangelism, church starting, and ministry, in 1974. The Home Missions Board is committed to these goals and in 1986 helped to meet them by sponsoring "Start-A-Church Commitment Day;" beginning 455 language units, placing 486 church starters, who helped start 500 new church-type missions and provided funds of 41 new church sites; appointing 354 new home missionaries; assigning 298 Mission Service Corps volunteers; and by appointing 53,198 short term volunteers.

Short term volunteers assisted with Expo '86 ministries in Vancouver, British Columbia and began ministries with families of tow-boat workers on the Mississippi River and with truckers and flea market vendors. There were 920 Mission Service Corp adult volunteers who worked for periods of one year or more in 630 different assignments.

Much remains to be done. Goals of the Southern Convention call for 10% increases in baptisms per year; 5,000 new churches begun by September, 1990; 200,000 persons serving as short term mission volunteers by September, 1990; and reaching a total of 50,000 Southern Baptist Churches by 1990.

Thirty-nine percent of the Home Missions Board's 1986 income of \$67,324,354 was received from the Annie Armstrong Offering and thirty-five percent was received from the Cooperative Program. Therefore it is evident that if the Home Missions Board is to meet more of its goals then Southern Baptist Churches in Catawba River Association and elsewhere must increase their budget for the Cooperative Program and their Annie Armstrong Offering giving. Will our churches accept this challenge?

Martha Heavner

SOUTH MOUNTAIN BAPTIST CAMP 1987 REPORT

Theme: *"Living by Faith"*

South Mountain Baptist Camp continues to be an effective and vital ministry to the churches of Region Eight! With the help of 22 staff members, we were able to reach an average of 105 weekly for 7 weeks. Of those attending there were 104 youth accepting Christ as their Savior, and 201 felt a need to rededicate their lives to a closer walk with Jesus. We praise the Lord for these decisions, and ask you to join us in prayer for these young Christians.

We were challenged by the theme "Living by Faith." Through devotions, classes, music, mission films, missionaries, and the preached word, all attending were confronted with the command of scripture to "live by faith" (Rom. 1:17)!

The "camping experience" is a unique tool in reaching, teaching, and influencing young people for Christ. The teaching and preaching of God's word can be reinforced in the lives of youth through recreation, crafts, and interaction with other youth groups and counselors. Things that are learned in classes can be acted out in everyday experiences.

South Mountain is becoming a year 'round ministry. Youth groups have been using our cottages for retreats for years. With the addition of the Retreat Center facility we can also minister to adults and special groups in our churches. Couples' retreats, choir groups, deacons' retreats, and church counsels are only a few of the varied groups that use the retreat center.

Along with our special thanks to God and His Son, we also want to thank you who have shared the vision with us of what South Mountain can be for the Glory of God and His Church. We ask for your continued prayers, and encouraging support as we labor in this field of service.

**GREATER ROCHESTER BAPTIST ASSOCIATION
33 NOTTINGHAM ROAD
ROCHESTER, NEW YORK 14610**

Dear Friends in Catawba River Baptist Association,

Thank you for this opportunity to share a little of what is happening in the Greater Rochester Baptist Association.

As you know, we have 1,300,000 people in our Association. Rochester, which is the 40th largest metropolitan area in the U.S., is our largest city. Our latest data says that approximately 74.3% of the people in the territory of our Association are lost. This means we have the challenge of reaching 965,900 lost people in the Greater Rochester Association.

During the past year the churches of our Association have been very busy. Newark Baptist Fellowship Church has constructed its first unit. Pleasant Valley Church has purchased land and hopes to build its first unit next summer. First Spanish Baptist bought a house near a heavily populated Spanish area in Rochester to broaden its ministry. All of the churches in the GRBA are using all their resources to reach out to the lost around us.

We did a new work probe in August and discovered 47 possible new church sites in our Association. The Association Missions Development Council is recommending priorities to our Association. Our goal is to begin at least one new church each year for the next five years. We are trusting the Lord to provide pastors and funds for these new works.

I pray that our sister relationship will provide many resources: finance, prayer, and manpower as our churches endeavor to begin new work. Please pray to discern your part in the partnership between our two Associations.

Thank you for the special offering you take for the Greater Rochester Baptist Association. The Greater Rochester Baptist Association has big dreams, but small resources. However, through partnership with stronger Southern Baptist Associations, we can accomplish much through partnership with God's help.

Sincerely,
Robert B. Sumrall

STATE MISSIONS

“CHANGING LIVES THROUGH STATE MISSIONS” is our theme for State Missions for 1987. WE are State Missions when we act in Christ’s name. The roads across our state lead us into a variety of ministry activities addressing almost every kind of human need. Yes, “WE” — the people of our great state have opportunities unlimited to minister in Christ’s name.

Many of our churches have had special speakers from across our state to speak in their churches, telling us of the greatness of the needs around us. Let’s get involved; let God change some lives through your ministry. “He can” and “He will.”

Our Associational goal this year is \$30,000. The state goal is \$1,200,000. So give that you will have a part.

Allocations this year:

Christian Action League of N.C.	2.48%
Woman’s Missionary Union	12.44%
N.C. Baptist Assembly	18.67%
Mission Ministries	40.27%
CaRAway Conference Center	6.23%
Christian Higher Education	12.44%
N.C. Baptist Men	9.4%

We received \$35,688.00 last year. To this date, this year \$28,982.00.
God will surely bless the gift and the giver.

Mrs. Reba Barnes

STEWARDSHIP REPORT
1986-87

In 1845, a handful of Baptists gathered in Augusta, Georgia, to plant the seeds of the Southern Baptist Convention. These Baptists were predominantly rural people of faith, and the image of planting struck a responsive chord in the tiny body of believers. Committed to missions and evangelism, they cultivated, pruned, and fertilized a cooperative fellowship that today numbers more than 14 million people.

Southern Baptists have adopted the overarching Bold Mission Thrust goal of making certain every person in the world has the opportunity to hear and respond to the gospel by the year 2000. Reaching such a challenging goal will require increased commitment and cooperation on the part of each Southern Baptist.

“Planned Growth in Giving” is a 15-year plan to challenge Southern Baptists to increase their level of giving to their local church and through their church to mission causes throughout the world.

Each church is encouraged to adopt its own 15-year growth plan for the support of missions through the Cooperative Program. The challenge to SBC churches is to increase their percentage of giving through the Cooperative Program by at least 7.5 percent of the undesignated church receipts by the year 2000. Commitment to increased financial support of Associational Missions by the churches is also part of the plan (suggestion: each church increase Associational Missions giving each year for five years by ½% of undesignated gifts each year).

State Conventions are asked to grow in their support of the Cooperative Program. As State Conventions adopt their own 15-year plans for increasing the percentage of Cooperative Program funds distributed to the Southern Baptist Convention, the SBC will be moving toward its already adopted goal of allocating 75 percent of the Cooperative Program funds it receives to the two mission boards — home and foreign — by the year 2000.

We commend the churches of the Catawba River Baptist Association for your faithful support of your local church, the Association, the N.C. State Convention, and the Southern Baptist Convention. Through our concerted efforts, we hope to accomplish our goal of reaching the world with the gospel by the year 2000.

Respectfully submitted,
McCoy Robinson

REPORT ON BURKE UNITED CHRISTIAN MINISTRIES

BUCM has continued to expand services to the poor and needy in significant ways. In addition to the *crisis ministry*, which provides emergency relief in the form of food, clothing, shelter and financial assistance to the underprivileged, BUCM now operates a soup kitchen and a street ministry.

The *soup kitchen*, serving hot meals to the indigent Monday through Friday, was moved from the First Methodist Church in April to its present quarters in the newly-renovated basement of the BUCM office building on Green Street. Since the move the soup kitchen has enjoyed record attendance (high of 39 guests.) Meals are served on a “no questions asked” basis.

The *street ministry* is an outreach program to about 60 street people in Burke County, including hospital and jail visitation, crisis intervention, casework assistance and referral services. This ministry attempts to meet the needs of clients where they are, in their natural environment. For the first time BUCM is taking its services directly to others in need.

BUCM is in the process of expanding its programs even further to help the needy. Plans are underway for an addition to the present building to include enlarged space for the soup kitchen, a shower facility and a drop-in center for street people. Consideration is also being given to use the addition as an emergency shelter and for an ecumenical Sunday School.

Southern Baptists are very active in BUCM as board members, volunteers and member churches. Your continued support and prayers are vital to our ministry.

Respectfully submitted,
Alan R. Schneider

SEMINARY EXTENSION

Southern Baptist seminaries have been offering off-campus theological training through the Seminary Extension for 36 years. During 1986-87, the Catawba River Baptist Association was a part of the network of more than 400 similar centers throughout the country. This was the 10th year that a Seminary Extension center has been operated in the Association.

According to Robert Rownd, director, the center offered seven courses. For

the year, a total of 16 persons enrolled in one or more courses offered through the center.

While Seminary Extension courses are designed primarily for pastors and other ministers who have missed out on seminary training, many lay church leaders also have used the courses to strengthen their own ministries. Some 70 ministry-related courses are now available from the Seminary Extension Department. In addition to being offered through centers such as the one in the Baptist Center, most of these courses also are available for correspondence study.

We plan to offer 4-6 courses next year. Currently Robert Rownd is teaching *Ministry to Youth* on Monday night, 7-9 p.m.

CHRISTIAN HIGHER EDUCATION NORTH CAROLINA BAPTIST COLLEGE REPORT — 1987

GARDNER-WEBB	WINGATE	MEREDITH	CAMPBELL
1905	1896	1891	1887
MARS HILL	CHOWAN	WAKE FOREST	
1856	1848	1834	

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.
2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.
3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.
4. Most said they learned about the colleges through the *Biblical Recorder*. The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.
5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."
6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

MORE ABOUT NORTH CAROLINA BAPTIST COLLEGES

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges, the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

THE ASSOCIATIONAL CHURCH MEDIA LIBRARY ORGANIZATION

This is the second year of *IMPACT 90*, a four-year goal of special emphasis on the Media Library program of the church. The theme for 1987-1988 is "Media Libraries . . . Improving Learning." Improving learning includes all areas of the activities of the church, and the purpose of the media libraries is to

provide resources and services for all these activities. "The printed word, the recorded sound, the filmed picture — God works through all these media to enrich life."

The records of the 1986 Association show that we have thirty-five churches who have established media libraries. Twenty-two churches do not have one yet. We realize that many operate on a limited budget, but a small space, a small budget, several willing workers, and much interest — that's all you need to begin. If you have not made plans for a media library, make this your goal for the coming year. The use of media is an asset to the church's ministry.

Again, we urge you to send your Media Librarian to the Conference held at Ridgecrest each summer. This is a series of workshops on the many phases of media work, and is essential for those who have had no formal media/library science training.

Two books are excellent resources that each church should have. They are: *How to Process Media, Guide I*, and *How to Classify and Catalog Media, Guide II*, by Jacquelyn Anderson. These can be purchased at the Baptist Book Store. Many other sources, helps, suggestions, and numerous publications are available from the Church Media Library Department (SBC).

May we help you in your continued plans to improve your Media Libraries?

CHRISTIAN LITERATURE/ THE BIBLICAL RECORDER Report to the Association — 1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder*!

The state Baptist paper for North Carolina always tries to tell it like it is — the good, the bad, and the victories and the warts — with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows

and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain — only \$5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than \$90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

AMERICAN BIBLE SOCIETY

The main objective of the American Bible Society is the distribution of the Scriptures in the language of the people throughout the world.

Every time you send a gift to the American Bible Society you take a trip around the world. You visit the steaming jungles of Papua, New Guinea, where people who, although they lived only a stone's throw from civilization were utterly isolated, are now discovering God as they master the intricacies of the written word. You call at Indian villages in the Bolivian mountains where descendants of the Incas are now able to read about God in their own language. You visit the provincial towns and villages of Africa where the Christian churches cannot hold the numbers of new believers who are coming to new life in Christ, due in part to the fact that God's Word is now easily accessible in their own languages.

Since 1979 Scripture distribution in Nicaragua has boomed. The circulation of Bibles, which during the past six years hovered between 8,000 and 12,000 copies annually, rose to over 67,000 in 1986. This year the Bible Society plans to distribute more than 123,000 Bibles. In Honduras, where the people are feeling the effects of the tensions and unrest in neighboring states, the sharing of Bibles and New Testaments has risen from just under 50,000 copies annually to more than 90,000 and the Bible Society is making a special effort this year to reach government officials and members of the armed forces with God's Word.

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS 1987

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare

procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of \$474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was \$608,389.00, making our total receipts from the churches \$1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

THE BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" have this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" have endeavored to become an advocate, a spokesman, for a very special segment of the state's population . . . the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and Associations of the Baptist State Convention.

II. Quality Care

During the year 1986-87, the "Homes" have continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes' " Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes," is still the institution's main objective.

- III. During 1986-1987, plans for institutional expansion and new development have moved forward at a rapid pace. "Groundbreaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operate. In reaching out in service to Older Adults, the "Homes" offer concrete expression to the love of Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

BAPTIST CHILDREN'S HOMES

There were four major emphases during this year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home Campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.
2. Mood Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western North Carolina in realizing this dream in 1987.
3. The process of Long-Range Planning, which in today's complex world of child care can only extend up to five years, was begun. As a basis for this Long-Range Planning, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited childcare institutions in North Carolina.
4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men, and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this childcare ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center, and at our maternity home. **OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES.** We encourage you to help us by promoting the

1988 Homes and Hospital offering in May and Cooperative Program stewardship.

In an update from the Hickory-Lenoir Family Services area we find that there has been a dramatic and consistent increase in the demand for the services of the Baptist Children's Homes of N.C. in the Hickory-Lenoir area during the first six months of 1987. The majority of the referrals come from school counselors, juvenile court counselors, and the Department of Social Services in our eleven county area. With the opening of Moody Home Ministries, two girls from the Greater Hickory-Lenoir area were the first to be admitted to this service.

Our staff continues to be excited about the positive relationship with the professional agencies in our area, as well as with our Baptist friends. We look forward to the addition of a social worker to better meet the needs of hurting children and their families.

Through your faithful prayers and generous gifts, we continue to be laborers together for God; thus we are grateful for the opportunity to serve with you.

Respectfully submitted,
Mrs. Robert English, Jr.

THE ANNUITY BOARD

We are informed by the Annuity Board of the Southern Baptist Convention that thousands of Southern Baptist churches have adopted a retirement policy for their pastors. It is called the Expanded Church Annuity Plan.

When this plan is implemented January 1, 1988, it will set in motion a process that can relieve or eliminate a tragic problem in Southern Baptist life.

Did you know that many Southern Baptist retired pastors and/or their widows are on public welfare and receiving food stamps? Why? Because they reached age 65 with almost no pension, some without even Social Security. Did you know that thousands more face the same fate in the next decades?

Do you know your pastor's retirement plans? Does your church have a retirement policy that will spare your minister the pain of poverty in retirement years? Suppose he serves you until retirement. Will your church provide financial support for as long as he and his wife live? Could you do this and pay his successor as well?

I realize these are tough questions, but someday the answer must be given. Even if your pastor does not retire from your church, he will retire from someone's church. And every church has a responsibility for those God has called to His service.

There is a Cooperative Agreement that your church can use to set in motion the Expand Church Annuity Plan and secure matching money from your Baptist State Convention.

The Expanded Plan calls for commitment of funds by your pastor. He can tax shelter his contributions through a salary reduction agreement.

Then your church would match his contributions \$2 for \$1 up to 10 percent of his salary (cash plus housing) each month.

Finally, the State Convention would be expected to match \$1 for each \$3 you and the pastor contribute, up to \$35 each month.

When the state makes its contribution (funded by your Cooperative Program gifts), the first \$17.50 each month will pay for supplemental disability and

survivor benefits in the event of your pastor's long-term disability or death. Any contributions above \$17.50 each month for the State Convention will go directly to your pastor's fully vested retirement income account.

I hope you will see that this subject is given prayerful consideration in the appropriate committee(s) and in a church business conference.

Discuss with your pastor the provisions he has made for retirement. He won't be offended. He will love you for caring. And remember this, the less money he has, the more important that the church make adequate contributions to ensure dignity in old age. The younger he is, the less it requires to provide security.

If he is past 50, you may be facing an emergency situation that can take on tragic proportions. **ACT NOW!**

BAPTIST FOUNDATION REPORT TO THE ASSOCIATION, 1987

I didn't step up here to set your heads spinning with more facts and figures. I realize that they have their rightful place in reporting. . . don't get me wrong. But. . . I believe we can get right up front by putting our priorities in the right order. Nothing in this work has meaning without the human element being first and foremost in our hearts and minds.

Setting other things aside for the moment, let me tell you about Frank Neville, a very special friend that we have in the Baptist Foundation. For you see, it's really Frank that's made it possible for me to tell you anything that's worthwhile today. He's qualified to answer your questions and inspire your direction.

Most folks would take one look at Frank in his wheel chair and say he's handicapped, but I don't want you to be misinformed about our friend. To my way of thinking Frank's wheels have taken him further in life already than most folks will walk on two good feet in a normal lifetime.

Frank's concern for his fellow man goes far beyond the "now." His days are spent with friends and neighbors. Frank's coffee is inviting, but it's the "Manna" he feeds that keeps them coming. And it would stand to reason that with a heart on fire for his Lord, that Frank would extend his witnessing on into a financial and estate plan that would work for the "Cause of the Kingdom" long after he is gone. He's a man of action.

By transferring valuable land into a Trust with the Baptist Foundation, Frank made certain that no area of his life, physical or spiritual, could ever be considered a handicap. Until his death, Frank will receive an income earned by this Trust. After that it will be paid to the Carolina Baptist Association. His commitment. . . his concern for you and me. . . will go on in continued mission and ministry.

Stories like Frank's are repeated over and over again as evidenced by the Trust Agreements prepared in 1986 for some 93 people whose gifts to initiate these Trusts totalled \$1,181,288.

Another plus is the "Give it twice" concept. People like Frank are having this employed in their Trusts and wills. A Trustor provides that family members receive income earned by the Trust until they have received an amount that's equal to the Principal placed in the Trust. Then. . . after the family has

received the full amount, the income thereafter is paid to designated Baptist causes. A family is not denied. They received it all. But... the Principle remains in tact, and the second time around the income supports the "Kingdom."

Considering that nothing gets us away from taxes... we see that because of the 1986 Tax Reform Legislation, certain types of Trusts must be mentioned. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This is of particular interest to professional persons and those in Middle Years for supplementing other Pension Plans.

Local Churches might wish to use the Foundation as Trustee for funds being held for future needs. An investment can, in some cases, result in greater income for the church. While the Foundation does not act as a Bank or Investment Institution, it offers assistance in Estate Stewardship.

In cooperation with the State Convention the Foundation established just in this year, a credit of \$3,000,000 for church loans. The Board also approved construction of Office Facilities for the Foundation near the Baptist Building.

Assets today total more than \$13,000. And all because of the spiritual and financial concerns of people like our friend Frank Neville, who witness and give daily of themselves that the lost, the needy, and the hurting people of this world might know Jesus.

Respectfully submitted,
Ted Pope

CHRISTIAN ACTION
The Christian Life Commission of the
Southern Baptist Convention

During the past year the Christian Life Commission elected a new Executive Director, continued its fight against gambling and hunger and increased its initiatives on abortion, pornography, and other moral concerns related to families.

In January, Dr. N. Larry Baker was elected as the fourth Executive Director of the moral concerns agency. He succeeds Foy Valentine who stepped down from the top post because of health problems and assumed a new position as Executive Director for Development. Baker, former Vice President for Academic Affairs and Dean of the Faculty at Midwestern Baptist Theological Seminary, took the reins of the Commission on March 15. He was formally installed a week later during the Commission's national seminar on "Critical Issues Facing Today's Families."

The annual seminar of the Commission attracted 600 participants from throughout the Southern Baptist Convention. Nationally recognized speakers addressed a wide range of family issues including teenage suicide, aging, AIDS education, child abuse, and teaching moral values in the home and in the church. A conference for youth ministers addressed the theme "Moral Problems and Youth."

The problem of abortion received high priority as the issue became a major staff assignment. The Commission sponsored a national consultation on alternatives to abortion designed to chart new courses of action in the fight against abortion. The Commission also produced and distributed eight new abortion-related resources designed to help in the observance of Sanctity of Human Life Sunday and to strengthen ongoing anti-abortion efforts.

Similar information and resources were provided to help Southern Baptist churches observe four other special emphasis days on the denominational calendar. In addition to the Sanctity of Human Life Sunday, the Commission produced support materials for Race Relations Sunday, Christian Citizenship Sunday, the Day of Prayer for World Peace, and World Hunger Day. The hunger emphasis continued to be aggressive as the Annual Awareness/Action Guide was sent to all pastors and Directors of Missions.

An increased number of conferences were held in partnership with state conventions. These included a state conference on moral issues in Illinois, regional conferences in Virginia and South Carolina.

Anti-pornography initiatives included a conference in Los Angeles, publication of two new pamphlets and production of a videotape on pornography. The Commission also provided staff assistance for a new Broadman film and videotape entitled "Combating Pornography."

Sales and distribution of Christian ethics materials increased by more than 65 percent, setting an all-time high. The past year marked another record as the circulation of LIGHT increased to more than 19,000.

REPORT OF TEMPERANCE AND MORALS
as reported by
CHRISTIAN ACTION LEAGUE
OF NORTH CAROLINA, INC.
1987 ANNUAL ASSOCIATION REPORT

The General Assembly adjourned its 1987 Session on August 14th marking the first time in North Carolina's history for the legislature to last into August. Normally, the body concludes its work by the 4th of July.

One of the reasons for the session to last as long as it did was due to the "rash" of liquor bills along with gambling initiatives. Longtime legislative veterans stated that this session had more bills to liberalize our liquor law than ever. With the liquor lobbyists and gambling proponents working over-time, no wonder this session went on and on and on.

A major victory can be claimed by the defeat of the statewide lottery proposal. Due to Virginia's recent passage of such a bill, the heat from the gambling industry was evident. With opposition to the proposal coming from Governor James G. Martin, Lt. Governor Robert B. Jordan, and House Speaker Liston B. Ramsey, the bill died in a Senate Committee.

However, the gambling industry did not fold up its tent and go home. A pari-mutuel gambling bill, Senate Bill 732, is still alive. Its sponsor, Senator Kenneth Royall, was able to get the measure held over until the 1988 legislative session. This proposal will open the door for horse and dog gambling tracks.

Your association needs to pass a resolution opposing Senate Bill 732, the pari-mutuel gambling proposal. Send copies to Governor James G. Martin, Lt. Governor Robert B. Jordan, III, and to your State House and Senate members.

In the war against pornography, we have special reasons to be thankful. The North Carolina Supreme Court has recently upheld the constitutionality of our 1985 Comprehensive Obscenity and Child Protection Act. The "smut peddlers" have contested this statute in both the state and federal courts. Each time the courts have ruled in support of the measure. Prior to the enactment of this nationally acclaimed law, North Carolina was known as the nation's porn capital with more porno outlets per capita than any other state. We have gone from some 750 pornography outlets to less than 50. No longer do you find

sexually oriented publications available and accessible to children in convenience stores, etc.

The porn industry hasn't thrown the towel in either. There will be more court cases. In the current session of the N.C. General Assembly, an effort was made to "gut" our obscenity statute. Rep. Ivan Mothershead of Mecklenburg County sought to insert into our law a provision to apply a statewide standard rather than a community standard. Of course, that innocent sounding wording would have rendered our obscenity statute unconstitutional. The U.S. Supreme Court in its 1973 landmark case, *Miller vs. California*, set forth as a basic test in determining obscenity was the applying of a contemporary *community* standard rather than a *statewide one*. This reveals the importance of what one word could do to a good law. We are grateful that Rep. Mothershead was unsuccessful in his attempt.

Rep. Mothershead sought to repeal our newly enacted age 21 drinking law, but he was unsuccessful in that attempt. Of course, the beer industry was behind that effort, but the loss of federal highway funds for the N.C. highway building projects was more than the legislators were willing to tackle. If Mothershead would have been successful, the state would have had to pass a considerable increase in motor fuel taxes. This might have been the reason behind his effort to raise gasoline taxes.

The Christian Action League not only has been on the "firing line" during this legislative session. We have assisted in successful campaigns involving liquor, beer and wine referendums in places like Pasquotank County, Hudson, Lenoir, Banner Elk, Manteo, Franklin and King.

Thank you for standing with us in the ministry of applied Christianity. Through your prayer and financial support, you help us to be an effective applicator of "salt and light."

Joe S. Lennon, President
Coy C. Privette, Executive Director
Christian Action League of N.C.

MUSIC REPORT

At the beginning of this year David Blanton, Minister of Music, Calvary Baptist Church, served as interim Associational Music Director. He led the singing and arranged all special music for the Annual Associational Meeting.

At the end of that meeting Eugene Cole, Minister of Music, Hopewell Baptist Church, assumed the duties as Associational Music Director. His first responsibility was to provide the music for "M" Night. A choir of 100 voices was formed. They sang a hymn medley for the service.

Also, letters were sent to all music directors in the Association asking for a list of all their music which they would be willing to loan to other churches. The purpose of the list was to help the smaller churches with limited budget borrow music instead of buying. Even the larger churches could use their music budget more wisely by borrowing from each other.

A meeting was held in conjunction with Sunday School and Church Training to find out how the Association could be of help to our churches. Another purpose of the meeting was to form a choir of music directors and spouses for "M" Night.

We are looking forward to another good year. Our purpose will be to lift up the Name of Jesus through music.

Eugene Cole

HISTORIAN'S REPORT

Looking at the Past

If we want to reflect on the past in the Catawba River Baptist Association, we must review the history by Elder E. A. Poe written after the Civil War. In this review Poe presents many of the important decisions made by the Baptists from the beginning in 1827 until 1867.

In 1829 the question before the Association concerned accepting drunkard Christians into the fellowship. The answer was an emphatic no.

In 1832 it was determined by the Association that Catawba River Baptists would desist from using the term "sabbath" referring to the day of worship and use the term "the Lord's Day."

The question concerning Baptists having a creed came before the Association in 1833. The following decision was made: "All that God requires Christians to believe or do is clearly set forth in the Bible, without note or comment. It is impious, therefore, to adhere to anything else."

The minutes of the Association in 1835 state that the term elder should never be used when referring to a deacon.

In 1840 the controversy over foot washing came up, and it must have been a disturbing question. The decision was made against, and it has never been a problem since.

In 1841 the question came before the body, "What shall be done with a member who doesn't attend services?" The ruling by the body adopted said, "Two should be sent to admonish them," then if they failed to attend services, they should be excluded from membership.

In the future perhaps someone will write a complete history of the Catawba River Association, an organization 160 years old.

W. A. Huneycutt

MEMORIALS

Let us pause to commemorate the members of our Christian family who have gone to be with the Lord this past year.

May we continue the work they started and seek the Lord's will daily.

Let us go to the word of God for comfort.

I Thessalonians 4:16-18:

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

"Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

"Wherefore comfort one another with these words."

Poem: "Tears," by John Vance Cheney

*"Not in the time of pleasure
Hope doth set her bow;
But in the sky of sorrow,
Over the vale of woe.
Through gloom and shadow look we
On beyond the years:
The soul would have no rainbow
Had the eyes no tears."*

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

DEDICATION OF ANNUAL

This year we have chosen to dedicate the minutes to Rev. Oscar S. Long.

Oscar Spurgeon Long answered the call to the ministry in the summer of 1935 while serving as Sunday School Director and Chairman of Deacons of the First Baptist Church, Valdese. He preached his first sermon in the church in August of the same year. However, he did much supply preaching before becoming a pastor. Having lost his mother at age eleven and due to his father's poor health, he dropped out of school at age fourteen and went to work in Valdese. In the fall of 1935, he changed to a night job so that he might attend Valdese High School from which he graduated.

His call to Zion Hill and Mount Calvary churches came in 1941. He also held afternoon services at Carswell Memorial. He entered Gardner-Webb College. Because of family commitments, he could not attend Southern Seminary in Kentucky. He furthered his education through Seminary Extension training.

He became the first full-time pastor of Hopewell in September, 1952. In 1956, he served as Associational Director of Sunday School and led the first Association-wide Study and workshop at Morganton First. As pastor, he led nine churches from part-time work to full-time programs and held eight other full-time pastorates.

Health forced him to retire in 1978, however, he has served in twelve interim pastorates and filled pulpits on numerous occasions.

His wife, Pearl, passed away on September 21, 1988. They had four children, one daughter and three sons.

EAST VALDESE BAPTIST CHURCH

East Valdeese Baptist Church started as a mission effort of Abee's Grove, Mount Calvary and First Baptist Valdese. It was constituted as a church in 1949. Rev. Cecil Thompson, now a Southern Baptist foreign missionary, was the first pastor. The present church buildings are the third structure occupied by the church. Originally, the mission met in the Old Tea Room, a block from the present site. The second structure was a frame house on the current site, used until construction of the current building, which was completed in August 1958. A fellowship hall was added in 1974. Recently completed, interior remodeling of the sanctuary and educational building has been ongoing since 1982.

The membership has grown from 34 in 1949 to over 350 today. Pastor Steve Walsh, called in August 1987, is the twelfth pastor of the church. Many of the denominational programs are strong and active at East Valdeese. New Sunday School classes have been started. A well-developed youth ministry, led by Mrs. Don Adams, involves 20-30 young people in a wide range of activities and was the basis for a 1988 summer mission trip, which sent 30 adults and youth to Middlefield, Ohio, for a week long revival and four Backyard Bible Clubs. WMU and Brotherhood organizations seek to involve all ages in the mission work of the denomination and church.

East Valdeese Baptist Church, "A LOVING CHURCH WITH A LIVING SAVIOR" is proud to welcome the 1988 Catawba River Baptist Association annual meeting.

CATAWBA VALLEY BAPTIST CHURCH

On November 27, 1910 a council was called to organize the Catawba Valley Baptist Church. Rev. James Long was called as the first pastor.

During 1911 a building 30' x 50' was built on some land given by R. L. Wagner.

Since the beginning Catawba Valley Baptist Church has had many wonderful pastors such as, James Long 1910, C. A. Lineburger 1912, C. A. Caldwell 1913, J. P. Hagaman 1915, M. I. Harris 1918, H. L. Smith 1920, H. S. Benfield 1921, W. H. Walker 1925, W. B. Sprinkle 1926, at which time the church voted to have preaching services twice a month, on the first and third Sundays. J. G. Benfield was called in 1930, J. B. Payne 1935, Carl Hemphill 1938.

In 1938, four Sunday School rooms were added to the building and electric lights were installed. Baptist Training Union was organized on October 15, 1939.

Robert Frye was called as pastor in 1944, Parks Harris 1945, during which time there were three more Sunday School rooms added and church services began full-time. In 1946 the church called Carl Devine. In 1948 J. J. Buckner was called, at which time there was a parsonage built, W.M.U. and Brotherhood were organized. Other pastors such as C. V. Brown 1949, H. A. Quick which stayed the longest of any of the pastors, from 1949 to 1958. In this period Rev. Quick led the church in a complete remodeling program and served it graciously until his death on March 15, 1958, W. A. Laudermilch was called in 1958, L. J. Culler 1962, at which time a new educational building was built, also remodeling and a new heating system was installed. J. E. Crump came to the church in 1969 and served until 1973. While here they had a note-burning, air-conditioned the Sanctuary and educational building. In 1973, W. Horace Crouse was

called and during his ministry a new sanctuary was erected. In February 1978 B. G. McMahan was called as our new pastor whom is still serving. Since he has been with us, we have remodeled the old sanctuary and made a fellowship hall out of it, paved our parking lots, purchased two buses, built a new parsonage and retired the church debt November 1985, which was our Seventy-Fifth Anniversary.

CONSTITUTION AND BY-LAWS

NAME ARTICLE 1

This body shall be called the Catawba River Association.

MEMBERSHIP ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.

2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during the period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office or voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Membership and Mutual Care Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of good

will. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Membership and Mutual Care Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Membership and Mutual Care Committee has responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

PURPOSE

ARTICLE 3

The Purpose of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next Annual Meeting.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the Kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we are removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory forever and ever."

ARTICLES OF FAITH

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scriptures teach that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy Law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the field and fellowship of the Gospel, observing the ordinances of Christ, governed by His Laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Savior, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

17. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

18. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

19. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne: that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

SUNDAY SCHOOL REPORT

GATHER THE PEOPLE is the challenge theme for Sunday School for the year 1988-89. This coincides with the emphasis on **OUTREACH** for this fourth year of our **CHALLENGE 10/90** campaign for the five years of 1985-90, the goal of which is to have 10 million men, women, boys and girls enrolled in the Sunday Schools of the churches across the Southern Baptist Convention by September 30, 1990. Reaching this goal would mean adding two million people to the eight million enrolled as of September 30, 1985, and that is an ambitious goal.

In North Carolina we have taken the same challenge to heart, and under the excellent leadership of the staff of our State Convention's Sunday School Department, we are reaching toward the goal of having one million people enrolled in the Sunday Schools of the Southern Baptist churches of this great Tar Heel State by September 30, 1990. Reaching this goal would mean adding approximately 340,000 people to the 666,000 enrolled as of September 30, 1985, and that — too — is an ambitious goal.

Locally in our Catawba River Association, we are reaching toward a goal of having 19,000 people enrolled in the Sunday Schools of our 56 churches and two missions by September 30, 1990. Reaching this goal would mean adding some 6,300 people to the 12,700 enrolled as of September 30, 1985. And that also is an ambitious goal.

For your church to do its part in reaching these new people for membership in your Sunday School, take your Sunday School enrollment as of September 30, 1985, and add 50% of that number to it, and the resulting figure should be your goal for total enrollment on September 30, 1990. Now, check up to see where you are. How many new people do you need to add to your enrollment during this year and next to reach that goal?

It is the sincere desire of your Associational Sunday School leadership team, now called the **ASSISTeam** (Associational Sunday School Improvement Team) to help you improve upon your Sunday School work any way we can. Accordingly, during this campaign period we have conducted several training opportunities, consisting of events for teaching the **Bible Teaching Through the Sunday School** series, **Growing and Winning Through the Sunday School**, and **Basic Sunday School Work**, which were the basic texts used in the Sunday School Growth Campaign conducted last fall. In addition, we have conducted several conferences in

the Association and in some individual churches on methods and outreach, and have introduced the program and materials for Outreach Bible Study, and also have conducted annual clinics for Vacation Bible School, which is an integral and vital part of our on-going Sunday School program.

What can we do to help you improve upon the work of your Sunday School? Look for the Sunday School events in the Associational Calendar and begin making plans for your workers to participate in them. Call us and let us know what help you need. We exist only for the purpose of helping you!

Our prayer is that in all our churches and missions we will join hands and hearts to **GATHER THE PEOPLE AND TO HAVE STRONG** Sunday Schools "teaching the Bible to win the lost and develop the saved."

Lewis Gentry, ASSISTeam Director

CHURCH TRAINING REPORT

Opportunities for Church Training abound for our churches in the association. The doors to these opportunities are not always opened, though. Still, through the grace of God and the work of our denomination, each new year offers a fresh chance to take advantage of training Christians to be effective disciples. This past year, 1987-1988, took advantage of the opportunity to have Dr. Joe Brown of Hickory Grove Baptist Church in Charlotte inspire us with a message at the COMMA on "M" Night. We were able to recognize those churches who had large numbers and percentage of their people present at the meeting. Also, churches with outstanding enrollment and attendance, as well as those with many study course credits awarded were acknowledged. It is always good to be a part of the largest gathering of Baptists of our Association on an annual basis at "M" Night.

This year's program at the COMMA will feature Cleve Wilke and recognition of member churches.

The Church Training Department was represented in the Key Leadership training at Ridgecrest in May and key leadership training was also offered on the Associational level this fall. We look forward to being of assistance to every church during the coming year.

Respectfully submitted,
Tim Horltdt, Director of Church Training

BROTHERHOOD

Baptist Brotherhood, the umbrella resource structure for mission education and mission action for Baptist men and boys, underwent a planned program of sweeping change in the past year. These changes were made to update and upgrade our work. Our older Pioneer RAs became High School Baptist Young Men (HSBYM), and our literature was extensively upgraded at all age levels. Other new and exciting improvements are planned for the coming year.

This year a new associational staff position has been created for our HSBYM advisor. This was done in response to the requests of various leaders. Please plan now to use him.

We are also in the process of recruiting and training new work specialists for both Baptist Men and RAs. These men will join our associational staff this year and be trained by our North Carolina Baptist Men's staff. When their training is completed in mid-November, they will become available to our churches to assist them in the formation of new units within the church programs. Please plan now to use them.

This year, for the first time ever, we are offering a series of "Men in Missions" video tapes. The series will consist of six tapes per year and will also be available through our state office. One copy each will be on file at our associational office as they become available. You may borrow them on a "first come" basis or you may subscribe for the entire series at a cost of \$36.00 per year. You may keep the tapes for your library. These tapes should be a source of inspiration, especially in your Baptist Men's meetings. Please plan now to use them.

Over the years, some of our Baptist men have been privileged to be participants in lay overseas missions and partnerships and have returned home excited and inspired. This year will be no exception, but for those who cannot go overseas or even participate in a homeland project, there is an exciting alternative on our doorstep. This year, our associational men are joining in a partnership association with Downing Cottage on the Mills Home Campus of our Children's Homes. Our men and boys' units are encouraged to establish relationships with the children of Downing Cottage, find out their special needs and develop ways to meet them. Perhaps some of the Baptist Men's units might want to do some painting or other maintenance. We hope to learn as we go. Please plan now to participate.

Our plan for the coming year is to incorporate these exciting new activities and proven activities of this year and years past. Baptist Men's Day, state, home, and foreign mission emphases and workshops will continue to anchor our adult activities. We are counting on our Mission Fair, Conclave, Hike for Home Missions, Car Competition, Field and Track Events, Hiking and Camping, Basketball, Day Camping and See College Events to again be the mainstay of our RA program.

Our purpose is to assist the program of our local churches. Please call us.

Albert Epley

WOMAN'S MISSIONARY UNION 1987-88

As we have remembered the past 100 years, we reflected on how God has led women to Pray, Give and Go so that people all over the world can come to know Christ. Women have responded to God's call by saying: "Yes, Lord, I'll go." or "Yes, Lord, I'll pray." or "Yes, Lord, I'll give."

Over 35 ladies attended the Southern Baptist Convention Woman's Missionary Union Centennial Celebration at Richmond, Virginia on May 13-15, 1988. This was truly a time to remember; and not only remember

but to continue to pass on to those who follow in years to come as we Launch Century 2.

Two prayer retreats have been held — one at Pleasant Hill Baptist Church and the Baptist Women Prayer Retreat held at Mount Home Baptist Church — for all churches in the Association.

The National Missions Prayer Plan has been implemented in many of our churches with commitments to pray daily for missions. Certainly, Bold Mission Thrust will never be effective without the undergirding strength of prayer.

The philosophy of WMU in this new century of work brings us to face a new day which demands commitment, imagination, risk and relevance in responding to the world's physical, emotional, and spiritual needs. Our job is to proclaim. Will we?

Our future begins today. We will not build a monument to the past. Inspired by those who have gone before, we will begin our march into the future. Let's go forth to strengthen missions in the church and denomination.

Respectfully submitted,
Reba Barnes
Associational WMU Director

DIRECTOR OF MISSIONS

October 1987 - September 1988

Miles traveled: 10,863 (kept daily log each month for the 12 months)

Work in and among the churches: 97 churches, 97 days in 158 services — preached sermons, gave brief talks in worship services, Sunday School and Brotherhood meetings, brought dedication service messages and participated in other dedication services, ordination services and homecomings, delivered messages on Associational Missions (at request of pastors), taught a few Sunday School classes, attended a number of funerals and funeral family receptions, visited ministers (and wives) in hospitals.

Work in Baptist Center: purchased a new TV-VCR for use by churches, had many audio-visual bookings, especially video tapes, by churches utilizing our two VCR's plus one TV and one TV-VCR. Filmstrip projectors, overhead projectors and 16 mm projectors were used by churches. Churches were encouraged to use the free Home Mission Board and Foreign Mission Board update tapes received regularly. There were many telephone conversations.

Other ministry related work: Visitation for my local church; On-Call Chaplain for Day's Inn; Burke County Jail Ministry Coordinator; pre-marital counseling; treasurer for CRBA Seminary Extension Center and for Morganton Area Ministerial Association. Transported indigent persons to doctors and hospital in Hickory and Morganton; raise some funding for an emergency situation in the Newark, NY. Baptist Church and the First Spanish Baptist Church, Rochester, NY.

Helped fine-tune recommendations for long-range strategy plans, and helped institute some of the plans. **Worked closely** with Church and Community Ministry Ministries (CCM) Council during the year.

Conducted revival in May 1988 at Newark Baptist Church, Newark, NY. Spoke at the First Spanish Baptist Church, Rochester, NY and preached the main sermon at the Greater Rochester (NY) Baptist Association's semi-annual meeting.

Meetings attended (not direct associational): Part of Home Mission Week, Ridgecrest; NC Baptist Evangelism Conference, Greensboro; NC Baptist State Convention, Greensboro; Foreign Mission Commissioning Service, Greensboro Coliseum; Morganton Area Ministerial Association (5). Southern Baptist Convention; Key Leadership Conference, Ridgecrest; ASDP Planning Conference in Statesville; visited campus of Glorieta Baptist Conference Center in Glorieta, NM; CUB; DOM/Convention Staff, CaRAway; VBS Clinic, Hickory; DOM Leadership Training Seminar; Home Mission Board, Atlanta; attended "Growing an Evangelistic Church" Seminar, Home Mission Board; Pastors and Wives' "24 Hours at Ridgecrest."

Took about 2 weeks vacation.

Denomination work presented and promoted: The vast majority of SBC, State Baptist Convention and associational events and projects as calendared — especially the Cooperative Program and other special mission offerings, including the Greater Rochester Baptist Association, NY. February special offering and New Hope Mission.

Improvements: Paved both parking lots, purchased a new copier and folding machine, installed a new AT&T telephone system, a free meter

stamp base and stamp meter (rental). Thank you for these improvements to our office, building and grounds.

Associational meetings: As calendared in the 1987-88 calendar and other additional events not calendared. The big event was the Sunday School Growth Campaign and a big "M" Night at COMMA with almost 700 present.

Big Emphasis in 1987-88: The Long Range Strategy Plans (LRS), as approved in the 1987 Association Meeting — with a big emphasis on the possibility of securing in the future (as funding permits) a new staff member: Church and Community Ministries Director to assist the churches in meeting the mission action/personal witnessing needs in our area.

CHALLENGES FOR 1988-1989!

- (1) Keep increasing our Cooperative Program gifts — the lifeline to World Missions.
- (2) As adopted in last year's Annual Session — try to increase Associational Missions budget gifts at least 1/2% over last year's undesignated gifts in each church (for the next five years). One primary goal; to keep on field a Church and Community Ministries Director.
- (3) Keep praying for and supporting New Hope Mission in Hidden Valley.
- (4) Keep on supporting our "sister" — the Greater Rochester Baptist Association and the February Love Offering.
- (5) Plan now to be involved and support the Burke County Crusade for Christ tent revival September 22-29, 1989 at the Burke County Fairgrounds.
- (6) Plan now to be involved in the 1990 "Here's Hope — Jesus Cares for You" Nationwide Simultaneous revivals April 22-29, 1990. Select your evangelist now!
- (7) Let's emphasize improving our Sunday Schools in Bible teaching and outreach. The Sunday School is the outreach arm of the church to reach Burke County for Christ.
- (8) Let's re-invigorate and start new units in the Brotherhood (Baptist Men and RAs) and WMU this year.
- (9) Let's major on the #1 priority — to reach people for Christ here and there!
- (10) **Overarching goals:**
 1. To Reach People
 2. To Develop Believers
 3. To Strengthen Missions

Thank you for permitting us to serve with you as co-laborers with Christ. Pray for us!

WESTERN PIEDMONT COMMUNITY COLLEGE CAMPUS MINISTRY REPORT

Across the years, Southern Baptist have had a special interest in college students and the importance of ministering to these young adults during these important years of their lives. There are forms of Baptist

ministry on forty-seven college or university campuses across North Carolina alone, and Western Piedmont Community College happens to be one of these 47. With the financial support of the Catawba River Baptist Association and the Baptist State Convention of North Carolina there is a ministry on this local campus led by an area minister and the students themselves.

The ministry at WPCC is a part-time endeavor of both area ministers and laypersons who volunteer their time and talents to lead faculty and students to a saving knowledge of Jesus Christ and to help develop those who already know Jesus as their personal Savior.

During the past twelve months there have been many hours spent developing relationships and counseling with students and faculty on the Burke County campus. One of the major thrusts of Campus Ministry is to train future church leaders, and this was very successful at Western Piedmont during 1987-88. As a result of this proding and challenging, WPCC had representation at the Baptist Student Fall Convention at Ridgecrest and the Spring Convention at Caraway. There were also two students from Western Piedmont who served as summer missionaries this past summer.

Students, under the guidance of ministers supported with your Associational funding, are growing and sharing their faith in many ways because you care enough to provide Campus Ministry.

Jim Everette

MISSIONS DEVELOPMENT COUNCIL

Missions has been the description used most often to explain what Southern Baptists do. Everything a church does is not missions, although there should be a mission dimension to everything a church does; and every church activity does not have a missionary intention. The church must intend to do missions. If it does not, it will defeat the purpose for which God made it, and it will die.

We are now engaged as a denomination in a great undertaking called Bold Mission Thrust. Under the mandate of Bold Mission Thrust, we, as Southern Baptists, have adopted goals to "Reach People, Develop Believers, and Strengthen Missions." If Bold Mission Thrust is to be more than a slogan, Southern Baptists must do missions in their local church. It is important that each church lead its members to actually do missions in its community.

Church Missions Development — formally known as Church Missions Committee — is one means through which a church can develop an effective missions plan. While there are significant differences, the Missions Development Council is similar to the Church Missions Committee it replaces. Church Missions Development works closely with other church organizations representing the whole church in developing and recommending a comprehensive and correlated mission plan.

Churches will never be successful and meaningful until they accept the responsibility to be on mission. An increasing need in our Association is Mission Development Councils in the local churches. (This is especially important since we anticipate hiring a Church and Community Ministries

Director and this person could relate to Church Mission Development Councils.) The Associational Missions Development Council is available to assist your church in any way to begin and develop these needed Councils to guide the churches in fulfilling their mission responsibilities.

On behalf of our Associational Missions Development Council, let me say thanks to every church for your efforts in missions.

EVANGELISM REPORT

God continues to bless North Carolina Baptists through Evangelism. Plans are continuing to assist our churches in developing Church Evangelism Committees to strengthen the work of evangelism in the church.

Many churches are still getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in North Carolina Baptist evangelism.

The 42nd Statewide Evangelism Conference was held in Greensboro Coliseum February 8-9. Dr. Landrum Leavell, Rev. Ron Dunn, Rev. Manuel Scott, Rev. Junior Hill, Dr. Charles Page, and Rev. Herman Rios brought the messages. Joe Ann Shelton and Loen Bushman led the music for the Conference assisted by Pat Long and Rick Setzer.

The 1989 Evangelism Conference will be held February 6-7 at Greensboro Coliseum. Dr. John Sullivan, Dr. Frederick Sampson, Dr. Jimmy Draper, Dr. Frank Pollard, and Dr. George Worrell will be the speakers. Dr. Dick Baker will be leading the music.

Super Summer '88 was held in July at Friendly Avenue Baptist Church, Greensboro with the crusade on Friday night at Greensboro Coliseum. Approximately 5,500 attended the crusade with 800 making commitments during the commitment service. Two Youth Evangelism Weeks were held at our North Carolina Baptist Assembly, Caswell, with 1,700 in attendance. 570 youth made commitments during these weeks.

Again, this year the Student Evangelism Team "WITNESS" served in churches all across North Carolina. Everywhere they ministered, people were blessed. The N.C. Baptist Children's Homes continue to help in supporting the ministry of WITNESS.

Fifteen regional evangelism conferences will be held across the state in October to inform and educate leadership about coming evangelism events and programs. The meetings begin at 10:00 A.M. and last until noon with lunch being served.

Our Annual Mountain Evangelism Conference and our Eastern North Carolina Evangelism Workshop again met the needs of these specialized areas of ministry.

Plans are now being made for another simultaneous revival effort called Here's Hope Jesus Cares For You. North Carolina dates are

Eastern - March 18-25, 1990; Piedmont - April 1-8, 1990; and Western - April 22-29, 1990.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will begin to rise each year.

Jerry Gamble

FOREIGN MISSIONS

A crowd surging toward a bus stop in a heavily populated city overseas pushed a four-year old girl in front of a car. She died instantly.

The investigating officer absolved the car's driver of any blame, but suggested that he and the child's father move to a nearby building to discuss settlement.

The driver, a Southern Baptist Missionary, agreed to the officer's suggestion that he pay for the funeral. He offered to do more.

But the girl's father said, "Don't worry about it. It was only a girl."

A few days afterward and halfway around the world, another crowd gathered. They were in Crewe, Va., to dedicate a highway marker identifying the grave site of Lottie Moon, a Southern Baptist Missionary to China from 1873 until her death in 1912.

When the Foreign Mission Board was organized on May 8, 1845, Lottie Moon was four years old. "Only a girl."

Since 1888, Southern Baptist have given in her name more than \$850 million for foreign missions around the world.

In 1987 the amount given for foreign missions was about \$162 million. Forty-three percent of this was Lottie Moon Christmas Offering. Thirty-nine percent through the Cooperative Program. This was a decrease from 1986. May this not happen in 1988.

The response by Southern Baptist to the call for concerted prayer for foreign missions is as important as anything there is to report.

We hope that every church in this association are joining in monthly (first Sundays) praying for missions. People who pray also give.

At the close of 1987, we had 3,839 missionaries working in 112 countries, reporting 1,070 churches started and 203,824 baptisms in Baptist related churches overseas. Also, there were 7,618 foreign mission volunteers in 1987. May each of us pledge anew our prayers and support to take Christ to all the world.

Nellie Craig

HOME MISSION REPORT

Catawba River Baptist Association
1987 - 1988

The Home Mission Board is the agency that expresses Southern Baptist Convention Mission and Evangelism concerns in the United States and

other assigned territories. It consists of a missionary force of 3,746 and a volunteer force of thousands.

In North Carolina, Home Mission Board personnel include:

- 15 home missionaries
- 16 missionary associates
- 2 U.S.- 2ers
- 4 mission pastors
- 29 field personnel assistance
- 4 apprentices.

Larry L. Lewis became the President of the Board on June 1, 1987. His challenge to Southern Baptists is to carry out the Great Commission by "sowing the fields with Bible-believing, soul-winning, ministering churches." There are more than 167 million lost people in America and this number increases by 2 million every year.

Home Mission Board highlights of the 1987 year include:

- 431 missions, Bible studies and Sunday Schools were created for various language groups
- 300 new volunteers were assigned through the Mission Service Corps
- 33,380 short-term volunteers were assigned by Special Mission Ministries
- 270 new missionaries were appointed
- The number of endorsed chaplains and pastoral counselors increased to 1,903
- 469 church starters were placed and 1,764 congregations were given financial support
- 19,210 persons attended Prayer for Spiritual Awakening Seminars
- The first National Mass Evangelism Conference attracted 300

The Home Mission Board continues to work to meet the goals of Bold Mission Thrust. In 1987 the Personal Evangelism Department trained 7,929 in witnessing. There were 4,636 professions of faith recorded by Christian Social Ministries missionaries and 2,819 professions were reported by summer missionaries in the Special Mission Ministries Department. The Interfaith Witness Department trained 118 persons to share their faith with those of other religions.

STATE MISSIONS 1987-88

Our theme for State Missions was "Changing Lives Through State Missions." Distribution for the 1988 offering is:

Mission Ministries	38%
Caswell Capital Funds	15%
Christian Higher Education	11.4%
Woman's Missionary Union	10.05%
Associational Projects	9.5%
N.C. Baptist Men	7.475%
Caswell Renovation	6.7%
Christian Action League	1.875%

Because you prayed and because you gave:

- a needy student can attend one of NC Baptist colleges or universities.
- conference center facilities are built and maintained so leaders can receive training to enable them to minister more effectively in their local churches.
- hundreds of Baptist young people are aided to grow spiritually.
- relief is provided for thousands of people who are victims of a hurricane, tornado or flood.
- help is given a young boy or girl to become attuned to the will of God for his/her life, possibly answering the call to missions.

Our Associational State Missions Goal was \$35,000. As promotion, Neil Peyton was speaker at a dinner meeting provided by our State Convention and Morganton First Baptist Church. Twenty-three churches were represented at this meeting.

We received \$29,301 in 1987. With the tremendous needs in North Carolina, let's strive to reach our \$35,000 goal this year. Has your church given?

NEW HOPE BAPTIST MISSION

This has been an exciting year at New Hope Baptist Mission. We have experienced growth in many areas of ministry, and we also expanded into new areas for the first time at New Hope.

With the growth of our Sunday School came the need for more room, leading to the addition of two new Sunday School classrooms. In November, we began our first RA program, with the GAs beginning in May. Our Vacation Bible School was a tremendous success, having 60 or more two nights, and having an average of 53 for the entire week. We have also experienced growth in the preschool attendance, which is something we are truly thankful for because of our high attendance of youth.

Our goal as a mission church is much the same as any Baptist church, and that is to see souls won for Christ and His Kingdom. We know number growth is important, but at this time we see our mission as that of saving souls and holding to the promise that God will give the increase.

In conclusion, we wish to thank our sponsoring church, Zion Baptist, and especially those members who give not only of their tithe, but also of their time to work at the Mission. We also want to thank the Association and the Church for both their financial support and their prayer support. We will continue to covet your support, especially the prayers of God's people.

Respectfully submitted,
Alan Beane, Pastor of New Hope Baptist Mission

HMONG REPORT

During the past year our Hmong Mission has averaged 32 in worship and Bible study. Approximately fifty Hmong are involved in the mission. Eight made Christian commitments and were baptized. The Catawba River Baptist Association furnishes a meeting place for the mission and First Baptist Church, Morganton assists with transportation, teachers and worship leaders.

In November, the Hmong Mission will have a weekend revival with Rev. Joshua Vang as preacher. Rev. Vang works with the Home Mission Board of the Southern Baptist Convention.

Several Hmong families have chosen to identify with Baptist churches and churches of other denominations in Burke County.

SOUTH MOUNTAIN BAPTIST CAMP 1988 Camp Report

Our hearts are continually grateful for the vision shared some 31 years ago to organize the South Mountain Baptist Camp. We are now reaping the benefits of the foresight of those Associational Leaders, Pastors, and Church Messengers that voted to accept over 60 acres of land to build a regional youth camp. (The camp now consists of approximately 100 acres.) The ministry of the camp, during these 31 years has been geared toward evangelism, discipleship, and mission involvement!

In recent years the program of the camp has become two fold. First, the summer camping program. This summer 844 youth, counselors, 20 staffers and many visitors were challenged by this year's theme "Walking in the Spirit." Of those attending, 230 responded to the challenge with 80 of these being first time decisions to accept Jesus as Savior. Secondly, there is the year 'round retreat ministry. Another 791 attended the camp on weekend retreats and special day camps. There were 36 different churches using the camp during the year; there were 2 special retreats for the deaf students from the nearby North Carolina School for the Deaf; there was one associational leadership retreat held during 1988, and one associational Day Camp.

With the addition of the Retreat Center, the demand for year 'round retreats has grown dramatically. Church councils, deacons, couples, choirs, singles, and senior citizens are only a few of the groups that are using this new facility.

There is a renewed interest in recent years in the program and possibilities of South Mountain. We thank you who have shared the vision through the years. We urge those that are just learning of the camp to come visit and see how South Mountain can help in your church ministry.

Please keep in mind that South Mountain Baptist Camp depends on donations from churches and individuals to operate.

ROCHESTER - SISTER PARTNERSHIP REPORT

Dear Friends in Catawba River Baptist Association,

God has greatly blessed the work in the Greater Rochester Baptist Association during the past year. We now have ten churches, two missions, and two fellowship groups.

We thank you for your support of the mission work here in the Greater Rochester Baptist Association. Catawba River Association is a vital part of our ministry through your financial gifts, prayers, and mission groups. The special offering you sent in 1988 was used to purchase a Xerox 1012 copier. This copier has saved many hours and dollars in preparation of the G.R.B.A. newsletter and other resources needed for ministry.

This summer we had a Praxis team begin a new church in the Victor/Farmington area of our Association. During the summer these 2 seminary students surveyed 1,720 homes discovering 187 prospects for a new church. They began a Bible Study in July. On August 14 a Church Planter Apprentice began a two year ministry to build this new church. The church has been named New Hope Bible Fellowship.

Pleasant Valley Church built their worship center in July with the help of friends from the South. Hamlin Community Baptist Church hopes to build during the summer of 1989.

The Billy Graham Crusade in Rochester, September 11-18, was a wonderful experience for all of our people. The attendance for the week was 143,700 with 11,300 persons coming forward during the decision time. Please pray that the churches in the Greater Rochester Association can continue the great evangelistic emphasis begun by the crusade.

The churches of the Greater Rochester Association have a big task of reaching 965,000 lost people with the Gospel. We could not do what we are doing without your help. Thank you for your participation in our mission. Together we are reaching lost people in New York.

Sincerely,

STEWARDSHIP**1987-88**

One of the most important developments of Southern Baptist Life during the present century is the Cooperative Program. Prior to its appearance, churches made separate offerings to support the various state and Convention-wide causes. As benevolent enterprises multiplied, these designations sometimes neglected important areas of work. No agency could predict its income and build a financially sound program. The 75 Million Campaign, launched in 1919 to raise seventy-five million dollars in five years for state and Convention-wide denominational work, was a great boost to the growth and spirit of Southern Baptists.

Convinced that they would accomplish big projects involving millions of people and millions of dollars, Southern Baptists initiated the Cooperative Program of denominational finance in 1925. This plan helped to stabilize all of the denomination's work on both the state and Convention-wide levels. It has continued to be the basis of support and a source of growth for the Convention.

Now Southern Baptists have adopted the overarching Bold Mission Thrust goal of making certain every person in the world has the opportunity to hear and respond to the gospel by the year 2000. Reaching such a challenging goal will require increased commitment and cooperation on the part of every Southern Baptist.

Planned Growth in Giving is a 15-year plan to challenge Southern Baptists to increase their level of giving to their local church to mission causes throughout the world.

Planned Growth in Giving is not just for a few. Every Southern Baptist and every Southern Baptist Church, Association, and State Convention is called on to make a commitment to increase their level of giving to Southern Baptist mission causes, from the local community to the global community, in reaching all with the Good News of Jesus Christ.

Let us also remember the commitment which we made at our annual meeting last year when we adopted the report of the Associational Strategy Planning Committee that each church in the association make a "bold" effort to increase their gifts to the association for the next five years by 1/2 percentage points of undesignated budget receipts each year.

Bold Mission Thrust awaits bold commitment. Dare to let your commitment grow by participating in Planned Growth in Giving.

McCoy Robinson

SEMINARY EXTENSION

Southern Baptist seminaries have been offering off-campus theological training through the Seminary Extension for 37 years. During 1987-88 the Catawba River Baptist Association was a part of the network of more than 400 similar centers throughout the country. This was the eleventh year that a Seminary Extension Center has been operated in the Association.

According to Robert Rownd, Director, the center offered three courses and had a total of 14 persons enrolled in one or more courses offered through the center.

While Seminary Extension courses are designed primarily for pastors and other ministers who have missed out on seminary training, many lay church leaders also have used the courses to strengthen their own ministries. Some 70 ministry-related courses are now available from the Seminary Extension Department. In addition to being offered through centers, such as the one in the Baptist Center, most of these courses also are available for correspondence study.

We plan to offer 3 or 4 courses next year. Eugene Cole has been enlisted to teach. We hope more will enroll in the next courses we offer. We especially ask the cooperation of the pastors and leaders in helping to promote these courses.

Robert Rownd

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1988 COUNCIL ON CHRISTIAN HIGHER EDUCATION BAPTIST STATE CONVENTION OF NORTH CAROLINA

What Is A Baptist College?

First, Baptist colleges are *colleges*, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education

workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by NC Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

THE ASSOCIATIONAL CHURCH MEDIA LIBRARY ORGANIZATION

"Media Libraries...Touching Lives to Enrich Worship" is the theme for the third year of IMPACT 90, a four-year goal to stress the importance of media libraries in our churches. Again we are challenged to put special emphasis on meeting the needs of all members of the churches by providing essential and interesting materials. To enrich worship by the use of media resources is an asset to the ministry.

According to the 1987 reports, approximately fifty percent of the churches in this Association have a media library. If you have not made plans for one, we urge you to make a beginning. Begin with books. In spite of the many types of media, many of us believe that books are still, and will always be more important than any other media. The late Jim Bishop, noted author, reporter, and lecturer, once said "Reading is the key to all we know. All of man's knowledge is in the written words."

We are fortunate to have so many sources available to help with the organizing of a media library. The Church Media Library Department (SBC), the Baptist Office in Cary and the Baptist Center (CRBA) are all willing to assist in every way they can. We strongly advise you to send your media librarian to Ridgecrest to the Media Library Conference held each summer. These workshops are very beneficial to those who have not had formal media education.

THE BIBLICAL RECORDER

Associational Report — 1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it...if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only \$5.00 per subscription for the year. Special introductory offers are available. Please contact:

AMERICAN BIBLE SOCIETY

The Bible Societies throughout the world publish and distribute the Word of God. But did you know that a large part of their effort goes into translation of the Scriptures?

The Bible was published in only 72 languages when the American Bible Society got its start in 1816. Well over a century and a half has

gone by since then, and now, through the work of Bible Societies, missionary and national translators, at least a part of the Bible, sometimes no more than a Gospel, the Psalms, at the very most, the New Testament can now be found in 1,785 languages. These are the languages spoken by 98 percent of the world's people. But the fact is, you can find the complete Bible in no more than 283 languages. And yet, the world has at least 3,000 languages and distinct dialects. Some people say there are even more.

Thanks to your generosity, the American Bible Society was able to share more Scriptures in 1987 than in any other year in our history, both in the United States and throughout the world.

It is particularly heartwarming to know that in troubled Nicaragua, which has a population of only 3,200,000 the Bible Society was able to reach out with 2,143,517 Scriptures last year.

Another truly great accomplishment of 1987 was the completion of the Amity Printing Press in Nanjing, China, and its dedication on December 5, 1987. A worldwide effort made this possible. You should be cheered to know that between October 14, when production began, and the end of 1987, almost 100,000 Bibles were printed. The thirst for the Word continues. The current plans call for more than 600,000 Bibles to be printed this year.

BAPTIST HOSPITAL

North Carolina Baptist Hospital 1988 Report to the Associations and Testimony by Virginia Epley

Perhaps the word which best sums up the past year at Baptist Hospital is expansion — expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The \$140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been \$181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham and North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs . . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptists have been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor.

Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received \$659,062 through the Cooperative Program and \$290,585 through the Homes and Hospital

Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Testimony by Virginia Epley

It has been an honor to be the Representative for the NC Baptist Hospital. We are so fortunate to have a teaching facility with such great capabilities as the NC Baptist Hospital.

I became familiar with their Oncology Department in March of 1978 and again in 1985. In November of 1987, I was a patient in the Neurological Department. I had excellent care each time.

As Baptists, we should take advantage of the fine doctors and staff. Too often we do not seek their services until our illness has progressed too far to be treated successfully. May I encourage you to seek care early when your illness is in its early stages and very treatable. Even the very best of doctors cannot reverse a terminal illness in its last stages.

Virginia Epley

BAPTIST RETIREMENT HOMES

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in midst of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for older adults within a Christian context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believe this message offers older adults the meaning, purpose, and dignity needed to enrich their lives.

The hallmark of the Homes' ministry is the quality of its care. It is a distinction that is present at all levels, in all locations, in all services. The Homes take seriously the responsibility to make residential opportunities available to older adults across the state and to be continually responsive to the needs of older adults as those needs expand and change.

With that in mind, the Homes operate facilities in locations across the state: Asheville in the west, Hamilton in the east, Yanceyville in the north, and Albemarle in the southern piedmont. A multi-level care facility in Winston-Salem currently services the needs of older adults from all over the state.

Older adults have differing needs, and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offer independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

II. NEED

According to a January, 1987 Report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65

and over will increase be 203,935 (28.9%) by 1995 and 286,831 (40.6%) by the year 2000.

Statistics for the North Carolina Baptist older adult population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist life (those individuals most likely to need residential care) is predicted to be more than 50% by the year 2000. Attempting to address this great challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

A. THE DEVELOPMENT OF REGIONAL CONTINUING CARE RETIREMENT COMMUNITIES.

A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in eastern North Carolina.

B. THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY.

In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail older adults to continue to live independently in their homes with some assistance.

The Homes believe that the ability to remain in one's own home as long as possible can benefit older adults by enhancing both their quality of life and their life-span. Fixed incomes and meager resources mean that older adults are also benefited as they seek to use their funds prudently: there will be no charge for the Home Health Care services. The Homes also believe there is an enormous segment of the older adult population that is not yet in need of residential care, but does need the kind of "light nursing" that this concept of Home Health care provides.

C. THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING.

The fastest growing segment of North Carolina Baptist life is the older adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist older adults requiring service within a residential environment cannot afford the cost of that care.

Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church-owned parsonages or have been given housing allowances, thereby never developing home equity, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later years. The Homes feel a particular commitment to these individuals and have responded as much as the parameters of its Benevolent Care

Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with older adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the older adults of our state.

BAPTIST CHILDREN'S HOMES

You took the time and you cared. On behalf of Dr. Blackwell, the children in our care, our staff and trustees, thank you for your prayers, your caring, and financial support.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year Long Range Plan. We plan to add two emergency care homes — another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 — a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to eleven million dollars by 1992-93. We hope that by 1993 North Carolina Baptists will give fifty percent of our operating budget. Currently we receive thirty-four percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes and Hospital Offering, and designated gifts from churches and individuals. The future of child care in our state is in the hands of the Baptists of our great state. We believe that they will meet the challenge.

In an update from the Hickory-Lenoir Family Services Center: A partnership between the Caldwell Department of Social Services and the Baptist Children's Homes is imminent. A gift from Mrs. Marguerite Noel of Kannapolis will facilitate the purchase of a house for the behavior change program in Lenoir. A gift from the Broyhill Foundation will enable us to purchase a house for the teenage mother-baby program also in Lenoir. The partnership calls for equal financial responsibility with the Baptist Children's Homes also providing the program and staff. The

Hickory-Lenoir office will be moved to the Noel Home in Caldwell County.

We are a service institution ready to meet the needs of hurting children and their families, in partnership with you to serve the children of North Carolina.

Mrs. Robert English

THE ANNUITY BOARD

The Expanded Church Annuity Plan has been an overwhelming success since it took effect on January 1, 1988. The latest report received for our association states that there are forty-three pastors, staff members and associational personnel participating in the expanded plan.

The plan not only encourages participation by ministers and churches, but it also gives each responsibilities. Contributions begin with the minister, and the church's contributions are based on what the minister contributes.

All state conventions have agreed to continue providing contributions and survivor benefits. In addition, state conventions are now contributing directly to eligible members' retirement income accounts.

Our association has thirty-five churches participating in the Southern Baptist Annuity Program in some degree. It is our hope that this level of participation will rise this coming year.

Respectively submitted,
Jesse M. Head

BAPTIST FOUNDATION REPORT

Facts, figures and statistics have their place, but without the people behind them there is no real story. Reporting comes easy when the warmth of human testimonies are woven throughout the printed record.

This Spring the Foundation lost one of its "silent" but most dedicated supporters in the person of Montagress Mercer. When Mrs. Mercer left her farm to "Lottie" when she went on to Glory. Her's was the finest example of estate stewardship.

In the family of "foundation giving" we also have Marjorie. She participates in the "unfinished" trust program. At Marjorie's death her wishes will be carried out in such a manner as to provide immediate income for her family for a specified period of time and then go on to insure Baptist work forever. Marjorie's satisfaction comes from the knowing that there is an accountable plan in place for an accountable steward . . . her own church. As her beneficiary, the church will realize support for local missions, Lottie Moon Offering, a scholarship fund and assistance in the improvement and maintenance of its historic building.

Services by the Foundation are varied and unique. Quality advice helps eliminate piece meal plans and bequests, and helps provide full advantage of current tax laws. A person's total estate picture is readily available from experts whose basic reason for being is to do the Father's

will. As the needs and desires of His people are met, the Foundation fulfills a divine purpose.

God is always faithful! Baptist causes are being met. The Baptist Foundation adds 62 new trust funds in 1987. Gifts to trust increased its holdings to \$14,452,258. Trusts in place to support causes amount to \$578,697.

As long as there are caring folks like Mrs. Mercer and Marjorie the Baptist Foundation will wear a "Happy Face." A tender heart towards Jesus is the most simple . . . and yet profound, formula for getting the job done.

Annual Report to the Associations
Christian Action League of North Carolina, Inc.
1988

GAMBLING — the greatest push ever for legalized gambling stands on the horizon. We have always had those who support a state-wide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for state-wide office in NC that embrace such proposals.

We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the NC General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting, but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

DRUNK DRIVING — Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got bypassed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

ABORTION — The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require

parental consent before an abortion is performed on a minor. Attempts to pass such legislation in N.C. have been met with legislative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge, much less consent.

Furthermore, N.C. remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

TOPLESS DANCERS — There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing minor girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House, but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayer and financial support as we join with you in being "salt and light."

MUSIC REPORT

The Associational Music Director went to Ridgecrest for training for the Key Leadership Conference. When the conference was held in our association he led those who came, in planning for a more effective Music Ministry within the association. Some ideas were suggested which will be considered as we begin a new year.

There was a music class taught through the Seminary Extension Department. The class was "The Beginning Music Reader." Plans are being made to make this class available in individual churches. Any church wanting such help should call the Associational Music Director. Plans will be made and teachers provided.

HISTORICAL SKETCH OF DIRECTORS OF MISSIONS

Catawba River Association existed 116 years before they elected the first associational missionary, as the officer was called in 1945. The first missionary was Miss Louella Brown who served five years. Mission gifts of the association were \$31,314.16. There were 36 churches with a membership of 7,036. The churches' gifts to Associational Missions were

\$774.53. This was supplemented by the North Carolina State Baptist Convention.

The second missionary was Miss Pauline Snelson, who began her service in 1951. The membership was 9,572 in the churches. Associational gifts through the Cooperative Program were \$18,435, and gifts to all missions amounted to \$49,071.63. The churches gave to Associational Missions \$3,114.22. Miss Snelson served one year and several months.

The third missionary was Pastor John Beam in 1952. Brother Beam served 5 years. The membership of the churches grew to 12,350. A record number of 735 received by baptism was reported in 1957. Total additions that year reached 1,240. The churches gave \$45,372 through the Cooperative Program. Brother Beam resigned to accept a position with the SBC Home Mission Board. Associational mission giving by the churches was \$12,786.

Pastor J. Earl Pearson became missionary in 1957 and served 9 years. He resigned in 1966 to become pastor of a church in the eastern part of North Carolina. He did this in order to attend Southeastern Seminary. In 1966, the membership of the churches was 12,350. Gifts through the Cooperative Program grew to \$103,260. Gifts to Associational Missions reached \$12,350. Baptized into the churches were 572 in 1966, and 514 were received by letter, for a total of 1,086 additions to the churches.

The fifth Director of Missions, Pastor William O. Goble, was elected in 1966. He has served 22 years in this position. The title of missionary was changed to Director of Missions.

During the 22 years under Brother Goble's leadership, we have become self-supporting. There has been tremendous progressive cooperative giving. In 1988 Cooperative Program receipts reached \$466,225 and a total to all missions reached \$1,068,408. Support to Associational Missions reached \$73,074.35 to the budget in 1988.

Catawba River Baptists own a beautiful center, debt free, located at 501 East Concord Street, Morganton, NC. This facility is adequate for expansion in the future.

Director Goble has led us to support a sister Association in Rochester, New York. Likewise, our Director keeps us informed about the total Baptist program.

The 1986-87 Long Range Strategy Planning Committee made many recommendations that were adopted in the 1987 Annual Meeting. One of the most important recommendations was to add an additional staff person known as the Church and Community Ministries (CCM) Director as soon as possible. The needs here in Burke County are tremendous! This person would coordinate church resources to help meet these needs!

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the NC Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

DEDICATION OF ANNUAL

Ivey A. Smith

Reverend Ivey A. Smith was a Burke County native who served a number of churches during his 35 years of ministry. Licensed by South Mountain Baptist Church October 4, 1953. At the age of 36, Rev. Smith enrolled at Fruitland Baptist Institute in Hendersonville. He graduated from Fruitland on March 30, 1956.

Lake James Baptist Church called Rev. Smith as pastor and he was ordained to the gospel ministry January 30, 1955 by Burkemont Baptist Church. From 1955 to 1965, he pastored (in addition to Lake James) the Lakeview and Mount Olive Baptist Churches in the Catawba River Baptist Association.

Feeling the need for further study, Rev. Smith enrolled in the certificate program at the Southeastern Baptist Theological Seminary in 1966 and graduated May 31, 1968. During this time, he also pastored the Beulah Baptist Church in the South Mountain Baptist Association.

After graduating from the seminary, Rev. Smith accepted a call to Stoner's Grove at Southmont, N. C. in the Liberty Association. In 1970, he was called to pastor the Porter Baptist Church, Norwood, N. C. in the Stanly Association. During these years, Rev. Smith served as Sunday School Director and Vacation Bible School Director for the Stanly Association.

Reverend Smith served at Porter until his retirement in March of 1982. At that time, he and his wife, Geneva, returned to their home in Burke County.

Even in retirement, Rev. Smith remained active by serving interim pastorates at Southside and Walker Road Baptist Churches, in addition to filling the pulpit in various churches when asked by fellow pastors.

Rev. Smith remained a member at Walker Road until his death, January 31, 1989. He and wife, Geneva Johnson Smith were parents of four children: Ivey E. and David G. of Morganton, Linda Cook of Charlotte, and Dr. Joanne Johnston of Marion. The Smiths celebrated 50 years of marriage November 12, 1988.

Reverend Smith touched many lives during the years of serving as a pastor.

be eligible for immediate acceptance to full membership status in the Association. All other churches received by the Association shall agree to come under the watch-care of the Association for a period of one year.

During the period of watch-care the church or churches must demonstrate cooperation and good will with other Baptist churches in their community and the Association.

It is understood that during the period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office or voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Membership and Mutual Care Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of good will. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Membership and Mutual Care Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Membership and Mutual Care Committee has responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

PURPOSE ARTICLE 3

The Purpose of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, and relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the Kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we are removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory forever and ever."

ARTICLES OF FAITH

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scriptures teach that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy Law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the field and fellowship of the Gospel, observing the ordinances of Christ, governed by His Laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Savior, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

17. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

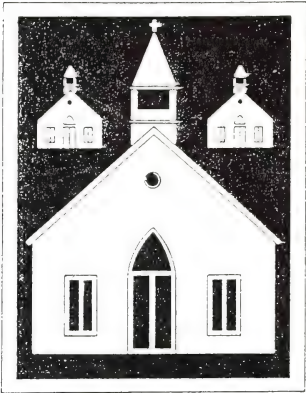

18. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

19. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne: that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

PROCEEDINGS

First Session — October 26, 1989

Thursday Morning

Pleasant Hill Baptist Church

The 160th Annual Session of the Catawba River Baptist Association met October 26, 1989 at Pleasant Hill Baptist Church. Brother Timothy Horltdt, Moderator, called the meeting to order. Brother Eugene Cole led the messengers

in singing "We're Marching to Zion." Mrs. Judy Stroupe accompanied the group on piano.

Brother Larry Cline, host pastor, welcomed messengers to Pleasant Hill for the morning session.

Scripture passage was brought by Brother Darrell Saunders, pastor of Oak Ridge Baptist Church, Connelly Springs. He read John 17:20 and then led in prayer.

Clerk Barbara Hart had the roll call of churches. She made the motion to register these messengers. Second was made and motion carried.

Brother Kevin Chubb brought the report from the Constitution and Bylaws Committee. Brother Kevin made the motion to adopt these amendments. The motion was seconded and approved.

Brother Tim invoked the newly approved constitution and recommended that Oak Ridge, Faith Olive and Wilkie Grove Churches from South Mountain Association be accepted into full membership of the Association as of October 26, 1989. Brother Tim presented the motion which was seconded and approved.

Director of Missions, Bill Goble, welcomed the three new churches into the Association. He then recognized the new pastors into the Association. He recognized all pastors and all interim pastors and all staff members of churches in the Association. Brother Bill welcomed the new Chaplain at Western Piedmont College, Brother Phil King.

Organizational Reports followed:

1. Sunday School report brought by Bill Goble. This is the final year of the Challenge 10/90 campaign. Let's share the hope of Jesus Christ with the lost and unchurched as we reach out for the 10 million enrollment goal.
2. Church Training report by Timothy Horltdt. One change that will be noticed soon is the replacement of the name of Church Training to that of Discipleship Training.
3. WMU report by Reba Barnes. This year launched Century 2 in the WMU work. The philosophy of WMU in this new century of work brings us to face a new day which demands commitment, imagination, risk, and relevance in responding to the world's physical, emotional and spiritual needs. Our job is to proclaim.
4. Music report by Eugene Cole. He led us in singing a new song, "Churches in the Association."
5. Church Media report by Modene Stroupe. She urged churches to use the equipment and videos that are available at the Baptist Center and to use your own media library at your church.

Clerk Barbara Hart presented the motion to dedicate the Minutes to Reverend Joe B. Church and Reverend Ivey A. Smith. Brother Tim recognized Mrs. Betty Church and Mrs. Smith. The motion was seconded and then approved.

6. American Bible Society report by Eugene Cole. Bibles are needed badly in the USSR and Eastern Europe. Only one person in twenty has a Bible in these countries. Can get 10 Bibles for \$30. They are crying out for God's Word. He urged churches to put this in their budget.

7. Temperance and Morals report by Ralph May. The president of the Christian Action League, Joe Lennon, spoke on this issue. If we are not teaching God in our nation, we are in peril. The answer to all problems is Jesus.

Brother Eugene led messengers in singing "Come Thou Fount" after which Joe Willard presented special music which was beautiful.

8. Church and Community Ministries Council report by Ruby Seitz. One highlight was to hire Wendy Brown as a summer worker for the Association and the other was to hire Jean White as part-time CCM Director. Jean gave us some startling facts about illiteracy, family violence, teenage pregnancy, and drug and alcohol problems in Burke County. She assured us that it is O.K. to reach out and care today. Let's be about our Father's Work.
9. Executive Committee report by Timothy Horltdt.
10. Treasurer's report by Rod Orders.
11. Budget and Finance Committee report by Timothy Horltdt. He introduced the proposed budget for 1989-90.
12. Nominating Committee report by Brother Bill Jennings.
13. Director of Missions report by Bill Goble. He urged churches to encourage your pastors to become more involved in the Ministers' Conference for fellowship and information.
14. Western Piedmont Community College Campus Ministry report by Jim Everette. He had a very encouraging report of these young college students and asked us to continue to pray for these students as they are our future.
15. Ordination Committee report by Robert Rownd. At the request of Central Baptist Church we examined Carl Hamm, October 16, 1989, and found him to be a fit and promising candidate for the ministry. We therefore recommended that Central Church ordain Rev. Carl Hamm for the gospel ministry.
16. Committee on Committees report by Mr. Lee Silver, Chairman.
17. Historian's report by W. A. Huneycutt. He suggested that the Association appoint a committee to write a history of the Association.

Rev. Robert Rownd, Chairman, Rev. Jim Revis, Rev. B. G. McMahand, Rev. Bill Goble.

Rev. Rocky Branch made a suggestion to the Association to take an offering for the American Bible Society to purchase Bibles for these countries already mentioned.

Eugene Cole led messengers in singing "How Great Thou Art." Special music by a quartet composed of Lanny Smith, Joe Willard, Jim McCord, and Eugene Cole.

The morning message was by Reverend Frank Ellis, interim pastor at Drexel Memorial. His message was entitled "It's the Lord!" His Scripture was John 21. He took the message from the seventh verse. Without the Lord, you can do nothing. If we do nothing for Him, we have nothing for eternity. Through Him we can be successful. God wants the fruit of the spirit.

He is the Lord of our needs. He knows our needs. We need to trust Him for our needs. He is the Lord of our worship. He is the Lord of Love. Love is the key to it all. Do you love Jesus supremely? He first loved us.

He is the Lord of our departure (death). Who holds the key to the day of our death? The Lord. And finally Jesus is the center of it all.

Brother Tim thanked Brother Ellis for the inspirational message. Brother Larry Cline pronounced the benediction and we were adjourned to the meal in the church fellowship hall.

THURSDAY NIGHT SESSION

October 26, 1989

Abee's Grove Baptist Church, Valdese

Vice-Moderator Paul Alverson called the night session to order. Lanny Smith led the messengers in singing the hymn, "At the Cross." Host pastor Robert Rownd welcomed all to Abee's Grove Church.

Brother Alan Carr, pastor of Gilead Baptist Church, brought the scripture lesson from Luke 14:16 and then led group in prayer.

Dr. Alverson announced there were 276 at the morning session. They received an offering for the American Bible Society in the amount of \$305.07 to buy Bibles for the USSR and eastern European countries.

1. Brotherhood report by Phillip Heafner.

2. Missions Development Council report by Jesse Head. This Council has 11 different special tasks grouped into three categories:

- I. Fellowship Tasks
- II. Missions Performance Tasks
- III. Administrative Tasks

3. Evangelism report by Bill Goble. Forty-eight churches participated in the Bailey Smith crusade. A total of 461 decisions were reported. Simultaneous revivals to be held April 22-29, 1990. Prepare now. Get speakers now. Begin to pray now for this endeavor.

Speaking to this report was Larry McElrath, Evangelism intern, Baptist State Convention and Home Mission Board. He used scripture passages: Acts 1:8, Luke 2:49, Romans 16:16. We are the body of Christ and need to encourage and uplift each other. We must create the excitement in our churches. There are a lot of hurting folks. There is hope in Jesus Christ.

4. Home Missions report by Mrs. Martha Heafner. In January the Home Mission Board acquired a new telephone number, a new logo, and a new identity statement.

Lanny Smith led messengers in singing of "Love Lifted Me."

5. Foreign Missions report by Nellie Craig. Southern Baptists are a missions people.

Dr. Alverson introduced the missionary speaker, Larry Phillips, who was in seminary with him and is a missionary to Peru now.

Special music was presented by a group from Mount Home Church.

Larry Phillips brought a most inspiring missionary message. He said we're not serious about winning people to Christ. It is affecting missions in the countries overseas. Foreign Missions Board is hurting. In 1985 there were 304 missionaries appointed and in 1989 only 188 were appointed. Only 5% of seminary graduates go to do 95% of missionary work in other countries. 95% of seminary graduates stay stateside. 60% of them stay in the South. God has more people ready to hear about Jesus than there is people willing to share the message of Christ. Brother Phillips then led group in prayer. Announcements were made by Dr. Alverson who had the benediction before we adjourned.

FRIDAY MORNING SESSION

October 27, 1989

Calvin Heights Baptist Church

Rev. Tim Horltdt called the Friday morning session to order. T. W. Lineberger spoke to us about praying until Jesus comes. Brother Eugene Cole led messengers in singing "I Stand Amazed" and Brother Allie Stewart welcomed the Catawba River Baptist Association messengers to Calvin Heights Church.

Rev. Rex Ware, pastor of Grace Baptist, had the opening scripture passage from Ephesians 6 and then led us in prayer.

Brother Tim pointed out that the theme for the meetings was "Laboring Together With God."

1. Stewardship/Cooperative Program report by McCoy Robinson. Happy

to thank the Association for their gifts to the Cooperative Program. He then introduced Brother Tom Lolly, Western North Carolina Area Missionary, who said a number of churches thought the missions mandate was optional. We have got to get on with the task of what Jesus wants us to do — get together and cooperate.

2. South Mountain Baptist report by T. W. Lineberger, Director of the Camp. The Camp needs money from churches because the Camp is in debt. They teach children to pray so they stay happy as Christians.

3. Place and Preacher report by Rev. Clyde Buckner.

The 1990 Annual Session would be held at:

Burkemont Church	Thursday morning	October 25, 1990
Calvary Church	Thursday night	
Wilkie's Grove Church	Friday morning	October 26, 1990

Sermons:

First day	Melvin Greene	Mull's Grove
Alternate	Garland Higgins	Riverside
Second day	Darrell Saunders	Oak Ridge
Alternate	Carl Hamm	Central

4. Seminary Extension report by Rev. Robert Rownd. He appealed to us to promote the seminary courses.

5. Christian Higher Education report by Dr. Paul Alverson. He introduced Harry Sherwood of Wingate College who noted that we have an increase in enrollment at all Baptist colleges and a decrease in enrollment in all non-Baptist colleges. Eighty percent of all students are recommended by Baptist pastors.

6. Christian Literature/Biblical Recorder report by Robert Frye. The Recorder has variety and is well worth reading.

7. N. C. Baptist Children's Home report by Mrs. Glenda English, who introduced Donna Lail of the Children's Home. She expressed appreciation for the support by the CRBA to the Children's Home in Lenoir.

8. Baptist Hospital report by Mrs. Virginia Epley. She introduced Calvin Knight from the Baptist Hospital. The Baptist Hospital is a warm and personal place and the doctors and nurses are fine Christian people. Their ministry touches the lives of many people not patients there. Prayers and money are important to the hospital.

9. State Missions report by Mrs. Reba Barnes, who introduced Luther Osment. It's not enough to sit in our churches and sing "Jesus Loves You"; we need to go out of these four walls to where the people are and share the message with them on their turf.

10. Baptist Annuity Board report by Jesse Head.

11. Burke United Christian Ministry report by Helen Zimmerman. Many of the Baptist churches do support this ministry.

12. N. C. Baptist Foundation report by Helen Zimmerman. They received more money than ever in its history.

13. Election of officers for the year 1989-90:

Moderator	Jerry Gamble
Vice-Moderator	Paul Alverson

Treasurer Rod Orders
Clerk Barbara R. Hart

14. Resolutions Committee report by Rev. James Sessions.

RESOLUTIONS

Be it resolved that we, the messengers of the 160th Annual Meeting of the Catawba River Baptist Association, express our sincere thanks to God for His leadership and blessings to His churches of this Association. For His salvation and calling to this great work, we are especially thankful.

For these meetings at Pleasant Hill, Abee's Grove and Calvin Heights, we express our thanks for providing places to meet and for the meals at Pleasant Hill and Calvin Heights.

For our Associational officers and leaders, especially Moderator Tim Horltdt, Vice-Moderator Paul Alverson, and Clerk Barbara Hart who have served us so well this year. And for Rev. and Mrs. Bill Goble for their steadfast leadership, we are very grateful.

Also be it resolved that each of us who are the churches of the Catawba River Baptist Association, in obedience to our Lord, will most gladly strive to love one another as Jesus loves us, and dedicate ourselves to His ministry of reconciliation.

Eugene Cole led the group in "My Jesus, I Love Thee."

15. Memorial Service by Mrs. Myrtle Bowers. Special music by Lanny Smith, Joe Willard, Jim McCord, Eugene Cole.

The morning message was by Dr. Paul Alverson, pastor of Drexel First and Vice-Moderator. His scripture was from John 35 and his theme was "Love One Another." We are commanded as believers to love one another. This ought to be second nature to children of God. If you make Him the Lord of your life, you will love your fellow man. And the whole world will know that you are My disciple.

Brother Tim passed the gavel to Jerry Gamble for his term as newly elected Moderator of the Association. Brother Jerry pronounced the benediction and was adjourned to the fellowship hall for the meal.

SUNDAY SCHOOL REPORT

This year we enter the fifth and final year of the CHALLENGE 10/90 campaign to reach an enrollment of 10 million men, women, boys and girls in

the Sunday Schools across the Southern Baptist Convention. And then when the Sunday School takes up its rightful place of leadership responsibility in the Here's Hope simultaneous revivals coming up in the Spring of 1990, the coupling of these two emphases brings about this exciting time for this year's Sunday School work: *SHARE HOPE...REACH 10*. Share the hope of Jesus Christ with the lost and unchurched as we reach out for the 10 million enrollment goal.

In our Sunday Schools this year, let's zero in on this action: *SHARE HOPE...TEACHING THE BIBLE FOR EVANGELISTIC RESULTS*. And let's keep before us Jesus' example of teaching evangelistically as recorded in Matthew 4:23.

In our zest for better and more evangelistic teaching, let us not forget the importance of identifying, enrolling, and cultivating prospects. The constant balance between reaching and teaching must be carefully thought through and administered. Assign prospects to the appropriate class for cultivation and enrollment.

Your ASSISTeam (Associational Sunday School Improvement Support Team) wants to help you *SHARE HOPE...REACH 10*. What can we do for you? Call on us.

Respectfully submitted,
Lewis A. Gentry
ASSISTeam Director

CHURCH TRAINING REPORT

Church Training in the association this year included the meeting that traditionally draws the biggest crowd sponsored by the association. "M" Night is not only the largest service of Catawba River, but our response is the best in the state. Last year, Cleve Wilkie gave an inspiring message on evangelism and witnessing. He received several invitations to speak at area churches as a result of his appearance here. The "M" Night program this year is scheduled for November 27, 1989 at the City of Morganton Municipal Auditorium (COMMA) at 7:30 p.m., with Rev. Bruce Anthony of Greensboro as guest speaker.

One change that will be noticed soon is the replacement of the name of *Church Training* to that of *Discipleship Training*. The emphasis on teaching the pupils of Christ in many disciplines concerning the Christian walk has always been the primary focus of the department whether it has been called Baptist Young People's Union, Baptist Training Union, Church Training, or Discipleship Training. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." This verse will continue to be our theme as we grow through Discipleship Training.

Respectfully submitted,
Tim Horldt
Discipleship Training Director

BROTHERHOOD REPORT

The mission of the Brotherhood is to help the church bring people to Jesus Christ through the missions involvement of its Baptist men and boys. Its goals are to engage in mission activities, teach missions, pray for and give to missions, develop personal ministry, interpret and undergird the work of the church and denomination. Its aim is to support and strengthen the Church Brotherhood program.

In the year just ending, your Associational Brotherhood jointly with the associational WMU promoted State, Home and Foreign Mission offerings in our local churches and conducted an RA/GA Day Camp for our younger children. In January, Baptist Mens' Day was promoted in the churches. Conferences for all age groups were presented at this years leadership workshop.

Associational RA activities were numerous, varied and exciting. The featured speaker at our Associational Conclave was Rev. Max T. Furr, foreign missionary to Peru. Mission projects were displayed and advancement studies were conducted.

Our Associational RA Racers Competition, was attended by over 125 men and boys from 9 churches with 77 cars entered, and 6 missions projects presented. Two RA camp outs (spring and fall) were held, with as combined total of 50 boys and their leaders participating. The RA/GA Day Camp held at South Mountain Baptist Camp was attended by 180 boys and girls and their leaders.

Six of our churches participated in our Summer Softball Fellowships and our RA Basketball league had five participating teams. Bad weather hampered our Associational Track and Field Day. The turnout was small but enthusiastic. A number of events for all ages, grades 1-12 was conducted, however. Although our Associational World Walk for Home Missions was cancelled by bad weather, a number of churches did hold walks of their own.

Our sincere appreciation goes to all those who worked diligently to make this year's work successful. Your Associational Brotherhood is ready, at your invitation, to assist you to begin new Baptist Mens or RA units. We would be delighted to serve you in this capacity.

Respectfully submitted,

Albert Epley

Associational Brotherhood Director

WOMAN'S MISSIONARY UNION 1988-89

Century Two began this year. We will not build a shrine to the past but by inspiration of those who have gone before, we will begin our march into the future.

Enthusiasm is great as we ventured to help churches start new organizations during the year.

Excitement was over-flowing as some 39 plus Acteens boarded the bus to attend NAC in San Antonio, Texas. Throughout the Convention, Acteens were

led to praise God and reach out to those around them to win them to Christ. Moral issues were addressed and attempts to change from participation was evident. We won't forget soon.

Associational Missions Fair and the Cooperative Program Spree was a special highlight of our WMU year. We are grateful for our association and are pleased to see growth in its outreach to the needs around us. We're thankful for Jean White who fills a much needed position. Welcome, Jean!

As we in WMU look again at the purpose of Bold Mission Thrust, we feel the responsibility for providing ways Southern Baptists can pray, plan, work together to carry out Christ's commission to go to all the world and make disciples. The philosophy of WMU in this new century of work brings us to face a new day which demands commitment, imagination, risk, and relevance in responding to the world's physical, emotional, and spiritual needs. Our job is to proclaim. We'll do just that.

Respectfully submitted,
Reba Barnes, Associational WMU Director

Notes:

- 1) Thank you for your support, prayer, finances, etc. during the past year and for the fine spirit of cooperation that exists.
- 2) Pray that more of our ministers will become involved in our Minister's Conference (the conference is designed for fellowship, information, inspiration, and for continuing education).
- 3) We are grateful for God sending Miss Jean White our way as our new Church and Community Ministries Director. Pray for her as she seeks to get our church people really involved in Christian ministry and witness for those who hurt physically, spiritually, and emotionally right here in Burke County. If this ministry is to be effectively implemented it *will require cooperation* on the part of pastors, church leaders, and church members who will volunteer to be involved in ministry in the local church area, cluster of local churches or the Association (Burke County) at large. It *will also* require your *faithfulness in stewardship* to associational missions. Hopefully, we can move Miss White to full time status in about a year or so. This again will depend *on you*. Why should not each church respond to the already approved method of "increase funding for undesignated associational mission gifts by 1/2% each year for the next five years." It ought to be done! It can be done! Let's do it — together!
- 4) May I encourage each church to get involved in the "Here's Hope - Jesus Cares for You" simultaneous revivals April 22-29, 1990. The Association will help train your revival committee leadership.
- 5) Plan now to participate in our *World Mission Conference* May 26 - June 2, 1991.

- 6) *STEEM*: Stewardship, Training, Evangelism, Education, Missions. Reach people for Christ-Teach-Win-Develop. Our *Association: Churches Laboring Together With God*.

It's a great privilege to be God's servant and yours.

Director of Missions

WESTERN PIEDMONT COMMUNITY COLLEGE MINISTRY REPORT

The college years are perhaps the most important years of one's life. It is during this period that career decisions are made and young people seek answers to life changing questions. We, as Baptists, are fortunate to have a ministry at Western Piedmont Community College (WPCC) to help these college students form decisions about some of the questions they are asking. The college student ministry at WPCC is helping to shape the future for our young people and reaching out to others through evangelism and missions.

With the financial support of the Catawba River Baptist Association and the North Carolina Baptist Convention there is a very active group at WPCC call "Students for Christ (SFC)." During the past year there have been many hours spent developing relationships with students and faculty members and lives have been changed as a result of this ministry.

A few of the activities that the SFC have been involved in during the past year are:

- * An Angel Tree for WPCC students to give Christmas gifts to the needy.
- * Easter baskets were made and given to NCSD for grades K-3.
- * Saturday morning Bible study each week.
- * Assist at Christian concerts at CoMMA.
- * Representatives sent to two state conferences for students.
- * Students served the State Convention as summer missionaries.

There are many other activities that the Students for Christ are involved in at this time, but too little space to mention them. Pray for this ministry and for times involved in it. This is a growing ministry involving growing young people.

Respectfully submitted,
Jim Everette

MISSIONS DEVELOPMENT COUNCIL

The Associational tasks of the Missions Development Council are as follows: There are eleven identifiable tasks, grouped into three categories:

I. *Fellowship Tasks*

1. Nurture harmony in faith and practice.
2. Nurture fellowship among church leaders and members.

II. *Missions Performance Tasks*

1. Call churches to be on mission.
2. Provide resources and services to churches and leaders.
3. Train, develop, and encourage church and associational leaders.
4. Provide opportunities for working together in missions, ministry, growth and evangelism.
5. Establish and maintain appropriate communications and relations with the community and the denomination.

III. *Administrative Tasks*

1. Govern the Association under the Lordship of Christ.
2. Plan the Association's program and manage its resources.
3. Provide information about the churches to the denomination.
4. Provide denominational information/resources to churches.

You will note that the above stated tasks taken from "Associational Missions Development" by the Home Missions Board are quite comprehensive and quite different from the Missions Committee, it replaces. The goal of the Missions Development Council is to get missions work done effectively and efficiently. We look forward to working very closely with the Church and Community Council in performing the tasks of our Association.

Respectfully submitted,
Jesse M. Head

EVANGELISM REPORT

The Western Piedmont Bailey Smith Crusade for Christ was held the week of September 24-29. There were forty-eight churches participating in this evangelistic endeavor. A total of 461 decisions were reported with 370 of these for salvation and 91 rededications and other.

Super Summer '89 at Carowinds was held on July 28 with over 21,000 youth and adults attending the event. Two celebration services were held with Ike Reighard preaching to the group. Hundreds of young people made commitments.

The 1990 Evangelism Conference will be held February 5-6 at Greensboro Coliseum. Dr. John Bisagno, Dr. Jerry Vines, Dr. Frederick Haynes III, Dr. Joel Gregory, Rev. Richard Harris, and Rev. Rick Stanley will be the speakers. Joe Estes will be leading the music assisted by Pat Long and Rick Setzer. The music team Gabriel and the Sao Paulo Choir will assist in the music also.

Plans are now being made for another simultaneous revival effort called "Here's Hope Jesus Cares For You." North Carolina dates are: Eastern —

March 18-25, 1990; Piedmont — April 1-8, 1990; and Western — April 22-29, 1990.

Let us continue to work and witness that we may continue to see people come to know Jesus. It is our prayer that baptisms will begin to rise each year.

Respectfully submitted,
Jerry Gamble

FOREIGN MISSIONS REPORT

As we look at some of the highlights for 1988, we can see that it was a good year for Southern Baptists.

BAPTISMS: 197,863 people baptized, almost 541 a day.

CHURCHES: About four new churches started per day for a total of 1,430.

VOLUNTEERS: 10,800 Southern Baptist Volunteers reinforced mission work in 74 countries.

MEETING HUMAN NEEDS: A record \$10.9 million was spent for overseas relief and hunger.

MISSIONARIES: 3,867 missionaries in 113 countries.

THEOLOGICAL EDUCATION: 26,952 overseas Baptist enrolled in Ministerial training — up 21%.

NEW WORK: 110 New cities entered in 41 countries. Work begun with 22 new people groups in 15 countries.

CONTRIBUTIONS: Members of churches overseas gave the equivalent of \$99,800,987 through their churches — up 6.2%.

DISCIPLESHIP: 18,644 people enrolled in discipleship training, more than double 1987.

BIBLE BY MAIL: 342,281 people enrolled in Bible Correspondence.

The Lottie Moon Christmas Offering accounted for 43.5% of the total receipts of the Foreign Mission Board.

The cooperative program was 40.9%.

I wish to quote a statement made by Keith Parks, president of the Foreign Mission Board. "I remain convinced that we Southern Baptists are a missions people. The more we know about our cooperative missions effort, the more *Praying, Giving, and Going* we will do." I, too, believe an informed people is the answer to an ever growing mission effort of *Praying, Giving, and Going*.

Respectfully submitted,
Nellie Craig

HOME MISSIONS REPORT

In January, 1989 the Home Mission Board acquired a new telephone number, a new logo, and a new identity statement. The new number is (404) 898-7000. The new logo is a cross superimposed on the letter "M" of "HMB" because the cross

of Christ is central to the Home Mission Board's mission. "Christ for Our Nation," the new identity statement, embraces all that the Home Mission Board does in its four primary concerns.

The four emphases of the Home Mission Board, adopted in October, 1988, are: evangelism (assisting Southern Baptists to win the lost of our land by presenting the gospel to all), church planting, church growth, and ministry (leading Southern Baptists to minister redemptively to all persons). The goals which the Home Mission Board has set include:

- 75% of Southern Baptist churches growing by the year 2000 and involved in community ministries,
- 1,500 new churches started annually,
- 5,000 missionaries under Home Mission Board appointment,
- 75,000 short-term volunteer missionaries annually,
- 2,000 long-term missions volunteers, and
- 3,000 chaplains under appointment,

all by the year 2000.

The Home Mission Board currently supports 3,827 missions personnel in all 50 states, Puerto Rico, American Samoa, the Virgin Islands, and Canada. Included in this number are 905 missionaries and 1,030 mission pastors receiving some form of financial aid.

Through its Chaplains Commission, the Home Mission Board has endorsed 2,014 chaplains. In 1988, 48,781 volunteers were placed on the mission field. A first time missions experience held in 1989 was "Jericho," held at Ridgecrest and Glorieta. Jericho was a missions festival, a cooperative effort among the Home Mission Board, Foreign Mission Board, Woman's Missionary Union, Brotherhood Commission, and Sunday School Board.

The Home Mission Board budget for 1989 is \$83,190,695, meaning it costs \$158 per minute to operate the HMB programs.

Upcoming emphases include "Here's Hope. Jesus Cares for You," simultaneous revivals planned for the spring of 1990, and "Models for Metropolitan Ministry Conferences."

As Southern Baptists in the Catawba River Baptist Association, we can support the Home Mission Board by praying for missions, using the Intercessory Prayerline, 1-800-554-PRAY, available 9:00 AM— 4:00 PM, Monday - Friday; by giving through the Cooperative Program, Annie Armstrong Easter Offering, North Carolina Missions Offering, and associational missions; by learning about missions through Woman's Missionary Union and Brotherhood age-level organizations; and by volunteering our own time for missions in Burke County, North Carolina, the United States, or even in foreign countries. Praying, giving, learning, and going are four actions we can use to help fulfill the Great Commission. Please accept these challenges personally, for the glory of God.

Respectfully submitted,
Martha Heavner

NEW HOPE BAPTIST MISSION

New Hope Baptist Mission is located in Hidden Valley, a ninety-six home subdivision of the Oak Hill Community and is a mission effort of the Catawba River Association sponsored by Zion Baptist Church.

Rev. Alan Beane, a graduate of Fruitland Bible Institute, serves as the Pastor. Rev. Beane is a people loving, Bible preaching, cooperating Southern Baptist young pastor who was ordained into the gospel ministry by the Caldwell and Catawba River Associations, and Union Grove and Zion Baptist Churches in June, 1989.

The work of the mission continues to grow under his leadership with an average attendance in Sunday School and Worship of 20, and an average attendance in Royal Ambassadors of 16, and Girls in Action of 14. The Vacation Bible School was well attended with an enrollment of 55 and average attendance of 45. Most important is that men and women, boys, and girls will come to know Jesus and live for Him.

New Hope Mission appreciates the financial support of the Association as well as the individual churches. Please continue to pray for and support "our" mission.

HMONG MISSION

During the past year, 7 Hmong here have made professions of faith and were baptized. The Hmong Mission has averaged 39 in attendance during the past year. An annual revival was held in August with Joshua Vang from the Home Mission Board as preacher.

Approximately 60 Hmong are involved in the mission jointly sponsored by the Catawba River Baptist Association and the Morganton First Baptist Church.

Several Hmong families have chosen to identify with Baptist churches and churches of other denominations in Burke County.

First Baptist Church, Morganton

SOUTH MOUNTAIN BAPTIST CAMP

This has truly been a year of activity at South Mountain. As we conclude 32 years of ministry here at "the camp," we must pause to breathe a heartfelt "thank you" to our blessed Savior Jesus Christ, and also to the many friends of the ministry of South Mountain Baptist Camp and Retreat Center.

During the Winter and Spring the Faith, Fellowship, Oak Grove, and Turentine Churches of Statesville along with the Sweetwater Church of Hickory, and the Lincoln Avenue and Antioch Churches of Lincolnton gave of their time and funds to help restore and renovate some of the cottages. Other individuals gave their time during work days in preparation for the 1989 camp season.

The summer camp season consisting of 8 weeks was attended by a total of 1,161 girls and boys. Of this number, 166 rededicated their lives to Christ, 78

came accepting Jesus as Savior and another 25 came feeling God was leading them into full time Christian service. During the week of June 18-24, the camp was leased to the N.C. West District of the Wesleyan Methodist Church. They reported another 150 decisions. Counting all groups your camp was used by 2,361 men, women, boys and girls and there were a total of 419 decisions reported in 1989. We know that you join us in rejoicing at what the Lord has done through the ministry here at South Mountain.

Please keep your camp and retreat facilities in mind when planning this year's activities for your total church family. God bless you, and we need your prayers and support as we look ahead to 1990.

GREATER ROCHESTER BAPTIST ASSOCIATION REPORT

We in the Greater Rochester Baptist Association want to thank you one more time for the prayers, missions groups and financial assistance you have sent during the past year!

We have seen God do great things in our Association during the past year. Two new churches were begun during 1989. Both churches have great potential and are growing. Pittsford Baptist Church was voted into the Association in May and we will be voting on New Hope Baptist Church at our Annual Meeting. Praise God for His help in beginning these two new works. We hope to begin a new church in Greece, New York and to begin a satellite church at the Pines of Perington apartment complex in 1990.

Barbara Wallace came to our Association in June to replace Tom Cairns as Church and Community Ministries Director. Already Barbara has found many ways that our churches can minister in each community.

We used the special offering from Catawba Association this year to provide ministry at the Pines of Perington and to provide a secretary for the Association one-half day each week. Thank you, the El Bethel Church, for sending a crew up to do construction work at Newark Fellowship Baptist Church.

It was my pleasure to speak at your Pastors' Conference and in several churches during March.

Very soon I will be sending Bill Goble a list of mission group needs for the summer of 1990. I hope to see many of you here next summer. We need a group immediately to come build space for summer missionaries.

Thank you for your assistance to the Greater Rochester Baptist Association. We could not do much of what we do without your help.

God Bless you all,
Rusty Sumrall

 7. Please pray for a Marriage Enrichment Retreat planned for November.
 8. Please pray that the Here's Hope Revivals in the churches in April of 1990 will bring about a rich harvest to the churches of our Association.
 9. Please pray that God will lift up churches in the State to send mission groups in the summer of 1990 and that some of these churches will want to become sister churches to our G.R.B.A. churches.
 10. Please pray for Director of Missions, Rusty Sumrall, and his family.
- If you or any of your mission groups would like to participate directly in the ministry of the Greater Rochester Baptist Association, please feel free to contact me.

**STEWARDSHIP/COOPERATIVE
PROGRAM REPORT**

October is Cooperative Program month. This year's stewardship theme, "Win Them All, Give," calls attention to the underlying purpose of the Cooperative Program. Individual giving is multiplied through cooperative giving in order that all may be won to Christ. Individuals give to God through their churches.

Churches have at least two channels through which to minister beyond their immediate areas, the Association and the Cooperative Program. The success of both is going to be determined by the importance placed upon each one by the local church. Therefore, your church can be a recluse or it can be a channel through which the love of God can be shared with others in your surrounding county and reaching out to the uttermost part of the world. The Catawba River Baptist Association is a cohesive group of Baptist churches and Christian witnesses who are working together in love and unity to promote the cause of Christ Jesus and to witness to every individual possible within our immediate area. For the Association to be effective in its mission calls for every church in the Association to share through giving and witnessing. Let us as individual churches pledge our support to a ministry of love which goes beyond the boundaries of the local congregation.

The Cooperative Program extends even further our Christian ministry and mission to proclaim the gospel within the state conventions, the United States and its territories, and in over 110 countries throughout the world. As your church plans its budget, think seriously about the stewardship theme which calls our attention to the needs around the world. Grow in your support of your Association and Cooperative Program ministries through your church budget.

Let us sow together for Christ that there may come forth a bountiful and beautiful harvest during this present year and the years to follow.

Respectfully submitted,
McCoy Robinson

SEMINARY EXTENSION

Seminary Extension brings quality education close to home for all of us in Catawba River Association. During 1988-89, a total of 7 persons enrolled in one or more courses offered through the Catawba River Seminary Extension Center. The center offered 4 courses taught by Robert Rownd. Plans for the coming year include two courses per quarter.

Catawba River Association is among 400 Baptist associations working with the Seminary Extension Department of the Southern Baptist seminaries to co-sponsor local ministry training centers for their people. The Seminary Extension Department is part of the Seminary External Education Division housed in the Southern Baptist Convention Building in Nashville, Tennessee. In addition to the network of centers, the Seminary Extension Department offers most of its courses through correspondence. A new program allows a student to enroll directly in one of our seminaries and receive credit and an associate degree from them.

NORTH CAROLINA BAPTIST COLLEGE REPORT — 1989
CAMPBELL — CHOWAN — GARDNER-WEBB — MARS HILL —
 1887 1848 1905 1856
MERIDITH — WAKE FOREST — WINGATE
 1891 1834 1895

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

THE ASSOCIATIONAL CHURCH MEDIA ORGANIZATION

The Associational Church Media Organization's (TACMO) theme for this year is "Media Libraries . . . Touching Lives to Strengthen Ministry." Warren Wiersbe in his book *Victorious Christians You Should Know* writes: "Many people are starving their minds by neglecting the nutritious volumes that are available for their reading. They try to minister to others, but they have nothing to give." Do you have something to give to those to whom you minister? Use your church media library resources for study, for inspiration, and for strengthening your ministry to others.

TACMO is providing resources to strengthen ministry by establishing an associational media library. The associational media library has many resources available including videocassettes, filmstrips, books, equipping centers, and equipment. These are available at the Baptist Center and may be checked out at any time by any of you. Use these resources to strengthen your ministry to families, to inform your members of the ministry of Foreign, Home and State Mission Boards, and to train and develop your leaders.

TACMO wants to focus on two areas of ministry this year. They are: to provide training for media library workers and to help start media libraries in those twenty some churches who do not have one.

May we help you strengthen the ministry of your media library by providing training and/or hands-on manpower. May you help us strengthen our ministry to you by call us or the Baptist Center for assistance.

Let's use our media libraries to touch lives to strengthen the ministry of our churches.

CHRISTIAN LITERATURE THE BIBLICAL RECORDER

ASSOCIATIONAL REPORT — 1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more — that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. **AMERICAN BIBLE SOCIETY
REPORT TO
THE SOUTHERN BAPTIST CONVENTION**

The churches and denominations of the United States are the mainstay of the American Bible Society's worldwide Scripture ministry. Conscious of the outstanding service which the Southern Baptist Convention has provided to the people of the world through your support of this ministry, we are happy to submit this report highlighting some of the Society's activities during 1988.

Opening new ways to the Word for people throughout the world is a challenge which grows in scope and urgency with every passing year. Many of the projects to which we commit ourselves each year are undertaken in faith — faith in God and in the generosity of concerned Christians in this country. The American Bible Society is sincerely grateful for the contributions, totalling \$251,951.11, received from your churches during 1988 and draws confidence from knowing that there are Christian communions such as yours who believe in the power of the Word of God and are committed to sharing it with people across the globe. Your partnership with us in the Bible cause enhances our own vision of what can be accomplished in response to the Scripture needs of our world.

Thank you

BAPTIST HOSPITAL 1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the

tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

1989: It Was a Very Good Year

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provided care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

- * To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.
- * To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).
- * To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

BAPTIST CHILDREN'S HOMES REPORT

Baptist Children's Homes, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. There are 17 locations across the state, serving more than 1,000 children and families each year.

On June 4, Care House and The Marguerite Noel Home for Girls were dedicated during services at Lenoir's Lower Creek Baptist Church. At Care House, five teen-age mothers will learn to parent their babies. The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21, the Philpott Parent Aide Program in Davidson County was dedicated. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, two men have been named to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange Baptist Children's Home speakers for your church and help your members with estate planning.

Baptist Children's Homes continues to implement "internationalized services" according to the long-range plan it adopted in April, 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

Baptist Children's Homes continues to garner popular support with North Carolina Baptists who contributed \$1.52 million through the Cooperative

Program last year. In the 1988-89 fiscal year, more than \$1 million has been received in bequests.

The Executive Committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced the Children's Homes' share of the Cooperative Program. The Committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes, and the Baptist Hospital. All three social service agencies support such a move, which would eliminate the Homes and Hospital offering they share. The State Convention will vote on that proposal in November.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs, and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Mrs. Robert English

THE ANNUITY BOARD

The Annuity Board continues to blaze trails in its efforts to "serve those who serve the Lord." The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manifold down through the years.

The following are some of the goals set by the Annuity Board trustees for this year:

- Developing a long term care plan suitable to Southern Baptist ministers and their families.

- Working to provide an approved IRA or to restore the tax deductible option of Voluntary Annuity Plan.

- Continuing to work hard to control health care costs.

- Developing materials on financial planning.

- Continuing to make churches and ministers aware of retirement and insurance plans.

An astounding factor still faces our churches in North Carolina. Only 64% of our churches are participating in our retirement plans, even after all these years of opportunity. This level of participation in our Association is not much better. It is our hope that this level of participation will increase during the coming year.

NORTH CAROLINA BAPTIST FOUNDATION

This year the North Carolina Baptist Foundation has behind it 69 years of undergirding the financial support for all agencies of the Southern Baptist Convention. The Foundation is a trust agency with assets now approaching \$17 million. \$3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Since its staffing in the 1950s, offices for the Foundation were provided in the Baptist Building in Cary. Now, however, the agency has outgrown its current space and is embarking on building its own office besides the Baptist Building. Most of the funds necessary for construction have already been secured. Hopefully, it will be ready for occupancy by the end of this year.

Some may ask "What are the responsibilities of the Foundation?" or "Just what does the Foundation do?" The answer is complex, but the result of its work isn't. The trust agency receives and provides quality management of funds from individuals, local churches, and associations. Through the Foundation's work, Christian stewards can fulfill God's purpose for their material possessions through and after their lifetime. The Foundation invests the principal and the income is paid regularly and perpetually to the cause named by the donor. Each year, the endowments generate millions of dollars that go to the Cooperative Program, Christian education, child care ministries, care of the aged, etc. When people like us become partners with the Foundation, it can be said as it was of Abel of old "...and by it he being dead yet speaketh." Heb. 11:4.

How can you and your church members participate as a Foundation partner? One way is to sponsor a Christian Estate Planning Conference and invite the Foundation office to staff it for you; or focus on the January Christian Wills emphasis and call attention to this vital ministry. Call Edwin S. Coates, Executive Director, North Carolina Baptist Foundation, P.O. Box 1107, Cary, N.C. 27512. Telephone: 919-467-5100.

CHRISTIAN ACTION Annual Report to the Associations Christian Action League of North Carolina, Inc. 1989

When the 1989 session of the General Assembly of North Carolina convened on January 11th, the first bills to be introduced were 3 lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last 6 years. However, the pressure for establishing a statewide lottery was stronger this time around due to two factors: (1) Virginia has started a lottery, and (2) Revenues were very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives 6 months to solicit opposition to the measure from the membership of the N.C. House.

Contact your N.C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: (1) lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; (2) ban open containers of alcoholic beverages in motor vehicles; (3) increase fines for drunk driving; and (4) establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May, 1990, session.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health...because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

MUSIC REPORT

The Associational Music Director has a couple of responsibilities which go with the office.

First, his responsibility is to lead the music at the Annual Associational Meeting each year. He picks the hymns and provides the special music. If there are other meetings during the year he may be asked to provide music.

Second, his responsibility is to lead the music and provide special music for "M" Night.

One other program this year was at the Associational Office. It was a special Open House, Cooperative Program Fair, etc. A quartet of Ministers of Music sang during the afternoon.

Thanks to the music directors in the Association for their cooperation these past three years.

Respectfully submitted,
Eugene Cole

BURKE UNITED CHRISTIAN MINISTRIES REPORT

Many Catawba River Baptist churches are contributors to the support of the Burke United Christian Ministries (BUCM). It is hoped this update will be beneficial to you. Since its fledging beginning in 1973, BUCM has expanded steadily, not only in size, but in the scope of its Christian outreach. This past year, this interdenominational crisis ministry saw its expenditures rise to over \$115,000, while making more than 11,800 assists. BUCM is truly a Christian ministry of united Burke Countians-concerned about people that Jesus loved enough to die for.

Under the direction of a paid Executive Director, Alan Schneider, BUCM is staffed primarily by unpaid lay volunteers, giving freely of their time and abilities. This past year, the ministry built and dedicated an addition to the BUCM building to house the expanded soup-kitchen dining, a drop-in center for the homeless with shower and washing machine facility, and a temporary emergency shelter for use during severe weather. BUCM participated in the first ever Burke CROP Walk for Hunger. \$22,000 was collected for worldwide hunger relief, with \$5,500.00 of that remaining for BUCM's use in its pantry and soup kitchen. An ecumenical Sunday School class for street people was started in May in the soup kitchen area.

Who contributes to BUCM? Concerned Christian individuals, businesses, and churches do. BUCM is also a recipient of United Way funds. In 1988, over 40 churches gave generously to this ministry. Fifteen of that 40 were your Baptist churches. Of the 32 church related groups that contributed, 7 were your Baptist church groups. Untold numbers of individuals who contribute are you Baptists.

BUCM is headed by a Board of 15 people, all dedicated Christians who agonize monthly, meeting the needs of ever increasing cries for help. Baptists can be justifiably proud of their actual involvement. Three of the last 4 Board chairmen have been Baptist. Of the 15 present Board members, 4 are Baptist (3 lay persons and Rev. Kevin Chubb of Calvary Baptist, Morganton). The BUCM administrative assistant, Doris Story, is from First Baptist, Drexel. Dozens more Baptists serve as volunteer support persons in the soup kitchen, drop-in center, pantry, clothes-sorting rooms, and as receptionists.

If your church is not already a contributing member, BUCM needs your support. The BUCM mandate for Christian intervention and service derives from Jesus' instruction: *"As you did it to one of the least of these my brethren, you did it to me."* Matthew 25:40

NORTH CAROLINA STATE MISSIONS REPORT

Our theme this is "Changing Lives Through State Missions." Definitely this change needs to be taking place for we can no longer assume that we have enough churches, enough ministries, enough missionaries, or enough money. Out of our state's six million residents, more than three million of them claim no membership in a church. Declines are shown in those participating in Bible Study.

Ministries of various kinds are on the increase all over our state. But there is hope. State missions is our way of responding to the Great Commission in our part of the world. State mission is our way of changing lives.

OUR ASSOCIATIONAL GOAL

CHURCH AND COMMUNITY MINISTRIES COUNCIL REPORT

The Church and Community Ministries (CCM) Council has worked, during the associational year of 1989, to inform church congregations of the need, purpose and benefits of a Church and Community Ministries Program in the area and to secure a part time Church and Community Ministries Director on staff by the 1990 associational year.

To inform churches about the Church and Community Ministries Program the council sponsored the following:

1. Development and distribution of a CCM brochure.
2. Three informational dinners held in various locations of the association.
3. Information booth at the Catawba River Baptist Associational Open House.

During the summer months, Wendy Brown was hired as a summer youth worker to work with various youth in the association. Miss Brown's work included the following: five Backyard Bible Clubs, two Vacation Bible Schools, two Big A Clubs, one Daycare Backyard Bible Club, and provision of recreational activities for the annual RA/GA Day Camp.

On August 1, 1989, Jean White was called as part time Church and Community Ministries Director for our association by the Associational Executive and Personnel Committees. During the upcoming year, Miss White will become acquainted with area churches, human service agencies, and community organizations. The Church and Community Ministries Council and area churches

will assist Miss White in developing goals and future programs to work on during the 1990 associational year.

Co-chairpersons

As of October 1st, I have been with the Catawba River Baptist Association one month. It has been a month of gathering information and getting to know people and resources.

I am excited about being here and about the possibilities for ministry available to us in our association. We must be about sharing Christ's love in our communities and I hope to be instrumental in enabling you, the churches, to do that.

Respectfully,
Jean White
Director
Church and Communities Ministries

HISTORICAL REPORT TO THE ASSOCIATION

Highlights in the Association

It is interesting to know that Catawba River Association from 1827 until 1860 extended from Smyrna in the West to Sandy Plains in the East, a distance of 100 miles. A meeting in the East or West meant 10 days of travel going and coming. The Catawba River included most of Gaston, Lincoln, Catawba, Caldwell, and Burke counties. The decision was made to divide the Association. The eastern division became South Fork, and the western part retained the name of Catawba. The Catawba River has been the mother of at least 7 associations directly, and indirectly; Theron Rankin and South Mountain.

Highlights Among the Churches

The Association conducted a lay evangelism school, and trained 22 pastors to equip lay persons in their churches. Dr. Jack Stanton, former Vice President of the Southern Baptist Convention conducted the training sessions.

Burkemont Baptist Church dedicated a Family Life Center to serve the various age groups in the church for years to come.

Another important event this year was the Western Piedmont Bailey Smith Crusade. This evangelistic effort resulted in the largest attendance ever, and witnessed more than 400 decisions for Christ.

The Association added another staff member, the first in history of the Association. Jean White was elected to serve as Church and Community Ministries Director. She served in Yemen as a missionary. She is a registered nurse with a BSN degree and a graduate of Southeastern Seminary with a M. Div. degree. She

is serving half-time at this time, but hopefully she will be a full-time worker, depending upon the funding by the churches.

Years ago, into a home, a little girl and a little boy were born. A mother bent over to look deep into their eyes and to whisper, "Babies, you're mine." But the years go on, and the girl and boy become adults. One day another voice, this one, the dearest to their hearts, picks up the refrain and lovingly makes their claim, "Beloved you're mine." Soon small arms cling to them, and children's voices proudly say, "Mother, daddy, you're mine." But the years go on, and suddenly there is a sharp bend, and swiftly the life glides into the eternities. There, in the father heart of God, we hear again those words, "YOU'RE MINE," "My child, you've always been Mine. It was I who gave you birth. It was I who drew you, through the loving redemption of Mine Only Begotten Son — drew you irresistibly back to Me. From Me you came; to Me you return. YOU'RE MINE."

Where Jesus is, in all His glory, your Loved Ones are too!

Brotherhood — Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the NC Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

DEDICATION

Mrs. Reba Barnes and her husband, Baxter, moved to Connelly Springs in 1952. She went to work at Valdese General Hospital. For a short time they and their children, Bryon and Janice, attended Connelly Springs First Baptist Church. They later moved their membership to Rutherford College First Baptist Church, where Reba and Baxter still attend. Their son, Marvin, was born in Burke County.

While a member at Connelly Springs Church, Reba attended her first WMU meeting. She has not stopped working in WMU work since. Reba has served as GA Director at Rutherford College First and in numerous other leadership positions there. Reba is a registered nurse and is employed as a nursing supervisor at Western Carolina Center.

CONSTITUTION AND BY-LAWS

NAME ARTICLE 1

This body shall be called the Catawba River Baptist Association.

MEMBERSHIP ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.

2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. If a church desiring membership in the Association has been an active and cooperating member of a neighboring Southern Baptist Association, said church will be eligible for immediate acceptance to full membership status in the Association. All other churches received by the Association shall agree to come under the watch-care of the Association for a period of one year.

During the period of watch-care the church or churches must demonstrate cooperation and good will with other Baptist churches in their community and the Association.

It is understood that during the period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office or voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Membership and Mutual Care Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of good will. The Pastor and Deacon Chairman of the Mother Church and two leaders

from the dissatisfied group will meet with the Membership and Mutual Care Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Membership and Mutual Care Committee has responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

PURPOSE

ARTICLE 3

The Purpose of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES

ARTICLE 4

The Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS

ARTICLE 5

The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, and Treasurer, who shall be elected at each Annual Session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next Annual Session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next Annual Meeting.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit,

we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into convent with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, and relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the Kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we are removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory forever and ever."

ARTICLES OF FAITH

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scriptures teach that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy Law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the field and fellowship of the Gospel, observing the ordinances of Christ, governed by His Laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Savior, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

17. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

18. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

19. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne: that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

Christ and let Him do His work. We need to keep our mouth shut and listen. Wait on God and receive the Word of God. He closed in prayer.

Be it resolved that we, the messengers of the 161st Annual Meeting of the Catawba River Baptist Association, express our sincere thanks to God for His love and blessings to His churches of this Association. For His salvation and calling to be co-laborers with Him, we are especially thankful.

For the churches who provided so adequately for this annual meeting, Burkemont, Calvary, and Wilkies Grove Baptist Churches, we are thankful.

For our Director of Missions and his wife, Bill and Roberta Goble, and the officers and leaders of our association, for their ministries and leadership in leading us to be the missionary people God wants all of us to be, we are thankful.

Also be it resolved that each of us, in obedience to our Lord Jesus Christ, will most gladly strive to love one another as Jesus loves us, and make a new commitment to be His ministers of reconciliation.

a. concern

b. conviction

- c. commitment
- d. cooperation
- e. courage.

SUNDAY SCHOOL REPORT

When September 30, 1990 came, we brought to a close the **CHALLENGE 10-90** Sunday School growth program. Although we do not yet have the total enrollment in all Southern Baptist Sunday Schools at the end of this past year, we do know that we have made great strides in reaching toward our goals.

Now that we Southern Baptists are entering the last decade of this twentieth century, we are reminded of a commitment. Fourteen years ago, we committed ourselves to share the gospel with every person in the world by the year 2000. This commitment called Bold Mission Thrust, is still a distant reality. To reach this goal we need nothing less than a **BREAKTHROUGH** spearheaded by the Spirit of God.

BREAKTHROUGH is the Sunday School's contribution to Bold Mission Thrust in 1990-95. To Share Heritage and Hope is the prayer, the hope of Southern Baptists as we enter the final decade of this century. The theme also is the rallying point for 1990-95 as Southern Baptist Seek to fulfill the Great Commission through Bold Mission Through Bold Mission Thrust. To do so will require **BREAKTHROUGH**.

During 1990-95, Southern Baptist Sunday Schools will be working toward achieving a total enrollment of 11 million people. Achieving this enrollment goal will represent *BREAKTHROUGH* Sunday School growth.

BREAKTHROUGH . . . Reach to Win, the theme for 1990-91 emphasizes using a dynamic evangelistic outreach ministry through the Sunday School. The next book you want to read is *Evangelism Through the Sunday School*, co-authored by Harry M. Piland and Arthur D. Burcham, available from the Baptist Book Stores, which defines evangelism as . . . the center of the church's mission . . . the urgent need in our time . . . the heartbeat of Sunday School work.

May our lord richly bless every effort in building a strong Sunday School that is always reaching out to find lost people and teaching the Bible to win the lost and develop the saved.

Respectfully submitted,

Lewis A. Gentry

DISCIPLESHIP TRAINING REPORT

The Discipleship Training Department has been busy this year getting used to its new name change from Church Training. Along with the more descriptive name for the work of the department will come more opportunities for church growth than ever before. Plan to grow with us in the coming year.

This past year highlighted our annual "M" Night with Bruce Anthony of Greensboro as our speaker. The associational choir was excellent once again. Also, our association led the state in attendance for this meeting.

Discipleship Training was represented again at the Key Leadership Conference at Ridgecrest in May. There was a good turnout of local leadership at Calvary Baptist for our associational conference in August.

Benny Walker, Associate Discipleship Training Leader for the association has had several conferences with individual pastors and churches concerning improved training and will be available for consultation again this year.

Respectfully submitted,

Tim Horltdt

BROTHERHOOD REPORT

Missions involvement of Baptist men and boys is the purpose of all Brotherhood work. Its five goals are to (1) engage in mission activities, (2) teach missions, (3) pray for and give to missions, (4) develop personal ministry, and (5) interpret and undergird the work of the church and denomination. Its aim is to support and strengthen the local Church Brotherhood program.

In the year just ending, your Associational Brotherhood jointly with the associational WMU promoted State, Home and Foreign Mission offerings in

our local churches and conducted an RA-GA Day Camp for our younger children. In January, Baptist Men's Day was promoted in the churches. Conferences for all age groups were presented at this year's leadership workshop.

Associational RA activities were varied and exciting. Our Associational RA Racers Competition was the largest ever conducted. Over 80 cars were entered. The RA/GA Day Camp held at South Mountain Baptist Camp was well attended by boys and girls and their leaders.

Our association was well represented at the state level track and field meet this year. Our young men brought home their share of ribbons and awards. We are proud of all of them.

Again, our sincere appreciation goes to all those who worked diligently to make this year's work successful. Your Associational Brotherhood is ready, at your invitation, to assist to begin new Baptist Men's or RA units. We would be delighted to serve you in this capacity.

Respectfully submitted,

Albert Epley

Associational Brotherhood Director

WMU 1989-90 REPORT

Our theme for this year has been "In His Name: Reach, Teach, Touch." We have been busy this year to REACH not only people for Christ, but also church members who are not now involved in missions organizations. We have assisted several churches in our association to start BYW, Mission Friends, and Acteens. We have offered ourselves to the churches in the association who need help or do not have any of the organizations.

This has been the "Year of the Acteen." Special activities have been held and the emphasis has been given on recognition of our youth in missions. We have assisted some churches in starting Acteens.

As we continue may our "watchword" continue to guide us: "And the King shall answer and say unto them, verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40).

Your WMU Director,

Reba Barnes

WESTERN PIEDMONT COMMUNITY COLLEGE MINISTRY REPORT

Students for Christ is a very active group of young Western Piedmont Community College students. It is sponsored by our Catawba River Baptist Association and North Carolina Baptist State Convention. According to the Students for Christ constitution, our purpose as an organization is to be an inter-denominational ministry to promote "***ministry, Bible study, outreach, and fellowship***" among W.P.C.C. students. In each of these areas, the S.F.C. ministry has fulfilled its purpose.

MINISTRY

Last year the students sponsored two service projects involving the entire college community.

They had an "Angel Tree" to give students an opportunity to give Christmas gifts to the needy.

In the spring they made over 100 Easter baskets and gave them to children at N.C.S.D. and South Mountain Children's Home.

BIBLE STUDY

S.F.C. weekly meetings are a time for Bible study together and sharing prayer concerns. Several Catawba River Association ministers were able to meet with us as guest devotion leaders. (We hope many more will be with us this year.)

Important in-depth Bible study opportunities were offered at two North Carolina Baptist State Campus Ministry-sponsored events last year. The B.S.U. Fall Conference was held at Ridgecrest. The B.S.U. Spring Confer-

ence was at Caraway. S.F.C. members attended both of these conferences, some in leadership positions.

Students are encouraged to attend their own churches for further Bible study, and often share the good things going on in their own churches.

OUTREACH

S.F.C. students are encouraged to be witnesses for Christ to the College Community. Our weekly meetings stress their responsibility and joy in being "salt" and "light" among other students.

A member of our group attended MISSIONS 90 and served as summer missionary through our state convention.

We hosted representatives from our Home Mission Board and State Convention who encouraged our students' involvement in missions through Southern Baptist programs.

A major event of outreach to the Morganton/Burke County community was a program on Suicide prevention sponsored by S.F.C. This program was held in W.P.C.C. Moore Auditorium and was given by State Trooper Fred Davis. Mr. Davis is the founder and executive director of Parents Against Teen Suicide. He told of losing his own daughter to suicide and gave important information on ways to prevent suicide. Mr. Davis, a fine Christian gentleman, gave a powerful testimony.

FELLOWSHIP

Students for Christ offers students a chance to get to know other Christians from other churches and, through the two state conferences, Christian students from other colleges across the state. We do things together, whether going out to eat or sitting together at community events. We share problems facing community college students, who often work full time while working on their degrees. We support each other in our Christian walk.

Students for Christ is a wonderful ministry of our association to the college community in our midst. We hope to increase and improve all aspects of our stated purpose in the present school year.

Respectfully Submitted,
Fred Schuszler

MISSIONS DEVELOPMENT COUNCIL

"MISSIONS IS FINDING A NEED AND FILLING IT," someone has said. Understood in that statement are several things: Needs are spiritual — man without Christ is lost. Needs are often physical — God loves man in his human condition, salvations is holistic. Christ has commanded all Christians to share in the legacy of his mission — The Great Commission.

The association is an organizational expression of many churches with the same commission giving and receiving strength and encouragement from each other. One purpose of an associational Missions Development Council is to provide resources for the churches.

The three Categories for Associational tasks are:

1. Fellowship tasks

2. Mission performance tasks
3. Administrative tasks

The work of the associational Missions Development Council is as follows:

1. Call churches to mission.
2. Provide resources and service to churches and leaders.
3. Train, develop, and encourage church and associational workers.
4. Provide opportunities for working together in missions, ministry, growth, and evangelism.
5. Establish and maintain appropriate communications and relationships with community and the denomination.

EVANGELISM REPORT

Evangelism, like the fragrance of flowers which saturates a room's atmosphere, should saturate and embrace all that Baptists are doing in the Catawba River Baptist Association.

There are three good reasons for reaffirming our emphasis on evangelism: "First, because of God's eternal love and His provision of a new life in Christ Jesus for all men; second, because of man's spiritual need; and third, because of the extraordinary response to the gospel of Christ in many areas of today's world."

Some of our churches are getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in our evangelism efforts.

The 1991 Evangelism Conference will be held February 4-5 at Greensboro Coliseum. Dr. Charles Fuller, Dr. Darrell Robinson, Dr. William A. Anderson, Rev. J. R. Janese, and Dr. William J. Shaw will be the speakers.

In cooperation with the Stewardship Division Witnessing/Giving Life Training Sessions were held across our state in all the associations in preparation for Witnessing/Giving Life revivals to be held in the churches in the spring of 1991.

Let us continue to work and witness that we may see many people come to know Christ. It is our prayer that baptism will begin to rise each year.

Respectfully submitted,
Jerry F. Gamble
Associational Evangelism Director

FOREIGN MISSIONS REPORT

In a recent issue of the Foreign Missions Board's magazine *The Commission*, R. Keith Parks described the 1980s as a "decade of surprises"; considering the events of just this past year, it comes as no surprise.

For instance, a wall, long held to be the symbol of oppression, came

tumbling down. Freedom has sprouted where once there were totalitarian regimes. Religious intolerance was replaced by an openness to the gospel.

All of this makes the challenge greater for Southern Baptists. Whatever our part is, whether it be *praying, giving, or going*. We must continue to work together as never before.

A look at 1989 reveals two different pictures. First is one of highlights. A record high of 227,564 baptisms was reached, an average of one every two minutes. Overseas, this is one for every 10.7 church members, as compared to one for 40 Southern Baptist in the United States. Overseas membership increased 16.4% reaching a total of 2.4 million.

The second picture is one of concern. Here at home, a 12.13% growth rate was needed to meet the goal for total churches; the increase was only 10.6%, and a net loss in the number of missionaries for the first time in 17 years is cause for significant concern. Each of us needs to renew our commitment to spreading the *good news*.

Southern Baptists in 1989 had 3,780 missionaries in 116 countries. There were 42,476 churches/chapels with 2,450,884 members. Also, we had 10,287 volunteers reported.

In 1989 Foreign Missions received nearly 69 million dollars through the Cooperative Program, an increase of 1.8 million over 1988. Lottie Moon Offering provided almost 79 million, an increase of 12.7% over 1988, but we were still short of the goal.

In conclusion, we urge every church to renew their commitment to Christ, enlarge their vision of the *Great Commission*, and get on with spreading the gospel to the ends of the earth.

1990 HOME MISSION BOARD REPORT

Home Mission Board highlights for the year 1989 include: 670 new home missionaries appointed, 1000 professions of faith in Las Vegas, 17 new congregations in Nevada. 250,000 meals served to hurricane victims, \$35,000 sent in domestic hunger and disaster relief funds to Puerto Rico and South Carolina, a record Annie Armstrong Offering of \$32,965,439. Vacation time and \$17,000 were given by HMB staff to construct a house for a poor family in Atlanta, and 3,571 people led to Christ by the 129 elected HMB staff.

A major reorganization within the HMB was completed in January, 1989. The Board's expenditures were reduced by \$6,969,439 in 1989 and 28 Atlanta based positions were eliminated. In 1989 a Special Ministries Department was established to oversee work with international seamen, diplomats, resort ministers, and 26 US-2 missionaries. The HMB Volunteer Division was created to work with state conventions to establish a system to recruit mission volunteers and educate Southern Baptists about volunteer opportunities. Part of this division, the Short-Term Volunteer De-

partment, assigned 47,451 volunteers in 1989. This enabled the Southern Baptist Convention goal of 200,000 short-term volunteers by September, 1990, to be exceeded.

Chaplaincy Ministries grew with 603 chaplains and pastoral counselors being endorsed, bringing the total to 2,165 serving in the United States and foreign countries. Christian Social Ministries started two new Baptist Centers and 15,052 professions of faith were reported by 320 Church and Community home missionaries. Language Church Extension helped establish 455 new congregations and supported 1,284 missionaries to 98 ethnic congregations.

Church Planter Strategists helped start 644 church-type missions, helped provide salary support for 1,427 missions personnel, and financially assisted 1,149 congregations. Interfaith Witness volunteers trained 30,000 to share their faith with members of cults and world religions.

As Southern Baptists in the Catawba River Baptist Association, we can support the HMB and its programs by giving through the Cooperative Program, the Annie Armstrong Offering, the North Carolina Missions Offering, and associational missions; by praying, and by being missionaries wherever we are.

NEW HOPE BAPTIST MISSION

New Hope Baptist Mission is located in hidden valley, a ninety-six home subdivision of the Oak Hill Community and is a mission effort of the Catawba River Association sponsored by Zion Baptist Church and the Church Extension Committee of the Baptist State Convention. Rev. Alan Beane of Lenoir serves as the bi-vocational pastor.

The mission has a complete Sunday School program and the enrollment continues to climb; attendance is rising to the mid 30's. We have a new minister of music which has added to our worship hour. Through these good services we are beginning to see changes in the lives of those attending.

The R.A. and G.A. program remains strong with an abundance of young people attending under the direction of dedicated volunteers. New Southern Baptist Missionaries, Walter and Jackie Ford send correspondence to these groups taking a special interest in teaching them about their work.

New Hope Mission appreciates the financial support from the Association and the individual churches involved. Please continue to pray for the mission, and pray that more leaders would volunteer their time and talents, and that God will continue to bless.

Respectfully submitted,
Rev. Alan Beane

HMONG MISSION

The Hmong Mission of First Baptist Morganton and the Catawba River Baptist Association was begun in 1984. Since then 36 have made professions of faith and have been baptized. Approximately 50 Hmong are involved in the mission. Many who have been baptized have identified with other churches in the area.

The Hmong Mission now meets at Morganton First Baptist Church. A new program of music training has been implemented. The program includes piano training for those who are interested.

Joshua Vang (Home Mission Board, Atlanta, GA) will visit the mission in 1991. During the coming year a strong effort will be made to secure the services of a part time minister. Meanwhile, lay persons from First Baptist will lead the mission in worship and Bible study.

SOUTHMOUNTAIN CHILDREN'S HOMES

Dear Christian Friends:

In recalling the events of this past year, I am reminded again of our close affiliation with the Catawba River Baptist Association, which goes back beyond the 1920s.

In one of our earliest reports were comments which are still very true today: Southmountain is DIFFERENT: it is a place where God is revered; a place where men, women, and children are taught to come before His presence with singing and into His courts with praise." In 1990, Southmountain Children's Homes continue to be God-centered, long term healing homes for the less fortunate children of our community. Our United Christian Shelter emergency home provided care for 36 children and on our main campus we were able to serve 54 children for a total of 90 children from abusive, neglectful and broken homes.

Our family of children and staff continues to attend and to be involved with the Oak Grove Baptist Church and Reverend Gyles Widener continues to serve our Home as minister, Child Care Worker and resident chaplain.

This year we have been fortunate to be able to hire Reverend and Mrs. Melvin Vannoy as Child Care Workers for the shelter, and Mr. and Mrs. Glenn McDevitt as Child Care Workers for the older girls' cottage. Also, we have hired an Associate Executive Director, Chris Jernigan.

Two programs proved to be very successful this year. An "adopt a grandparent" program where the children visited local rest homes proved to be a wonderful way to witness God's love to the elderly. Also, the Southmountain Singers carried His word through song and praise into local churches and were warmly received wherever they visited.

Our largest needs continue to be for money to operate (we will finish the year with expenses \$95,000.00 over revenue). But our faith is strong and we

know that God is at work on our campus and He will provide the means to carry out His work in the Catawba River Valley.

Yours in Christ,
Doug McConnell, Executive Director

SOUTH MOUNTAIN BAPTIST CAMP 1990 REPORT

Now completing 34 years, South Mountain Baptist Camp is still reaching out to the young people and adults in the churches of Region Eight.

There were 1,200 R.A.s, G.A.s, Acteens, and their counselors attending during this year's regular camping season. Another 1,212 used the camp facilities for retreats, swimming, picnics, or other special events. These two figures show the balanced ministry of South Mountain Camp to our churches.

This year's theme "Glorifying the Father" proved to be a real challenge. Every day youth, counselors, and staff were taught in Bible classes, chapel times, and worship experiences the importance and responsibility of bringing honor and glory to our Heavenly Father through our everyday lives! We were challenged to bring "Glory to the Father" by giving our lives to Him. There were 71 responding to this challenge by accepting Jesus as their personal Savior. We were challenged to bring "Glory to the Father" by living daily in a way that will bring glory to Him. There were 180 plus young people, counselors, and staff responding by rededicating their lives to Jesus. There were another 10 who felt they were being led to "Glorify the Father" by accepting the call into full time Christian vocation.

We were all challenged that to "Glorify the Father" we must have a burden and vision of a world that is lost in need of a Savior. Through special speakers and a daily mission challenge, we were reminded of our responsibility to go — to send — to support — and to pray for all efforts to win the world to Christ.

We want to take this opportunity to thank God for all He has done here these 34 years. We are looking forward to working with you this year. Please pray (1) for God's Leadership this coming year, (2) for God's people to support South Mountain financially this year, and (3) for a renewed interest in "the ministry of camping." Every young person should have the life changing experience of attending camp!

God Bless You,

GREATER ROCHESTER BAPTIST ASSOCIATION PARTNERSHIP REPORT 1990

Dear Catawba River Baptist Association:

We in the Greater Rochester Baptist Association thank you for the prayers, mission groups and financial assistance you sent during the past year. God has used *you* to help *us* accomplish much for Him that we could not have done without your help.

Fifteen churches from the Catawba River Association have provided financial assistance to the Greater Rochester Baptist Association. We have used the money in the following areas: (1) salary for an association secretary, two hours a week for nine months of the year, (2) salary assistance for a chaplain at the Pines of Perinton. The chaplain began a new church at this apartment complex in May 1990. The average attendance is 30. One hundred fifty children were registered in daycamp this summer. Twenty-five persons have given their lives to Christ since May. The chaplain leads Big A Clubs, Mother's Bible Studies, worship, youth activities, and provides emergency counseling, and (3) provide travel and food for a summer praxis team. Two men from Southwestern Seminary worked in Greece, New York this summer. They knocked on 1,000 doors and discovered 80 prospects for a new church. They won 12 persons to Christ and started a Bible study that averaged 15 in attendance.

Thank you for making these ministries possible through your financial gifts to the GRBA. Thank you to Valdese First for bringing its group to minister at the Pines and to build a guest room for guests of the GRBA.

We in the Greater Rochester Baptist Association are very thankful for the partnership with the Catawba River Baptist Association. We look forward to continuing our partnership. May God Bless each of you for your desire to be a part of a ministry beyond your church and association.

Thank you,
Rusty Sumrall

STEWARDSHIP/COOPERATIVE PROGRAM REPORT

Southern Baptists have been characterized throughout their history as a people committed to missions at home and throughout the world. We have taken seriously the mandate of our Lord to be witnesses in Jerusalem, Judea, Samaria, and unto the uttermost parts of the earth. The Southern Baptist way of doing missions is through voluntary cooperation and our way of supporting missions since 1925 has been the Cooperative Program.

The cooperative mission effort of Southern Baptists has developed a world wide mission network unparalleled in the history of Christianity. This mission endeavor includes proclaiming the Good News of God's saving grace in Jesus Christ, establishing churches, ministering to the hungry, to the hurting and the sick, and providing resources for Christian education, missions, evangelism, and benevolences.

The latest Cooperative Program budget reflects a continuing commitment to these mission priorities in Burke County, North Carolina, the United States and throughout the world. Opportunities abound for evangelizing, congregationalizing, and ministering in Jesus' name.

Let us pledge our support to our Catawba River Association, North Carolina missions, missions throughout the United States and the world. A good steward is one who is faithful to God in every phase of his life.

AMERICAN BIBLE SOCIETY REPORT TO THE DENOMINATIONS

What do the churches of America see when they look at the American Bible society? For those of us responsible for communicating the ABS story, we would like them to see us as an important *partner* of the churches to make a greater witness for Christ — a partner on the frontier of world mission and evangelism, and a partner at the local level of day-to-day community outreach and service.

This is the way we see you, the churches. You are our *partners*, indispensable co-workers with us in the Bible cause! Our global program of Scripture translation, production and distribution is inherently dependent upon the prayerful support, the generous gifts, the wise counsel and advice given by denominations and their local congregations. This undergirding is the primary enabler for the Society to develop exciting, relevant and powerful Scripture resources for Christians in our country and for all those around the globe we seek to reach with God's Word.

One look at the chart of Denominational Support on page 6 of this report will show you that ABS partners have many profiles. The Society is privileged to enjoy broad support among Christians in America. Many are ABS Volunteers and Church Representatives, Bible-A-Month Club members and Good News for New Readers supporters. In fact, 90% of the denominations listed in the *Yearbook of American and Canadian Churches, 1989* are represented among those who are active in the ABS ministry. People sharing the Bible with other people is a ministry to which all Christians are called and one ABS is eager to help churches in fulfilling.

Representatives from 37 denominations and 6 church agencies attended the Society's 60th National Advisory Council at Bible House in December last year which met under the banner "Partners in Spreading the Good News." Because we believe there is no better way of presenting the Bible cause, we have made this theme the central perspective of our report to you this year. We hope what you read here will underscore just how grateful we are to your denomination for being our partner, will reinforce why your continuing and expanding partnership with us is so vital, and will strengthen your confidence and participation in the work of the American Bible Society which you are so generously supporting.

SEMINARY EXTENSION

Seminary Extension brings quality education close to all of us. During 1989-90, 15 persons enrolled in one or more of the six courses taught at the Baptist Center. We also began teaching basic courses in the Western Youth Correctional Center. Three courses have been taught by Rev. Robert Rownd with 12-15 pupils enrolled in each course.

Plans for the coming year is to offer 4-8 courses at our Baptist Center, and to begin offering 2 or more courses on a continuous basis at Western Youth Correctional Center. Rev. Gene McHargue has been selected to teach one of these classes. Rev. Philip King, chaplain at Broughton Hospital, will also offer some special performance courses at the hospital.

Thomas Allen Nance has earned the Advance Pastoral Diploma by completing 32 required courses. Several more will earn the Pastoral Diploma by next spring.

The Seminary Extension Department offers most of its courses through correspondence. A new program allows a student to enroll directly in one of our seminaries and receive credit on an associate degree from them.

THE ASSOCIATION MEDIA LIBRARY ORGANIZATION

"For the cause of Christ in your church and community Impact the 90's more effectively by providing a church media library." This has been the theme for TACMO for the past four years. Our new emphasis is Focus 95 with this year's special focus being a focus on missions.

We have twenty-seven churches in our association with media libraries. That means that TACMO would welcome an opportunity to assist over half of our churches in starting a media library. There are seven steps in starting a library. These are:

1. Vote by church to establish and support a library.
2. Elect a minimum of two persons to operate the library.
3. Provide a place for the library.
4. Set up definite times when the library will be open.
5. Use book pockets, charging cards, date due slips and accession records.
6. Promote the use of the library.
7. Select good materials.

May we assist you to start or improve your media library? We can provide training, guidance, and manpower.

TACMO is establishing an associational library. This library has an extensive collection of videocassettes. In this collection are many cassettes on foreign, home, and state missions. Use these to introduce your church family to the needs of the lost world and to make them aware of how Southern Baptists are responding to those needs. Watch *Current* for a list of new additions. Come to the associational office and check out these videocassettes.

TACMO has an associational organization that is planning to meet quarterly. We invite all media library personnel to come to our meetings. We want this to be a sharing and learning experience for all. Come join us.

Modene Stroup

ASSOCIATIONAL REPORT — 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

BAPTIST HOSPITAL REPORT

The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession, \$190 million expansion program has been completed and occupied. The purpose of the new facilities, according to hospital President Len B. Preslar, Jr. is to enable us to respond to patient needs better than ever before.

Several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck.

Through these various services we provided 210,456 days for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery.

During the fiscal year ending June 30, 1990, the hospital received \$692,946.24 through the Cooperative Program and \$271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program funds are used for the Department of Pastoral Care. The hospital staff and patients are most grateful for this continuing financial support.

NORTH CAROLINA BAPTIST FOUNDATION REPORT TO BAPTIST ASSOCIATIONS OF NORTH CAROLINA

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over \$13

for a five year period.

Trust income distributed to Baptist institutions and mission causes in 1988 and 1989\$1,106,930

Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989\$1,361,836

Assets held in trust and endowment funds as of June 1, 1990 (unaudited).....\$26,176,481

Assets held in trust and endowment funds as of December 31, 1989 (audited)\$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 5,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Foundation employs seven full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

MAKING LIFE FOR OLDER ADULTS...

THE BEST OF TIMES

NORTH CAROLINA OFFERING FOR OLDER ADULTS

In November of 1989, messengers to the annual session of the Baptist State Convention of North Carolina (meeting in Greensboro) voted to discontinue the Homes and Hospital Offering and to allow each of the social service institutions (the Retirement Homes, the Hospital, and the Children's Home) to once again have its own special offering. Our new offering, the *North Carolina Offering for Older Adults*, will be held for the first time during the week of February 3-10, 1991. The funds raised as a result of this

special emphasis will be used exclusively to underwrite the cost of care for Older Adults with little or no money to pay for the institutional services that they need.

Please have your church place this new emphasis in your 1991 calendar.

North Carolina Offering for Older Adults February 3-10, 1991

The cost of caring for Older Adults is not cheap. Consider your own home budget. You have to pay rent or the mortgage, electricity, water and food. The household depends on you making those basic payments to survive.

Last year, Baptist Retirement Homes spent \$1.2 million to pay for the care received by residents who could not afford the full cost of living in a retirement home.

The bills are no different at any of the facilities run by the Baptist Retirement Homes of North Carolina, Inc. Plus, on top of the basics, the Baptist Retirement Homes provides supervision for those Older Adults who need some assistance with daily living, and, in the case of the Health Care Unit, provides round-the-clock nursing care for those Older Adults who have medical problems.

This costs a lot of money. The families who have helped Mom or Dad make the decision to move into one of our homes know that. But what happens when an Older Adult has no family? What happens to that Older Adult who served in church ministry for years and never could save up the kind of money it costs to move into a retirement home? If there is space, they still receive care.

Your gift to the Resident Care Fund will help us make the senior years for many Older Adults ***The Best of Times***.

- † The cost of caring for 67 percent of the residents in the Health Care Unit in Winston-Salem is partially or completely subsidized by gifts from North Carolina Baptists.
- † All gifts received from the Cooperative Program and from local churches are used to help pay the cost of care for Older Adults with limited financial resources.
- † The Baptist Retirement Homes cares for more than 60 retired ministers, missionaries and their spouses.

BAPTIST CHILDREN'S HOMES REPORT

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we initiated the "Give a child a chance!" campaign which seeks to raise 11 million dollars over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Some of the new endowment earnings will increase training to help staff deal with ever-changing needs among the 1,000 children and families they serve each year. We will also be able to begin a before and after school care program in Davidson County, to give security to children of working

couples, who won't have to go home to empty houses.

During the 12-year absence of the Thanksgiving Offering, Baptist Children's Homes lost more than \$1 million in revenue. In the change from a Homes and Hospital Offering to the Thanksgiving Offering, Baptist Children's Homes will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant \$400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts each year which is the stackpole around which we build our other income planning. We urge renewed commitment to cooperative giving among our North Carolina churches. This commitment is essential not only for us but also for our entire missions enterprise.

In August, Baptist Children's Homes signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county, which raises to 11 the number of emergency homes that we operate. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state.

In 1991 we will celebrate the 20th anniversary of the founding of the Broyhill Home in the Waynesville/Clyde area. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Respectfully submitted,
Mrs. Robert English

NORTH CAROLINA BAPTIST COLLEGE REPORT

Campbell	— Chowan	— Gardner-Webb	— Mars Hill	— Meredith	— Wake Forest	— Wingate
1887	1848	1905	1856	1891	1834	1895

Dr. S. L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist Colleges are guided, as are the churches and the Convention, by historic Baptist principles:

1. The authority of the Scriptures and the Lordship of Christ. Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for

the authority of the Bible.

2. The competence of the individual and the priesthood of believers. Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.
3. The autonomy of the local church and cooperation in Christian service. Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of denominational unity.
4. Freedom of religion and a free church in a free state. Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

North Carolina Baptist higher education facilities consists of six colleges and one junior college. Our six colleges had an 8/8/89 enrollment of 3,353 and our junior college had enrollment of 156. We are grateful for the time and talents given to our young people by a dedicated facility and staff.

THE ANNUITY BOARD REPORT

During the first six months of 1990, two major transitions occurred.

1. Paul W. Powell succeeded Donald H. Morgan as President of the Annuity Board on March 1.
2. On July 1, 1990, we began a relation with the Prudential Insurance Company of America to provide life, medical, and disability coverages.

At the end of the second quarter of 1990, 65,258 Southern Baptist ministers, church employees and denomination workers had active retirement accounts with the Annuity Board.

There are now 2,162 North Carolina churches and Associations contributing to retirement plans. The average annuitant in North Carolina receives \$276.39 per month. Only 64% of our churches are participating in our retirement plans. The level of participation in our Association is not much better than our state average. It is exciting to think about what has been done to help our ministers retire in dignity. But there is still much to be done.

Jesse M. Head

TEMPERANCE & MORALS REPORT

We have much to be thankful for this past year. God gave us victory again over the proponents of Liquor by the Drink. Many thanks to everyone who labored in this worthy cause.

On a state level, three lottery bills died in committee because the pro-

gambling forces didn't have the votes. The state funds for abortion were reduced from \$400,000.00 to \$100,000.00. These remaining funds may be used only when the mother's life is threatened. A bill was enacted to make the possession of child pornography a felony.

A word of concern on which we are urged to pray and act. The tax on beer in North Carolina has not been increased since 1969. Call or write your Senator or representative and urge them to consider this.

Thank you for allowing me to be your representative this year.

Respectfully submitted,
Ralph May

ASSOCIATIONAL MUSIC REPORT

It has been a great privilege to serve as Catawba River Associational Music Director for this past year. Many of our churches have been involved with us in various sessions this past year. Thank you for your support and encouragement related to Associational activities.

One of the highlights of this past year was the "M" Night emphasis last November at the COMMA. We had a great "M" Night Associational Choir for the service. Some 106 choir members from some 18 churches made up this choir. We practiced and sang four songs in that service. Appreciation is given to Judy Stroupe and Sandy Smith, associational organist and pianist respectively. They have consented to serve again for the 1990-91 year. On Monday night, November 26, 1990, we will again have an Associational Choir to sing for this year's "M" Night service. Our goal this year will be 125 for the choir.

Another special event this past year was our Here's Hope Rally on Monday Night, April 19 at Mount Home Church. Again, we used a smaller Associational Choir (65) for the service. Some eight churches helped us form this choir.

In August of this year we had our Key Leadership Conference at the Calvary Church. Our participation was fair for our Music conference to discuss plans for the 1990-91 year. Our plans include a Music Sight-Reading session early in 1991. We also discussed possibility of a Saturday night "Singspiration" in which we would come together and just sing through pieces of music for fellowship. This will also be planned for spring. Another discussion was about an Associational Youth Choir Musical for the spring or a night similar to the "Singspiration" above. We would love to have response from the churches concerning these items in this report.

If I can ever assist any church or Music Director with anything pertaining to the music ministries of our churches, please feel free to call on me. Several have expressed an interest in Fundamentals of Music study for their particular church. Please let me know if I can be of help even in that area. We have very capable Music Directors in our association also willing to assist in these areas. Please do not hesitate to call on any of us for assistance

in regards to Children's, Youth and Adult Choirs as well as help in Instrumental and Handbell ensembles.

Thank you again for allowing me this opportunity of serving you.

Respectively submitted,
Lanny Smith, Mount Home Baptist Church

REPORT ON BURKE UNITED CHRISTIAN MINISTRIES

BUCM continues to provide emergency assistance to the poor and needy in Burke County (and transients) in the form of food, clothing, rent, lodging, power, heat, medicine and gasoline. The crisis center at 500 S. Green Street is now open five days a week, 8:30-4:30 p.m. Monday through Friday. In addition, BUCM staff are on emergency backup to assist the needy on a 24-hour basis, evenings and weekends!

Hot meals are also served to the indigent 11:15-12:15 p.m. Monday through Friday in our soup kitchen, which was expanded in 1989 to include drop-in, shower and laundry facilities. A variety of well-balanced meals are prepared and served by over 80 volunteers from member churches each month.

During the past year alone, BUCM provided over 15,000 assists of all kinds to nearly 5,000 individual men, women and children, representing about 7% of the entire population of Burke County!

Supported by over 50 participating churches and the Burke County United Way, BUCM also receives help through the Duke Power Community Heating Challenge, Project WARM, the CROP Walk for Hunger, Fat Friday Foodshare and Scouting for Food.

We are especially proud that Southern Baptists are very active in BUCM as volunteers, board members and supporting congregations. Your continued support and prayers are vital to our ministry!

NORTH CAROLINA MISSIONS REPORT 1989-90

Our theme for 1989-90 was "Challenging Lives Through State Missions." Our statewide goal was \$1,800.00. State Missions do change people's lives so they may, in turn, help change other people's lives. State missions is a partnership with churches; associations to meet needs of people. Through prayers, concerns and financial support, people's needs are being met.

REPORTS OF CHURCH AND COMMUNITY MINISTRIES COUNCIL 1989-1990

The Church and Community Ministries Council of 1989-1990 consists of the following members: Paul Alverson, Lewis Gentry, Bill Goble, John Hayes, Jessie Head, Jane Murphy, Ruby Seitz and Annie Mae Short. This committee meets on a regular basis with Ms. White and serves in an advisory capacity on current projects and planning of future ministry projects through the association. A detailed description of these projects is enclosed in Ms. White's report. Observing the impact the various ministries have made with people in our area has been inspirational and enabled us to see the tremendous impact which could be made through a full time position once funding is made available.

REPORT OF CHURCH & COMMUNITY MINISTRIES DIRECTOR 1989-90

Broughton Hospital Ministry — The second Thursday of each month a different church sponsors a fellowship on the admissions ward. These fellowships have been very well received. The staff says patients look forward to them.

Flea Market Ministry — The last Saturday of each month a different church is responsible for manning our booth at the Jamestown Flea Market. I have heard good reports from the management about our booth.

Magazine Ministry — The churches have been very responsive to the request for magazines. I have been taking these to Western Carolina Center and to Broughton Hospital. They are very much appreciated. Keep them coming!

Booth at Historic Morganton Festival — Our booth was very much appreciated by more than 1300 people who stopped for a cup of cold water. We also gave away 500 balloons to happy children and several pieces of literature. Many people stopped to look at the picture display of our churches.

Youth Ministry — Gary Lambert has served with me this year as Associational Youth Coordinator. In February, we sponsored a preview of the film "Love in a Twisted World" for pastors and youth ministers. In March, we had a very successful Youth Rally at Mount Home with over 300 in attendance! In August, we held a Back-to-School Wacky Olympics at South Mountain Baptist Camp. It was enjoyed by about 80 youth. The Youth Council met several times during the year and has some exciting events planned for 1990-91.

Single Adult Ministry — Fred Schuszler has served with me as Associational Single Adult Coordinator. In January, we had a Single Adult Banquet at Morganton First Baptist. Buddy Freeman from Campbell

University brought an entertaining and inspirational message. Single adult leaders from three associations met in March for a training session sponsored by our association in cooperation with the State Convention.

Literacy Ministry — Thirteen people have been trained to teach people to read and write. The work has been slow because we have had difficulty getting students. Please pray for this ministry.

Summer Ministry — We were privileged to have Wendy Brown with us again this summer as Summer Missionary. She conducted Big A Clubs, Back-Yard Bible Schools, and Mission Vacation Bible Schools.

Proposed New Ministries for the Coming Year

1. Western Carolina Center — there is a need for people to help take residents to Sunday afternoon chapel services. I would like to get our churches to help with that once a month.
2. North Carolina School for the Deaf — there are many students at this institution who get little or no family support. I would like our association to sponsor at least one child. Each month a different church would be responsible for ministering to this child.
3. New Booth Ministries:
Burke County Fair
Drexel Fair
Waldensian Festival
4. Parade Ministries:
Morganton Christmas Parade
Morganton Fourth of July Parade
5. Monthly Mission Action Projects in Cooperation With the Associational WMU:
October: Burke Crisis Pregnancy Center
November: Pillows for children at Western Carolina Center
December: Items for inmates at Western Youth Institution
January: Food for needy families
February: Valentine's Day party for K-3 children at NCSD
March: Options
April: Cosmetics and shaving lotion for Broughton
May: Bird feeders for nursing homes
June: Diapers for needy children
July: School supplies for South Mountain Children's Home
August: Food for homeless
September: Care packages for M.K.s at college
6. Senior Adult Ministry

I appreciate all the help and encouragement you have given me during my first year as CCM Director here at Catawba River Baptist Association. It has been a year in which I have learned much and grown in many ways. I am pleased with the ministries that have begun and I commend you for your part in making them successful.

I am also looking forward to starting new ministries this year and ask for your cooperation in order to make them a success. I believe the largest portion of my time this past year has been spent on the phone trying to recruit people to work in our ministries. Without you, there will be no

ministries and I need all of you to help. There is plenty to do. Won't you pray about your involvement and the involvement of your church?

I am looking forward to working with you again this year as we seek to reach our communities with the Good News of Jesus Christ!

Jean White
Church & Communities Director

HIGHLIGHTS OF THE CATAWBA RIVER ASSOCIATION

In the early days of the Catawba River Association a number of Dunkers, or German Baptists, settled in Western North Carolina. According to Dr. George Paschal's History of North Carolina Baptists, the Dunkers were a noble group of people. However, the Catawba River Association had trouble accepting their baptism. They practiced dipping or immersing the candidates face forward in the name of the Father, Son, and Holy Spirit.

In 1829 the query from Mt. Ruhama Baptist Church raised the question: "Shall we continue to commune with the Dunker Baptists?" The Catawba River body answered emphatically, "no," and the matter was settled.

In 1840 the Catawba River Association dealt with footwashing as a part of the worship service. This was the common practice of many Baptist churches in these mountains. At the meeting with the Olivet Church, the issue was resolved with a vote of 27 to 21 to reject footwashing as an ordinance directed by the New Testament.

King's Creek Baptist Church, one of the original members of the Catawba River Association, was organized in 1779. Legend has it that the name was given to the community because many mountain people were Tories, and were in sympathy with King George II of England.

From the beginning, associations were organized to provide fellowship for a group of Baptist churches in a given area. Basically, the association helps churches in stewardship, training workers, evangelism, and missions. It is the only organization to which Baptist churches belong and are accepted by the majority vote of the association.

Today Catawba River Association is made up of 63 churches with a resident membership of 18,218 and a Sunday School enrollment of 7,069. Total receipts last year amounted to \$7,106,862.00, of which \$479,802.00 was given through the Cooperative Program. Fifty churches contributed in the past year over \$100,000.00 to associational missions.

One of the outstanding demonstrations of cooperation among our churches in Burke County was the united effort in defeating Liquor by the Drink in the city of Morganton. The Baptist churches not only supported the movement financially but also by influencing their members in the city of Morganton to vote against Liquor by the Drink.

"Here's Hope Revivals" during the spring of 1990 was promoted by 30 churches. This was the most successful revival in many years.

W. A. Huneycutt

Brotherhood — Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the NC Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.
